- 37 4/12/2021 K. Ekeberg #3 Need complete record, including, but not limited to, a copy of completed exam used for grading, methodology of grading i.e. subjective or objective which led to the score, etc. of COMPASS/ESL/ACT – Writing Placement Test taken Jun 16, 2009 at Center for Independent Learning at Westmont.

Ekeberg #4 Need complete record, including, but not limited to, a copy of completed exam used for grading, methodology of grading i.e. subjective or objective which led to the score etc. of COMPASS/ESL/ACT – Reading Placement Test taken Jun 09, 2009 at Center for Independent Learning at Westmont.
- 39 4/13/2021 K. Ekeberg #5 Need copies of all the signed agreements involving myself from 2013-2016 with Brian Kleeman/Marketing & Communications Department (and/or any other COD employee) including, but not limited to, agreements referencing the website with student spotlights, internal/external videos displaying my image, and internal/external printed advertising with my image.
- 40 4/19/2021 K. Ekeberg #6 According to your disclaimer "The FOIA requests below are written exactly as they were received by the College. They have not been corrected or changed for spelling, grammar or any other reason." This did not happen in all 5 of my FOIA requests from 4/12/21 and 4/13/21 as you left out my important note. Why? No names were mentioned in the "Important Notes section." Therefore, please correct this immediately on all 5 requests. In addition, let this request be for a FOIA request to mail me a copy of the college's policy on why this was not honored the first time as you state they are to be exact.
- 41 4/19/2021 K. Ekeberg #7 Need a complete record of all police reports filed with the College of DuPage including, but not limited to, 8/31/2020. Please include all details including, but not limited to: my subsequent calls, police/other officials calls to me, any and all other communication including the police order to temporarily halt the main student spotlight as a solution to my request to CEASE AND DESIST all advertising and marketing as it relates to me

42 4/19/2021 K. Ekeberg #8 Need a copy of COD's Math Ambassador Program/Curriculum (Chris Bailey and Jim Bradley) specifically for 2014 and 2015 and beyond including but not limited to the objective of the program, the role of the student, the duration of the student's YouTube video(s) created by COD production company (for example: if the story is no longer factual how long does the video stay in circulation?); other internal/external videos with my image/name; math speeches (were any or all of these audio or video recorded, there were about 8-10 classroom speeches made); and any and all other marketing and advertising related to this program.

43 4/19/2021 K. Ekeberg #9 I need copies of: 1098-T or any other tax document related to the above for me for years 2013, 2014, 2015, and 2016 - including a detail of any monies applied, i.e., breakdown /itemization of following: when it was awarded and who accepted it; date it was awarded, and who accepted it; and date/how it was applied to the various semesters. My award letters do not financially match up with the 1098-T's received (there is an overage in monies which I can't match up to any required documentation I received.) Therefore, I also need a copy of the school's policy on scholarship awards, and the calculations used for determining the Returning Adult Scholarship in 2015 and Needs Based Scholarship in 2015, and factors that would cause the calculations to change (such as reported external scholarships). In addition, I was also unsuccessful in gathering information on my Master Promissory Note/MPN as I had a problem with believed fraud by Benedictine University attaching loans to it (in 2016) even after I officially withdrew in writing from the university. I understand there is a clause that the school where the loan originated, can remove the "attachment of subsequent loans within the 10-year period" so the loan still stays outstanding but no other school would be allowed to attach themselves to it. Leaving the MPN as is allows for intentional or unintentional harm to the borrower. Please send me the school's policy on the MPN as it relates to this issue."
