Catalog Description

The Graphic Design program emphasizes portfolio development through the study of principles and elements of design, typography, illustration, identity design, advertising design, web design and simulated studio work. Students gain experience in the use of traditional and digital design tools and software. Articulation agreements exist to continue education beyond the AAS degree. The Graphic Design degree requires a minimum of 66 credits in program requirements and general education in the courses listed below.

Program Requirements ......................................................... 48
