LEISR-0032-008	Residential Plumbing	Cont.	Wed	5:30pm –9:30pm	6/13	6/27

Summer Semester 2018

May 29th-August 5th

Registration begins on March 20th for returning students

(Please check your myACCESS account for your number of completed credits and exact registration date.)

*What are Hybrid Courses?

Hybrid courses integrate 50 percent classroom instruction with 50 percent online learning which allows students to earn credit using a flexible, effective format. These courses contain the same content as the corresponding traditional classroom versions. When completed successfully, grades and credits for these courses are recorded on a student's record in the same manner as traditional courses. Prospective students may want to contact the instructor of a course or courses they are considering for specific details.

**What is the Adult Fast Track (AFT) Program and what are the benefits of taking AFT courses?

The AFT program is an accelerated program for adults 21 years and older who are committed to continuing their education, but require accommodation for their busy lifestyles. AFT courses are designed to meet the needs of the busy adult student. Traditional courses typically meet several times per week over a standard 16-week semester. AFT courses are offered in an eight-week format with one regularly scheduled four-hour class per week. This format allows our students to pursue a degree and still honor commitments to family, career and friends.

For more information call: (630) 942-FAST or e-mail: fasttrack@cod.edu

Or contact: Judy Hayes (630) 942-3875

Addison Center Office Hours:
