Athletic Insurance

College of DuPage’s accidental insurance policy is considered “SECONDARY” to any personal family medical insurance and covers only accidental injuries resulting from the direct participation in the intercollegiate athletics program during the dates of official activities within the calendar dates set by the NJCAA. Any claims must be first filed with the athlete’s primary insurance company providing coverage. Only after all available benefits have been exhausted will the COD’s insurance carrier consider payment for any remaining balance. Remaining medical bills must be submitted to the athletic trainers within 60 days of receipt.

College of DuPage has fostered positive relationships with many medical providers in the area who have consistently provided high quality service to COD student-athletes. College of DuPage athletic trainers refer student-athletes to these providers, unless extenuating circumstances necessitate a different provider.

All student-athletes must be seen and evaluated by a COD certified athletic trainer before a referral to a physician will be made. If a student-athlete decides to see a physician/medical consultant, and/or undergoes a diagnostic test without prior authorization/referral from a member of the COD athletic training staff, the student-athlete and/or the student-athlete’s parent(s)/guardian(s) will be financially responsible for any and all medical bills.

In the event that a student-athlete should receive a bill/statement for an injury occurring as a direct result of participation in intercollegiate athletics at COD, the student-athlete must submit: 1) the bill/statement and 2) Explanation of Benefits (EOB) to his/her certified athletic trainer within 60 days. Bills received after 60 business days will be the responsibility of the student-athlete and/or the student athlete’s parent(s)/guardian(s).

**COLLEGE OF DUPAGE STUDENT-ATHLETE CODE OF CONDUCT**

It is a fundamental belief of the NJCAA and College of DuPage that athletic participation is a privilege. Student-athletes from the College of DuPage are held to standards higher than the general student population. The student-athlete code of conduct outlines the requirements for the privilege of participating in our athletic programs.

The basic principles of the College of DuPage Athletic Department stand for the highest ideals in sportsmanship. One of the primary objectives of competition is to develop and foster respect for fellow participants, coaches, officials, and spectators. With this in mind and since it is fundamental to the continuity of the activities sponsored by the NJCAA that the rights of the majority shall not be jeopardized by the actions of a few, this CODE OF CONDUCT has been adopted.

The mission of the College of DuPage Athletic Department is to:

**Create an environment which maximizes the academic, social, and athletic potential of each student-athlete.**

**Promote an athletic experience which reflects good sportsmanship, integrity and ethical standards.**

**Educate student-athletes to be aware that fair play and enthusiastic effort are as important as winning.**

**Provide the most enjoyable athletic entertainment for our fans.**

Student-athletes shall recognize their responsibility for proper conduct at any contest, tournament, or event sponsored by the College of DuPage or other institutions.

**SPORTSMANSHIP**

Certain standards of behavior are expected of all student-athletes and team personnel participating in any College of DuPage contest. Student-athletes are guests at any event; their participation is a privilege, not a right. Sportsmanship and citizenship are modes of conduct that promote and develop respect for fellow participants, coaches, and teammates. That respect should also be reflected in each student-athlete’s behavior toward opponents, officials, and spectators.

**Violent unsportsmanlike Behavior**

Acts of violence during or related to an athletic contest are not permitted. A violent act is one in which physical contact or an attempt to make physical contact occurs, the purpose of which is to damage, harm, intimidate, or otherwise injure a person or property.

**Penalty for Violent Unsportsmanlike Behavior**

Any player, coach, or team personnel who is guilty of leaving his/her sideline, bench, or position to participate in violent behavior will be considered a responsible party in such behavior and will be subject to the national fight rule governing their respective sport. Should no such rule exist in the individual sport rulebook, individuals will be subject to the following:

1. Immediate ejection.
2. A two game suspension to be served during the next scheduled contest during the regular season and/or post season play. Suspension of a student-athlete occurring at the end of the season shall carry over to the next academic year and will be served during the first scheduled contest of the year. While serving a suspension, the student-athlete will not be allowed to dress in team uniform.
3. If an individual is ejected for violence a second time during a given season, that individual shall be prohibited from participating in any intercollegiate athletics for the remainder of the academic year.

Penalty for Non-Violent Unsportsmanlike Behavior
Any player, coach or team personnel guilty of non-violent unsportsmanlike behavior is subject to the national rules governing their sport. Should no such rule exist in the individual sport rulebook, individuals will be subject to the following:

1. Immediate ejection.
2. A one game suspension to be served during the next scheduled contest during the regular season and/or post season play.

Suspension of student-athletes or coaches occurring at the end of the season shall carry over to the next academic year and will be served during the first scheduled contest of the year. While serving a suspension, the student-athlete will not be allowed to dress in team uniform.

College of DuPage will adhere to all sportsmanship policies as outlined in Article XVII in the NCJAA Handbook.

BEHAVIOR RULES
Inappropriate and unacceptable behavior by student-athletes will not be tolerated before, during, or after contests, at the hotel, or in public while representing the College of DuPage.

Unacceptable forms of behavior include but are not limited to:

1. Fighting
2. Taunting
3. Inappropriate celebration
4. Disrespectful attitude toward opponents, officials, and site administrators
5. Use of profane and vulgar language
6. Use of tobacco and/or alcohol
7. Disrespectful attitude towards host hotel personnel
8. Unlawful activities

Engaging in any of these behaviors may result in losing your privilege to participate in athletics at College of DuPage.

DRUGS
The College of DuPage Athletic Department prohibits the use and/or possession and/or distribution of drugs by any student-athlete.

Penalty for violation of the drug policy:
A first offense will result in 20% suspension of the total regular season schedule. If a second violation occurs, the student-athlete is declared permanently ineligible for all athletic teams at College of DuPage.

The College of DuPage has the right to conduct drug testing of its student-athletes.

ALCOHOL/TOBACCO
The College of DuPage Athletic Department prohibits the use of alcohol/tobacco by any student-athlete.

Student-athletes and student workers in the athletic department shall not provide alcohol/tobacco to an underage recruit or student.

Penalty for violation of the alcohol/tobacco policy:
Any violation of the above shall result in disciplinary action by the College of DuPage Athletic Department. Penalties can range from suspension to expulsion from the athletic program.

Student-athletes who are found using any prohibited substances, including but not exclusive to drugs, alcohol, and tobacco on an “official team activity” including intercollegiate athletic events, training, spring break, road trips, and special events representing the College of DuPage on or off campus face complete expulsion from the athletic program.

HARASSMENT POLICY
The College of DuPage Athletic Department will not tolerate harassment based on race, color, religion, sex, age, marital status, national origin, sexual orientation, or disability. Such harassment can include unwelcoming sexual advances or requests for sexual favors. It may consist of other offensive verbal or physical conduct directed at another person because of that person’s race, color, religion, sex, age, marital status, national origin, sexual orientation, or disability. Harassment can include offensive comments, language, jokes, cartoons, innuendo, pictures, or other conduct or objectivity offensive manner and can also include such materials transmitted via e-mail or accessed on the internet.

HAZING POLICY
College of DuPage defines hazing as any action taken or situation created, either intentionally or unintentionally, on or off campus, to produce physical discomfort, embarrassment, ridicule, or possible physical harm or injury as a requirement for belonging to the group. The athletics department has a ZERO TOLERANCE policy regarding hazing. Individuals involved in a hazing incident will be removed from the team for the current season and may face the College Judicial Board.

FIREARM POLICY
Guns or any type of firearms are prohibited from all campus property. This includes any replica guns such as BB guns and paintball guns. Student-athletes who are found to be in possession of any type of firearm will face disciplinary action from the college.

DISCIPLINARY ACTION
Violations of the Code of Conduct policies will be subject to disciplinary action by the coach, athletics department, and college. Violations may affect your eligibility.

Student-athletes may appeal any penalties that are handed out as a result of a violation of the Code of Conduct.

If the penalty is handed down by a coach, the Director of Athletics will hear the appeal. If the penalty is handed down by the athletics department, the Board of Appeals will be convened, made up of three members of the college not affiliated with the athletics department.

College of DuPage endeavors to conduct its athletic programs in a manner consistent with the highest safety standards. However, Intercollegiate Athletics by their very nature involve the risk of personal injury which in some cases may be serious or even catastrophic. Therefore, as a willing participant in any college athletic program, there is personal assumption of risk on the part of student-athletes. Participating in Intercollegiate Athletics at College of DuPage including training and traveling may result in injury/illness, permanent physical or mental impairment, or even death.

In the absence of gross negligence, I agree to assume all risks in participating in Intercollegiate Athletics that may cause me personal, or bodily injury, medical costs, death, and other consequential losses that may arise during my training, traveling, or participation.

I understand that College of DuPage cannot be held responsible for any injuries or conditions which may be caused by the actions of third parties, other student-athletes, other teams, or myself, and agree not to litigate against the State of Illinois, College of DuPage, the Board of Trustees of College of DuPage, and all employees and agents of the Athletic Department, to include coaches, athletic trainers, strength/conditioning coaches, physicians, nurses, or administrators (collectively “Personnel”), from all claims related to any loss, injury, or expenses I may sustain.

I declare and certify that to the best of my knowledge I am physically fit and have trained sufficiently for the level of activity required for intercollegiate competition. I understand College of DuPage and its Personnel cannot be held responsible for any pre-existing medical condition(s) I may have.

Upon experiencing an injury/illness or change in my health status, it is my responsibility to inform my Head Coach and Athletic Trainer, and to adhere to the established protocols which include exercise rehabilitation, reconditioning, and reassessments before being allowed to return to full participation.

I HAVE READ, UNDERSTAND, AND VOLUNTARILY AGREE TO THE ABOVE STATEMENTS

As additionally to my being permitted to participate, I also agree to the following:

1. Student-Athletes are provided “Secondary” athletic insurance; however, there are limitations to this coverage:
   a. Student-athletes must be enrolled as Full-Time Students, currently enrolled in 12 credit hours or more.
   b. Student-athletes must have received evaluation, treatment, and rehabilitation from a COD Athletic Trainer.
   c. Some injuries or conditions (i.e. overuse, repetitive motion, etc.) may not be covered.
   d. Only necessary expenses which are not covered by any other medical insurance may be covered. The college's insurance provides “excess” coverage over a student-athlete’s primary medical insurance.
   e. Medical bills must be submitted to the College of DuPage Athletic Trainers within 60 days or the student-athlete assumes financially responsible for those charges.
   f. The athletic insurance policy provides payment for usual, customary, and reasonable charges incurred within one (1) calendar year following the date of injury.
   g. The athletic insurance applies only to accidental injuries sustained during direct participation in an Intercollegiate Athletics program during the dates specified by the National Junior College Athletic Association, including training and participation, pertaining to such activities.
   h. The athletic insurance does not provide coverage for: sickness or disease in any form; medical or hospital expenses to treat an illness or injury that is not a result of practice or participation in Intercollegiate Athletics at College of DuPage.
   i. Injuries sustained in Physical Education classes are not covered by the Athletic Department.

2. As is the case with all medical insurance, certain costs are not covered under this insurance policy. Any costs not covered as a result of policy exclusions must be borne by the student-athletes.

3. Passing a physical examination does not necessarily mean a student-athlete is physically capable to participate in Intercollegiate Athletics at College of DuPage, but only that the physician did not find a reason to medically disqualify a student-athlete during the physical examination.

4. Student-athletes are responsible for his/her-own physical well-being and must accurately report any injury within 24-48 hour to the COD Athletic Training Staff and/or Head Coach.
