FINAL OFFICIAL STATEMENT

NEW ISSUE (Book-Entry Only)

Moody's: "Aaa"
Standard & Poor's: "AAA"

Subject to compliance by the District with certain covenants, in the opinion of Ice Miller LLP, Lisle, Illinois, Bond Counsel, under present law, interest on the Series 2009A Bonds is excludible from gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the federal alternative minimum tax for individuals and corporations, but such interest is taken into account in computing an adjustment used in determining the federal alternative minimum tax for certain corporations. Interest on the 2009B Bonds is not excludable from gross income for federal income tax purposes. See "LEGAL MATTERS" herein for a more complete discussion. Interest on the Bonds is not exempt from present illinois income tax. The Bonds are not "qualified tax-exempt obligations" under Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. See "TAX MATTERS" herein for a more complete discussion. The 2009B Bonds have been designated as Direct Pay Build America Bonds. See "2009B BONDS AS DIRECT PAY BUILD AMERICA BONDS" herein.

COMMUNITY COLLEGE DISTRICT No. 502 COUNTIES OF DUPAGE, COOK AND WILL AND STATE OF ILLINOIS

(College of DuPage)

\$12,550,000 General Obligation Bonds (Alternate Revenue Source), Series 2009A \$62,450,000 General Obligation Taxable Bonds (Alternate Revenue Source), Series 2009B

DATED: May 4, 2009.

DUE: January 1, as shown on the inside cover.

The General Obligation Bonds (Alternate Revenue Source), Series 2009A (the "2009A Bonds") and the General Obligation Taxable Bonds (Alternate Revenue Source), Series 2009B (the "2009B Bonds", and with the 2009A Bonds, the "Bonds"), of Community College District No. 502, Counties of DuPage, Cook and Will and State of Illinois (the "District"), are issued as fully registered Bonds and, when issued, will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York, to which principal and interest payments on the Bonds will be made. Individual purchases will be made in book-entry form only, in the principal amount of \$5,000 or any integral multiple thereof. Purchasers of the Bonds will not receive physical delivery of bond certificates. So long as Cede & Co. is the registered owner of the Bonds, reference herein to the holders of the Bonds or registered owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds. Interest on the Bonds will be payable commencing January 1, 2010, and each July 1 and January 1 thereafter.

So long as Cede & Co. is the registered owner of the Bonds, the principal and interest on the Bonds are payable to Cede & Co., which will in turn remit such principal and interest to the DTC Participants (as defined herein) for subsequent disbursement to the Beneficial Owners of the Bonds. See "BOOK-ENTRY-ONLY SYSTEM." Interest is calculated based on a 360-day year of twelve 30-day months.

In the opinion of Ice Miller LLP, Lisle, Illinois, Bond Counsel, the Bonds are legally binding general obligations of the District, payable both as to principal and interest from (i) tuition receipts of the District and other such funds of the District lawfully available and annually appropriated for such purpose (the "Pledged Revenues") and (ii) ad valorem property taxes levied upon all taxable property in the District without limitation as to rate or amount (the "Pledged Taxes").

The 2009A Bonds are not subject to optional redemption prior to maturity. The 2009B Bonds maturing on and after January 1, 2020 are subject to optional redemption prior to maturity on January 1, 2019 and on any date thereafter at a price of par plus accrued interest. See "THE BONDS – Optional Redemption" herein.

The Bonds are offered when, as and if issued and received by the Underwriters subject to prior sale, to withdrawal or modification of the offer without notice, and subject to the approval of legality by Ice Miller LLP, Lisle, Illinois, Bond Counsel. The Bonds were awarded on April 22, 2009, and are expected to be delivered on or about May 4, 2009.

FINAL OFFICIAL STATEMENT SUMMARY

This offering of Bonds is made only by means of the attached Final Official Statement in its entirety. No person shall be authorized to detach this Statement Summary from the Final Official Statement or to otherwise use such Statement Summary without the Final Official Statement in its entirety.

Issuer: Community College District No. 502, Counties of DuPage, Cook and Will and State of

Illinois (College of DuPage)

Issue: \$12,550,000 General Obligation Bonds (Alternate Revenue Source), Series 2009A

\$62,450,000 General Obligation Taxable Bonds (Alternate Revenue Source), Series 2009B

Dated Date: May 4, 2009

Book-Entry-Only Form: The Bonds are issued as fully registered Bonds, registered in the name of Cede & Co., as

nominee of The Depository Trust Company, New York, New York, in \$5,000 denominations

or integral multiples thereof, and will be in book-entry-only form.

Delivery Date: On or about May 4, 2009.

Interest Payment Dates: Each July 1 and January 1 beginning January 1, 2010.

Principal Payment Dates: The 2009A Bonds are payable each January 1 beginning January 1, 2011 and ending

January 1, 2014. The 2009B Bonds are payable each January 1 beginning January 1, 2015

and ending January 1, 2029.

Record Date: The close of business on the 15th day of the calendar month next preceding any principal or

interest payment date.

Optional Redemption: The 2009A Bonds are not subject to optional redemption prior to maturity. The 2009B Bonds

maturing on and after January 1, 2020 are subject to optional redemption prior to maturity on January 1, 2019 and on any date thereafter at a price of par plus accrued interest. See

"THE BONDS - Optional Redemption" herein.

Authority and Purpose: The Bonds will be issued pursuant to the provisions of the Public Community College Act of

the State of Illinois, as amended, and the Local Government Debt Reform Act of the State of Illinois, and all laws amendatory thereof and supplementary thereto, and a bond resolution (the "Resolution") adopted by the Board of Trustees of the District (the "Board") on the 16th

day of April, 2009.

Proceeds of the Bonds, when issued, will be used to (i) finance the costs of certain capital projects within the District, including additions and renovations to the existing buildings of

the district and equipping of the same (the "Project") and (ii) pay certain costs of issuance of

the Bonds.

Security: In the opinion of Ice Miller LLP, Lisle, Illinois, Bond Counsel, the Bonds are legally binding

general obligations of the District, payable both as to principal and interest from (i) tuition receipts of the District and other such funds of the District lawfully available and annually appropriated for such purpose to be expended for the purpose of financing various capital expenditures (the "Pledged Revenues") and (ii) ad valorem property taxes levied upon all taxable property in the District without limitation as to rate or amount (the "Pledged Taxes").

Tax Exemption: Ice Miller LLP will provide an opinion as to the tax exemption of the interest on the 2009A

Bonds. Interest on the 2009B Bonds is not excludible in gross income for federal income tax

purposes. See Appendix B.

Bank Qualification: The Bonds are not "qualified tax-exempt obligations" under Section 265(b)(3) of the Internal

Revenue Code, as amended. See "LEGAL MATTERS" herein.

Paying Agent/Registrar: Cole Taylor Bank, Chicago, Illinois

Bond Ratings: Moody's - "Aaa"; Standard & Poor's - "AAA"

\$12,550,000 General Obligation Bonds (Alternate Revenue Source), Series 2009A \$62,450,000 General Obligation Taxable Bonds (Alternate Revenue Source), Series 2009B

INTRODUCTION

The purpose of this Final Official Statement is to set forth certain information concerning Community College District No. 502, Counties of DuPage, Cook and Will and State of Illinois (the "Issuer", "College" or "District"), in connection with the offering and sale of the General Obligation Bonds (Alternate Revenue Source), Series 2009A (the "2009A Bonds") and the General Obligation Taxable Bonds (Alternate Revenue Source), Series 2009B (the "2009B Bonds", and together with the 2009A Bonds the "Bonds"). This Final Official Statement includes the cover page, the reverse thereof and the Appendices.

THE BONDS

General Description

The Bonds will be issued in fully registered form, without coupons, in denominations of \$5,000 or any integral multiple thereof under a book-entry-only system operated by The Depository Trust Company, New York, New York ("DTC"). Principal of and interest on the Bonds will be payable as described under the caption "BOOK-ENTRY-ONLY SYSTEM" by Cole Taylor Bank, as Paying Agent and Bond Registrar (the "Registrar").

The Bonds will be dated May 4, 2009 and will mature as shown on the inside cover page of this Final Official Statement. Interest on the Bonds will be payable each July 1 and January 1 beginning January 1, 2010.

Authority

The Bonds are authorized pursuant to the provisions of the Public Community College Act of the State of Illinois, as amended, and the Local Government Debt Reform Act of the State of Illinois, and all laws amendatory thereof and supplementary thereto, and a bond resolution (the "Resolution") adopted by the Board of Trustees of the District (the "Board") on the 16th day of April, 2009.

Purpose of 2009A Bonds and 2009B Bonds

Proceeds of the Bonds, when issued, will be used to (i) finance the costs of certain capital projects within the District, including additions and renovations to the existing buildings of the district and equipping of the same (the "Project") and (ii) pay certain costs of issuance of the Bonds.

Security and Payment

In the opinion of Ice Miller LLP, Lisle, Illinois, Bond Counsel, the Bonds are legally binding general obligations of the District, payable both as to principal and interest from (i) tuition receipts of the District and other such funds of the District lawfully available and annually appropriated for such purpose to be expended for the purpose of financing various capital expenditures (the "Pledged Revenues") and (ii) ad valorem property taxes levied upon all taxable property in the District without limitation as to rate or amount (the "Pledged Taxes").

In the opinion of Bond Counsel, the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, moratorium, reorganization and other similar laws affecting creditors' rights and by equitable principles, whether considered at law or in equity, including the exercise of judicial discretion.

In the Bond Resolution, the District covenants and agrees with the purchasers and the owners of the Bonds that as long as any of the Bonds remain outstanding, the District will take no action or fail to take any action which in any way would adversely affect the ability of the District to collect the Pledged Revenues or, except for abatement of tax levies as permitted in the Bond Resolution, to levy and collect the Pledged Taxes. The District and its officers will comply with all present and future applicable laws in order to assure that the Pledged Revenues will be available and that the Pledged Taxes will be levied, extended and collected as provided in the Bond Resolution and deposited into the debt service account of the District (the "Bond Fund").

The District's determination of the sufficiency of the Pledged Revenues is supported by reference to the most recent audit of the District. See "HIGHLIGHTS OF ALTERNATE BONDS – Projected Debt Service Coverage" herein.

Optional Redemption

The 2009A Bonds are not subject to optional redemption prior to maturity. The 2009B Bonds maturing on and after January 1, 2020 are subject to optional redemption prior to maturity on January 1, 2019 and on any date thereafter at a price of par plus accrued interest.

ESTIMATED SOURCES AND USES

The estimated sources and uses of funds are as follows:

	<u>Totai</u>
Sources Par Amount of Bonds	\$75,000,000.00
Net Original Issue Premium	<u>511,267.50</u>
Total Sources:	\$75,511,267.50
<u>Uses</u>	
Deposit to Project Fund	\$75,143,669.00
Costs of Issuance°	<u>367,568.50</u>
Total Uses:	\$75.511.267.50

[°]includes underwriter's discount, bond insurance, bond counsel fee and other costs of issuance.

HIGHLIGHTS OF ALTERNATE BONDS

Description of Alternate Bonds

Section 15 of the Debt Reform Act provides that whenever revenue bonds have been duly authorized or whenever there exists a lawful revenue source, a local governmental unit may issue its general obligation bonds in lieu of such revenue bonds as authorized or payable from such revenue source, and such general obligation bonds may be referred to as "alternate bonds." Such bonds are general obligation debt payable from the pledged revenues with the general obligation of the issuer acting as back-up security. The Debt Reform Act prescribes several conditions that must be met before alternate bonds may be issued. The Bonds are alternate bonds.

First, alternate bonds must be issued for a lawful corporate purpose. If payable from a revenue source that is limited in its purposes and applications, then alternate bonds may be issued only for such limited purposes or applications. The Bonds are payable from the Pledged Revenues pursuant to the Bond Resolution.

Second, for bonds other than refunding bonds meeting certain conditions set out in the Debt Reform Act, the question of issuance must be submitted to referendum if, within thirty (30) days after publication of an authorizing resolution and notice of intent to issue alternate bonds, a petition signed by the greater of (i) 7.5% of the registered voters in the governmental unit or (ii) 200 of those registered voters or 15% of those registered voters, whichever is less, is filed. No such petitions were filed with respect to the Bonds.

Third, the issuer must determine that the pledged revenue source or sources are sufficient in each year to provide not less than 1.25 times debt service of the proposed alternate bonds and all other outstanding alternate bonds of the issuer payable from the same revenue source. To the extent payable from one or more revenue sources, such sources shall have been determined by the governing body to provide in each year an amount not less than 1.25 times debt service on all alternate bonds payable from such revenue sources which have been previously issued and outstanding and the alternate bonds proposed to be issued.

Fourth, the issuer must in fact pledge and covenant, to the extent it is empowered to do so, to provide for, collect and apply the pledged enterprise revenues or revenue source(s) to the payment of the alternate bonds and the provision of an additional 0.25 times debt service coverage.

See "Projected Debt Service Coverage" herein.

Bond Fund

The District will deposit the appropriate Pledged Revenues and the Pledged Taxes into the Alternate Bond Fund, which is established for the purpose of carrying out the covenants, terms and conditions imposed upon the District by the Bond Resolution. The Bonds are secured by a pledge of all of the monies on deposit in the Bond Fund, and such pledge is irrevocable until the Bonds have been paid in full or until the obligations of the District are discharged under the Bond Resolution.

Abatement of Pledged Taxes

The District covenants and agrees with the registered owners of the Bonds that so long as any of the Bonds remain outstanding, the District will not cause the abatement of the Pledged Taxes and otherwise will take no action or fail to take any action which in any way would adversely affect the ability of the District to levy and collect the Pledged Taxes unless and to the extent (i) to reduce such levies to reflect lower interest costs for the Bonds and/or (ii) there then shall be moneys irrevocably on deposit therefore in the Bond Fund. Upon the full funding of the Bond Fund in the appropriate amount, the Board of Trustees or the officers of the District acting with proper authority shall direct the abatement of the Pledged Taxes by such amount, and proper notification of such abatement shall be filed with each County Clerk, in a timely manner to effect such abatement.

Additional Bonds Payable from Pledged Revenues

In the Bond Resolution, the District will reserve the right to issue additional alternate bonds that will be payable from the Pledged Revenues on a parity with the Bonds, subject only to the conditions for the issuance of alternate bonds set forth in the Debt Reform Act, as from time to time amended. In that event, the covenant described above requiring the District to provide for, collect and apply the Pledged Revenues to the payment of the Bonds and parity bonds, to the extent it is legally able to do so, would continue to apply, and the District's obligations with respect to the Pledged Taxes would remain.

Risk Factors

The ability of the District to pay the Bonds from the Pledged Revenues may be limited by circumstances beyond the control of the District. There is no guarantee that the Pledged Revenues will continue to be available at current levels. Nevertheless, in such an event the District is obligated to extend and collect the Pledged Taxes.

To the extent that Pledged Revenues are insufficient to pay the Bonds, the Bonds are to be paid from the Pledged Taxes. If the Pledged Taxes are ever extended for the payment of the Bonds, the amount of the Bonds then outstanding will be included in the computation of indebtedness of the District for purposes of all statutory provisions or limitations until such time as an audit of the District shows that the Bonds have been paid from the Pledged Revenues for a complete fiscal year.

BOOK-ENTRY-ONLY SYSTEM

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds (hereinafter referred to in this section as the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each maturity of the Securities, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns

Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede &-Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the District or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and the District and the Underwriters take no responsibility for the accuracy thereof, and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

COMMUNITY COLLEGE DISTRICT NO. 502

District Profile

The District was organized in 1966 and is governed under the Public Community College Act of the State of Illinois, as amended. The District is governed by the seven-member Board, elected at large for overlapping six-year terms, with one non-voting student member. The day-to-day affairs of the District are conducted by a full-time administrative staff appointed by the Board. The principal policy and budget decisions are also made by the Board.

The District includes Lyons Township in Cook County, a small portion of Will County and all of DuPage County except Wayne Township. It encompasses an area of approximately 357 square miles and DuPage County accounts for over 90 percent of the District's service area. The District includes the townships of Addison, Bloomingdale, Downers Grove, DuPage, Lemont, Lisle, Lyons, Milton, Naperville, Wheatland, Winfield and York.

The District operates the College of DuPage, a comprehensive, publicly-supported, community college serving the District. The College now enrolls approximately 25,670 students and has 2,305 employees, including 866 full-time faculty-staff members and 1,439 part-time faculty-staff members.

The District's offices are located at 425 Fawell Boulevard, Glen Ellyn, Illinois. The campus of the College is in the same location in Glen Ellyn, approximately 35 miles west of Chicago in the center of DuPage County. The College consists of a main campus and a portion located on the west side of Lambert Street and referred to as the Glen Ellyn west campus. The College's campus facilities are situated on approximately 297 acres and include nine on-campus buildings, including resource centers, instructional centers, computing centers and recreational centers. District-owned regional centers are located in Westmont and Naperville and three leased regional centers are located in Addison, Bloomingdale and Lombard. In addition, the College provides classes at approximately 95 locations within the District's boundaries.

The College offers a variety of degrees and programs and gives students the choice of enrolling on a full or parttime basis. The College offers its students seven Associate Degree programs and more than 35 programs with degrees that transfer to baccalaureate granting institutions. The College also offers nearly 60 occupational programs, in addition to a variety of continuing education courses. The College is accredited by the North Central Association of Colleges and Schools.

The academic divisions of the College include Business & Technology; Health & Sciences; and Liberal Arts. The College conducts specialized programs such as English as a Second Language, GED and Citizenship through its Continuing Education division. In addition, a variety of courses and other services are offered over the Internet through C.O.D. Online. The College's Learning Resources division maintains a collection of over 170,000 books, 930 periodicals, and many non-print materials such as videos, CDs, and tapes. Additionally, the College provides a variety of extracurricular activities for its students, such as athletics, band, choir, various clubs and organizations, student leadership council, and theater.

The District's location, primarily in DuPage County, has placed it directly in the path of much of the westward movement of population, commerce and industry out of Chicago in recent decades. This westward movement has contributed to significant growth in DuPage County and the District.

In the 1970s, DuPage County showed the highest population growth rate of any county north of the Sunbelt – an increase of 33 percent. During the 1980s, DuPage County's population increased by 122,808. As reported in the 1990 census, the population of the County was 781,666. During the 1990s, DuPage County's population increased by 122,495 and in the year 2000, according to the 2000 census, reached 904,161. The County's population is expected to grow to 1,000,000 by the year 2010. The population of the District was 970,512 in 2000, making the District slightly more populous than DuPage County, which is the second most populous county in the State of Illinois (the "State").

Transportation and other services have developed accordingly. Three interstate highways cross the area, putting residents within 45 minutes of Chicago's central business district. O'Hare International Airport is located along the District's northern border.

Situated in the hub of the nation's mail, air, freight and trucking systems, DuPage County has attracted a variety of industries. A fast growing high-tech research and development corridor stretches the width of DuPage County, flanked on the east by Argonne National Laboratory and on the west by Fermi National Accelerator Laboratory. In addition to the high-tech businesses located along this corridor, the County is also home to more than 100 active industrial parks and more than 30,000 businesses.

Board of Trustees

The District is governed by a seven-member Board of Trustees, elected at-large for overlapping terms. Day-to-day operations are administered by the President and staff administrators, exclusively appointed by the Board.

<u>Official</u>	<u>Position</u>	Term Expires
Michael McKinnon	Chair	April 2009
Mark Nowak	Vice Chair	April 2009
Kory Atkinson	Board Member	April 2009
David Carlin	Board Member	April 2013
Joseph Snyder	Board Member	April 2009
Kathy Wessel	Board Member	April 2011
Joseph Wozniak	Board Member	April 2013
Malek Zoubi	Student Trustee	April 2009

Administrators

Following are brief resumes of the Administrators of the College.

Dr. Robert L. Breuder, President

Dr. Robert L. Breuder began his service as the fifth president in the college's 42-year history on Jan. 1, 2009. He brings to the college nearly 40 years of experience in education and administration, including two community college presidencies. Most recently, Breuder was President of William Rainey Harper College in Palatine, where he served since 1998 before his departure in mid-November. During his tenure at Harper College, Breuder is credited with boosting Full-Time Credit Enrollment (FTE) by nearly 33 percent, growing the college's unallocated fund balance from \$17.1 million in FY98 to \$52.1 million in FY08, representing an extremely healthy fund balance of nearly 50 percent. In addition, Breuder led Harper through a highly successful 10-year reaffirmation of accreditation in 2007. Breuder replaced Interim President Dr. Harold D. McAninch, who was appointed by the C.O.D. Board of Trustees to serve in this position from May until Dec. 31, 2008.

Jocelyn Harney, Ed.D., Vice President, Student Affairs

Harney develops policies, programs and services that provide support to students in their academic programs. She also serves as the Student Judicial Officer for the college. Offices reporting to Harney are Admissions; Athletics; Career Services; Counseling and Advising Services; Financial Aid; Health and Special Student Services; Records; Registration; and Student Activities.

Joseph Collins, Ph.D., Interim Vice President, Academic Affairs

Collins develops the policies, programs and services that implement the college's instructional mission. Reporting to Collins are the deans of Academic Alternatives and Instructional Support, the Library, Continuing Education, Business and Technology, Health and Social Sciences, Liberal Arts, and Math and Natural Sciences.

Thomas E. Ryan, Ed.D., Vice President, Administrative Affairs

Ryan is responsible for the operation and maintenance of the college's physical plant and central services. He also serves as college Treasurer. Under Ryan's jurisdiction are Financial Affairs, Purchasing and Fixed Asset Inventory, Human Resources, Research and Planning, Campus Facilities, Public Safety, Auxiliary Enterprises, and construction coordination.

Charles Currier, Vice President, Information Technology

Currier plans all information technology relating to audio, video, computing, media and voice services. He also maintains the technology infrastructure and all shared computing labs. Currier oversees Administrative Systems/Development; Multimedia Services; Emerging Technologies; Enterprising Networking; Office and Classroom Technology; Special Projects-IT; Telecommunication and Voice Services; and Web and Instructional Technology.

Enrollment Data

On average the District's student base is largely part-time and female. Approximately 62% is part-time enrollment, and over 55% of the student body is female. Below are historical student enrollment and demographic statistics, as of the fall of each academic year.

	Fall Enro	ollment	G	ender	Attend	dance		Enrollme	nt Status		
	Head				Full	Part	Continuing				Average
	Count	FTE	<u>Male</u>	<u>Female</u>	<u>Time</u>	<u>Time</u>	<u>Student</u>	<u>New</u>	<u>Transfer</u>	Readmit	<u>Age</u>
2008	28,230	14,913	45%	55%	38%	62%	61%	17%	7%	15%	30
2007	28,361	14,601	44%	56%	36%	64%	61%	16%	8%	15%	30

Tuition History

Present District tuition is \$116 per credit hour (including fees), reflecting an increase by the Board of Trustees in effect on summer term 2009. A typical class is 3 credit hours, totaling around \$348 per class for tuition. The District Board evaluates tuition levels at least annually. Tuition and fees represents approximately 38% of the District's operating budget.

Fiscal	_	Tuition and Fees per Credit Hour						
<u>Year</u>		In District	Out of District	Out of State				
2002	(1)	\$55,50	\$180.00	\$244.50				
2003	(1)	\$64.50	\$186.00	\$256.50				
2004	(1)	\$69.00	\$189.00	\$259.50				
2005	(1)	\$75.00	\$202.50	\$271.50				
2006		\$87.00	\$243.00	\$286.00				
2007	(2)	\$96.00	\$223.00	\$280.00				
2007	(3)	\$96.00	\$250.00	\$307.00				
2008		\$103.00	\$292.00	\$350.00				
2009		\$108.00	\$296.00	\$359.00				

- (1) Until Fiscal Year 2005, Tuition and Fees were tied to the quarter system. Since Fiscal Year 2006 Tuition and Fees have been tied to the semester system. For the purposes of this table, the Tuition and Fees for Fiscal Years 2002 thru 2005 have been adjusted to reflect as if the fees had been charged on a semester basis.

Remaining Debt Margin	·	\$1,140,964,063	88.73%

⁽¹⁾ General Obligation Bonds (Alternate Revenue Source) payable from an alternate revenue source of the District do not count against the District's debt limit unless Pledged Taxes are extended pursuant to the general obligation full faith and credit pledge of the District. The Series 2003B Bonds, Series 2006 Bonds and the Series 2009 Bonds are General Obligation Bonds (Alternate Revenue Source).

Future Financing

The District does not expect to issue any additional debt in the next twelve months.

Short-Term Debt

As of the close of this issue, the District will have no tax anticipation warrants or notes outstanding.

History of Debt Administration

The District has never issued any obligations to avoid default nor has the District ever defaulted in the payment of any of its obligations.

REAL PROPERTY ASSESSMENT. TAX LEVY AND COLLECTION PROCEDURES

Tax Levy and Collection Procedures

Local Assessment Officers determined the assessed valuation of taxable real property and railroad property not held or used for railroad operations. The Illinois Department of Revenue (the "Department") assesses certain other types of taxable property, including railroad property held or used for railroad operations. Local Assessment Officers' valuation determinations are subject to review at the county level and then, in general, to equalization by the Department. Such equalization is achieved by applying to each county's assessments a multiplier determined by the Department. The purpose of equalization is to provide a common basis of assessments among counties by adjusting assessments toward the statutory standard of 33-1/3% of fair cash value. Farmland is assessed according to a statutory formula which takes into account factors such as productivity and crop mix. Taxes are extended against the assessed values after equalization.

Property tax levies of each taxing body are filed in the office of the county clerk of each county in which territory of that taxing body is located. The county clerk computes the rates and amount of taxes applicable to taxable property subject to the tax levies of each taxing body and determines the dollar amount of taxes attributable to each respective parcel of taxable property. The county clerk then supplies to the appropriate collecting officials within the county the information needed to bill the taxes attributable to the various parcels therein. After the taxes have been collected, the collecting officials distribute to the various taxing bodies their respective shares of the taxes collected. Taxes levied in one calendar year are due and payable in two installments during the next calendar year. Taxes that are not paid when due, or that are not paid by mail and postmarked on or before the due date, are subject to a penalty of 1-1/2% per month until paid. Unpaid property taxes, together with penalties, interest, and costs, constitute a lien against the property subject to the tax.

Exemptions

Public Act 93-0715, effective July 12, 2004, made changes to a number of property tax exemptions taken by residential property owners. These changes are discussed below.

An annual General Homestead Exemption provides that the Equalized Assessed Valuation ("EAV") of certain property owned and used for residential purposes ("Residential Property") may be reduced by the amount of any increase over the 1977 EAV, up to a maximum reduction of \$4,500 for taxable years prior to tax year 2004 in counties with 3,000,000 or more inhabitants, and \$3,500 in all other counties, and a maximum reduction of \$5,000 for taxable year 2004 and thereafter (the "General Homestead Exemption").

The new law creates the Alternative General Homestead Exemption (the "Alternative General Homestead Exemption") which caps property tax assessment increases for homeowners at 7% a year for a total of three years in counties that choose to adopt the provision by ordinance. Such ordinance must have been adopted prior to January 12, 2005. If counties did not adopt such ordinance, the General Homestead Exemption will apply. In counties with fewer than 3,000,000 inhabitants, the Alternative General Homestead Exemption will apply for taxable years 2003, 2004 and 2005 if 2002 is the designated base year or 2004, 2005 and 2006 if 2003 is the designated base year. Specifically, the amount of the Alternative General Homestead Exemption is the EAV of the Residential Property for the current tax year minus the Adjusted Homestead Value with the following exception: the exemption shall not exceed \$20,000 for any taxable year. Assessors calculate the Adjusted Homestead Value by determining the lesser of (i) the homestead property's Base Homestead Value increased by 7% for each tax year after the base year (2002 or 2003) through the including the current tax year or (ii) the EAV of the homestead property for the current tax year minus \$3,500 in all counties in tax year 2003 or \$5,000 in all counties in tax year 2004 and thereafter. The Base Homestead Value equals the EAV of the homestead property for the base year prior to exemptions, minus \$3,500 in all counties in tax year 2003 or \$5,000 in all counties in tax year 2004 and thereafter. Furthermore, for the first tax year that the Alternative General Homestead Exemption no longer applies, there shall be an Additional General Homestead Exemption of \$5,000 awarded to Residential Property owners (i) who have not been granted a Senior Citizens Assessment Freeze Exemption for the taxable year, (ii) whose Residential Property has increased by more than 20% over the previous assessed valuation and (iii) who have a household income of \$30,000 or less. In 2006, the General Assembly will reevaluate the expanded exemption and decide if the Alternative General Homestead Exemption will expire or be renewed.

Additional exemptions exist for (i) senior citizens, with the exemption operating annually to reduce the EAV on a senior citizen's home for taxable years prior to 2004 by \$2,000 in all counties, and for taxable year 2004 and

thereafter, the maximum reduction shall be \$3,000 in all counties; and (ii) disabled veterans, with the exemption operating annually to exempt up to \$70,000 of the Assessed Valuation of property owned and used exclusively by such veterans or their spouses for residential purposes. Residential Properties that have been improved or rebuilt following a catastrophic event are entitled to the Homestead Improvement Exemption limited to \$45,000 through December 31, 2003, and \$75,000 per year beginning January 1, 2004 to the extent the assessed value is attributable solely to such improvements or rebuilding. A Senior Citizens Assessment Freeze Homestead Exemption freezes property tax assessments for homeowners who are 65 and older and have annual incomes of \$35,000 or less prior to taxable year 1999, annual incomes of \$40,000 or less in taxable years 1999 through 2003 and \$45,000 or less in taxable year 2004 and thereafter. In general, the Exemption limits the annual real property tax bill of such property by granting to qualifying senior citizens an exemption as to a portion of the valuation of their property. The exempt amount is the difference between the current EAV of their residence and the EAV of their residence for the year prior to the year in which the senior citizen first qualifies and applies for the Exemption (plus the EAV of improvements since such year). Beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible for the Senior Citizens Homestead Exemption must be granted a pro-rata exemption for the assessment year based on the number of days during the assessment year that the property is occupied as a residence by a person eligible for the exemption. In addition, certain property is exempt from taxation on the basis of ownership and/or use, such as public parks, not-for-profit and public schools, churches, and not-for-profit and public hospitals.

Property Tax Extension Limitation Law

The Property Tax Extension Limitation Law of the State of Illinois, as amended (the "Limitation Law") limits the annual growth in the amount of property taxes to be extended for certain Illinois non-home rule units, including the District. In general, the annual growth permitted under the Limitation Law is the lesser of 5% or the percentage increase in the Consumer Price Index during the calendar year preceding the levy year. Taxes can also be increased due to new construction, referendum approval of tax rate increases, mergers and consolidations.

The District has the authority to levy taxes for many different purposes. See "THE DISTRICT – District Funds and Levy Limits." The ceiling at any particular time on the rate at which these taxes may be extended by District is either (i) unlimited (as provided by statute), (ii) initially set by statute but permitted to be increased by referendum, (iii) capped by statute, or (iv) limited to the rate approved by referendum. Public Act 94-0976, effective June 30, 2006, provides that the only ceiling on a particular tax rate is the ceiling set by statute above which the rate is not permitted to be further increased by referendum or otherwise. Therefore, taxing districts (such as the District) now have increased flexibility to levy taxes for the purposes for which they most need the money. The total aggregate tax rate for the various purposes subject to the Limitation Law, however, will not be allowed to exceed the District's limiting rate computed in accordance with the provisions of the Limitation Law.

The effect of the Limitation Law is to limit the amount of property taxes that can be extended for a taxing body. In addition, general obligation bonds, notes and installment contracts payable from ad valorem taxes unlimited as to rate and amount cannot be issued by the affected taxing bodies unless they are approved by referendum, are alternate bodies or are for certain refunding purposes.

Local governments, including the Issuer, can issue limited tax bonds in lieu of general obligation bonds that have otherwise been authorized by applicable law.

Truth in Taxation Law

Legislation known as the Truth in Taxation Law (the "Law") limits the aggregate amount of certain taxes which can be levied by, and extended for, a taxing district to 105% of the amount of taxes extended in the preceding year unless specified notice, hearing and certification requirements are met by the taxing body. The express purpose of the Law is to require published disclosure of, and hearing upon, an intention to adopt a levy in excess of the specified levels.

Source: DuPage County Assessor's Office. Note that valuations are obtained from the warrant book which provides details as to owner, valuation, tax bill amount, etc. for each parcel in the County. These books are searched, noting larger assessed valuations within the District. Since a taxpayer may own numerous parcels in the District, certain parcels may be overlooked. Thus, the valuations presented herewith are approximations.

FINANCIAL INFORMATION

Financial Overview

Illinois public community colleges receive funding from three major sources: local property taxes, student tuition and fees and state appropriations. Local Sources represent 47.91% of the District's operating revenues and state appropriations represent 11.32% of the District's operating revenues.

The appropriation process begins with the Illinois Community College Board (ICCB) submitting a fiscal year system operating budget request to the Illinois Board of Higher Education (IBHE). The IBHE evaluates the community college system request while considering the state's total higher education priorities. Legislation requesting state funding for the community college system is introduced in the State Legislature, usually at the level recommended by IBHE.

Early in the legislation session, the Governor presents a proposed state budget. The IBHE then allocates the Governor's higher education budget among the state's five higher education systems. If the Governor's budget for higher education differs from its own it is then the responsibility of the Legislature to appropriate funds at the level it desires and to authorize the distribution mechanism for its appropriations.

The process is completed when the Governor signs the appropriations and the spending authorization bill is passed by the legislature. The Governor may amend an appropriation. This usually is done by imposing a line item veto, which the Legislature has an opportunity to override.

The current funding plan for community colleges was adopted in 1979 and first affected fiscal year 1981 appropriations. Conceptually the appropriation for community colleges equals the difference between estimated resource requirements for the system and the estimate of resources available to them from sources other than the grants appropriated by the ICCB. These "residual" funds are distributed through six separate grants:

- 1. Credit hour grant
- 2. Equalization grant
- 3. Special populations grant
- 4. Economic development grant
- 5. Advanced technology equipment grant
- 6. Square footage allocation

Resource requirements are estimated by multiplying the statewide average cost per semester credit hour (obtained via a statewide unit cost study) by the number of credit hours produced during the fiscal year which is two years prior to the budget. This amount is adjusted to account for two years' inflation, thus providing an estimate of the budget year's resource needs. The two-year inflation factor is determined by utilizing actual appropriation increases experienced for the first year and economic forecast estimates of inflation factors for salaries, library materials, utilities and the general cost of living for the second year. The expected costs of programs not included in calculated statewide average semester credit hour costs are added to this figure.

Credit Hour Grants. Credit hour grants are paid for each of the system's seven instructional categories. The credit hour rate for each instructional category is determined by calculating a projected statewide average per semester credit hour cost for that category and subtracting the system's other available resources in each instructional category. Since the resources available to each instructional category are nearly the same, an instructional category which has a high unit cost will be funded at a higher level than a category which has a lower unit cost. Credit hour grants are not restricted as to use and comprise of approximately 73 percent total ICCB grants.

Equalization Grants. Equalization grants are designed to reduce the disparity among districts in local funds available per student. A state average of equalization assessed valuations (EAV) per full-time equivalent (FTE) student multiplied by a statewide average local tax rate determines an amount of expected local tax revenues per student. Any community college district which is below this amount when applying the statewide average state tax rate to its EAV/FTE student receives additional state funding in the form of equalization grants. Local property tax revenues, corporate personal property replacement tax revenues, fixed costs and each district's instructional program mix are considered in the equalization calculations. Equalization grants are not restricted as to use and comprise of approximately 18 percent total ICCB grants. The District does receive equalization funding.

Special Restricted Grants: Special populations, Workforce Preparation, Special Initiative, Economic Development, Advanced Technology Equipment and Retirees Health Insurance. Special grants to support programs and services for special populations of students, employment training services, special initiative activities, economic development activities, advanced technology equipment purchases and retirees health insurance are also included in community college appropriations. These grants must be held in a restricted account by the college and used only for their specified purposes.

From time to time, other special grants have been and will be appropriated for community colleges. All restricted grant amounts are based on an estimate of the amount needed to fund the programs for the budget year. Restricted grants are limited by statute and ICCB rule as to use and comprise approximately nine percent to total ICCB grants.

Financial Reporting, Basis of Accounting and Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting. Accordingly, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred.

The following tables contain information from the annual audits of the District but do not purport to be the complete audits, copies of which are available upon request from the District. See Appendix A for a copy of the District's 2008 fiscal year audit. Crowe Horwath LLP, Oak Brook, Illinois, the District's independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. Crowe Horwath LLP also has not performed any procedures relating to this official statement.

Sources of Revenue

The following table details the District's revenue sources for the general funds.

_	2006	2007	2008

Working Cash Fund

The District is authorized to issue general obligation limited bonds to create a Working Cash Fund. Such fund can also be created or increased by a levy of an annual tax not to exceed \$.05 per hundred dollars of equalized assessed valuation. The purpose of the fund is to enable the District to have sufficient money to meet demands for ordinary and necessary expenditures for school operating purposes. In order to achieve this purpose, the money in the Working Cash Fund may be loaned, in whole or in part, as authorized and directed by the Board of Trustees of the District, to any fund of the District in anticipation of the receipt by the District of money from the State of Illinois, the Federal government or other sources, or in anticipation of corporate personal property replacement taxes to be received by the District. The Working Cash Fund is reimbursed when the anticipated taxes or money are received by the District. The District's Working Cash Fund had an audited balance of \$8,034,976 as of June 30, 2008. The District's Working Cash Fund Balance has not been drawn down over the past three fiscal years.

Pension and Retirement Plan

Information regarding the District's retirement fund obligations are described in the Audited Financial Statements for the fiscal year ending June 30, 2008, Note 4.

CONTINUING DISCLOSURE

The District will enter into a Continuing Disclosure Undertaking (the "Undertaking") for the benefit of the Beneficial Owners of the Bonds to send certain information annually and to provide notice of certain events to certain information repositories pursuant to the requirements of Section (b)(5) of Rule 15c-12 (the "Rule") adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934. The information which is to be provided on an annual basis, the events which will be reported on an occurrence basis and the other terms of the Undertaking, including termination, amendment and remedies, are set forth in Appendix C, "FORM OF CONTINUING DISCLOSURE UNDERTAKING."

The District is currently in compliance with each and every undertaking previously entered into by it pursuant to the Rule. A failure by the District to comply with the Undertaking will not constitute a default under the Bond Resolution and Beneficial Owners of the Bonds are limited to the remedies described in the Undertaking. See Appendix C, "FORM OF CONTINUING DISCLOSURE UNDERTAKING."

Bond Counsel expresses no opinion as to whether the Undertaking complies with the requirements of Section (b)(5) of the Rule.

UNDERWRITING

The 2009A Bonds were offered for sale by the District at a public, competitive sale on April 22, 2009. The best bid submitted at the sale was submitted by Robert W. Baird & Co. Incorporated (the "Series 2009A Underwriter"). The District awarded the contract for sale of the 2009A Bonds to the 2009A Underwriter at a price of \$12,994,409.20, (consisting of the par amount of the 2009A Bonds plus \$488,544.20 original issue premium and less \$44,135.00 underwriting discount) plus accrued interest (if any) to the date of delivery.

The 2009B Bonds were offered for sale by the District at a public, competitive sale on April 22, 2009. The best bid submitted at the sale was submitted by BMO Capital Markets GKST Inc. (the "Series 2009B Underwriter" and with the Series 2009A Underwriter, the "Underwriters"). The District awarded the contract for sale of the 2009B Bonds to the 2009B Underwriter at a price of \$62,308,479.80, (consisting of the par amount of the 2009B Bonds plus \$22,723.30 original issue premium and less \$164,243.50 underwriting discount) plus accrued interest (if any) to the date of delivery.

The Underwriters have represented to the District that the Bonds have been subsequently re-offered to the public at the yields or prices set forth on the cover of this Official Statement. The Underwriters may offer and sell the Bonds to certain dealers and others at prices lower than the offering prices stated on the cover of this Official Statement.

FINANCIAL ADVISOR

The District has engaged BMO Capital Markets GKST Inc. as financial advisor (the "Financial Advisor") in connection with the issuance and sale of the Bonds. The Financial Advisor received bids on behalf of the District at the public competitive sale on April 22, 2009. The District signed a consent agreement that the Financial Advisor or one of its affiliates may submit a bid at the public, competitive sale to purchase the Bonds.

LEGAL MATTERS

Tax Exemption of the 2009A Bonds

Federal tax law contains a number of requirements and restrictions which apply to the 2009A Bonds, including investment restrictions, periodic payments and arbitrage profits to the United States, requirements regarding the proper use of bonds proceeds and the facilities financed therewith, and certain other matters. The District has covenanted to comply with all requirements that must be satisfied in order for the interest on the 2009A Bonds to be excludable from gross income for federal income tax purposes. Failure to comply with certain of such covenants could cause interest on the 2009A Bonds to become includible in gross income for federal income tax purposes retroactively to the date of issuance of the 2009A Bonds.

Subject to the District's compliance with the above-referenced covenants, under present law, in the opinion of Bond Counsel, interest on the 2009A Bonds is not includible in the gross income of the owners thereof for federal income tax purposes, and is not included as an item of tax preference in computing the federal alternative minimum tax for individuals and corporations and is not taken into account in computing "Adjusted Current Earnings". The Internal Revenue Code of 1986, as amended (the "Code"), includes provisions for an alternative minimum tax ("AMT") for corporations in addition to the corporate regular tax in certain cases. The AMT, if any, depends upon the corporation's alternative minimum taxable income ("AMTI"), which is the corporation's taxable income with certain adjustments. One of the adjustment items used in computing the AMTI of a corporation (with certain exceptions) is an amount equal to 75% of the excess of such corporation's "adjusted current earnings" over an amount equal to its AMTI (before such adjustment item and the alternative tax net operating loss deduction). "Adjusted current earnings" would generally include all tax exempt interest, but not interest on the 2009A Bonds.

In rendering its opinion, Bond Counsel will rely upon certifications of the District with respect to certain material facts within the District's knowledge. Bond Counsel's opinion represents its legal judgment based upon its review of the law and the facts that it deems relevant to render such opinion and is not a guarantee of a result.

Ownership of the 2009A Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, corporations subject to the branch profits tax, financial institutions, certain insurance companies, certain S corporations, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations. Prospective purchasers of the 2009A Bonds should consult their tax advisors as to applicability of any such collateral consequences.

The issue price (the "Issue Price") for the 2009A Bonds is the price at which a substantial amount of the 2009A Bonds is first sold to the public. The Issue Price of the 2009A Bonds may be different from the price set forth, or the price corresponding to the yield set forth, on the cover page hereof.

If the Issue Price of the 2009A Bonds is less than the principal amount payable at maturity, the difference between the Issue Price of each such maturity, if any, of the 2009A Bonds (the "OID Bonds") and the principal amount payable at maturity is original issue discount.

For an investor who purchases an OID Bond in the initial public offering at the Issue Price for such maturity and who holds such OID Bond to its stated maturity, subject to the condition that the District complies with the covenants discussed above, (a) the full amount of original issue discount with respect to such OID Bond constitutes interest which is excludable from the gross income of the owner thereof for federal income tax purposes; (b) such owner will not realize taxable capital gain or market discount upon payment of such OID Bond at its stated maturity; (c) such original issue discount is not included as an item of tax preference in computing the alternative minimum tax for individuals and corporations under the Code, but is taken into account in computing an adjustment used in determining the alternative minimum tax for certain corporations under the Code, as described above; and (d) the accretion of original issue discount in each year may result in an alternative minimum tax

liability for corporations or certain other collateral federal income tax consequences in each year even though a corresponding cash payment may not be received until a later year. Based upon the stated position of the Illinois Department of Revenue under Illinois income tax law, accreted original issue discount on such OID Bonds is subject to taxation as it accretes, even though there may not be a corresponding cash payment until a later year. Owners of OID Bonds should consult their own tax advisors with respect to the state and local tax consequences of original issue discount on such OID Bonds.

Owners of 2009A Bonds who dispose of 2009A Bonds prior to the stated maturity (whether by sale, redemption or otherwise), purchase 2009A Bonds in the initial public offering, but at a price different from the Issue Price or purchase 2009A Bonds subsequent to the initial public offering should consult their own tax advisors.

If a 2009A Bond is purchased at any time for a price that is less than the 2009A Bond's stated redemption price at maturity, the purchaser will be treated as having purchased a 2009A Bond with market discount subject to the market discount rules of the Code (unless a statutory de minimis rule applies). Accrued market discount is treated as taxable ordinary income and is recognized when a Bond is disposed of (to the extent such accrued discount does not exceed gain realized) or, at the purchaser's election, as it accrues. Such treatment would apply to any purchaser who purchases an OID Bond for a price that is less than its Revised Issue Price even if the purchase price exceeds par. The applicability of the market discount rules may adversely affect the liquidity or secondary market price of such 2009A Bond. Purchasers should consult their own tax advisors regarding the potential implications of market discount with respect to the 2009A Bonds.

An investor may purchase a 2009A Bond at a price in excess of its stated principal amount. Such excess is characterized for federal income tax purposes as "bond premium" and must be amortized by an investor on a constant yield basis over the remaining term of the Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium relating to a tax-exempt bond. The amortized bond premium is treated as a reduction in the tax-exempt interest received. As bond premium is amortized, it reduces the investor's basis in the 2009A Bond. Investors who purchase a 2009A Bond at a premium should consult their own tax advisors regarding the amortization of bond premium and its effect on the 2009A Bond's basis for purposes of computing gain or loss in connection with the sale, exchange, redemption or early retirement of the 2009ABond.

There are or may be pending in the Congress of the United States legislative proposals, including some that carry retroactive effective dates, that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. Prospective purchasers of the 2009A Bonds should consult their own tax advisors regarding any pending or proposed federal tax legislation. Bond Counsel expresses no opinion regarding any pending or proposed federal tax legislation.

The Internal Revenue Service (the "Service") has an ongoing program of auditing tax-exempt obligations to determine whether, in the view of the Service, interest on such tax-exempt obligations is includible in the gross income of the owners thereof for federal income tax purposes. It cannot be predicted whether or not the Service will commence an audit of the 2009A Bonds. If an audit is commenced, under current procedures the Service may treat the District as a taxpayer and the Bondholders may have no right to participate in such procedure. The commencement of an audit could adversely affect the market value and liquidity of the 2009A Bonds until the audit is concluded, regardless of the ultimate outcome.

Payments of interest on, and proceeds of the sale, redemption or maturity of, tax-exempt obligations, including the 2009A Bonds, are in certain cases required to be reported to the Service. Additionally, backup withholding may apply to any such payments to any 2009A Bond owner who fails to provide an accurate Form W-9 Request for Taxpayer Identification Number and Certification, or a substantially identical form, or to any Bond owner who is notified by the Service of a failure to report any interest or dividends required to be shown on federal income tax returns. The reporting and backup withholding requirements do not affect the excludability of such interest from gross income for federal tax purposes.

Ownership of the 2009A Bonds may result in other state and local tax consequences to certain taxpayers. Bond Counsel expresses no opinion regarding any such collateral consequences arising with respect to the 2009A Bonds. Prospective purchasers of the 2009A Bonds should consult their tax advisors regarding the applicability of any such state and local taxes.

Taxable 2009B Bonds

Interest on the 2009B Bonds is not excludable from gross income for federal income tax purposes. Holders of the 2009B Bonds should consult their tax advisors with respect to the inclusion of interest on the 2009B Bonds in gross income for federal income tax purposes.

State Tax Issues

Interest on the Bonds is not exempt from present Illinois income taxes. Ownership of the Bonds may result in other state and local tax consequences to certain taxpayers. Bond Counsel expresses no opinion regarding any such collateral consequences arising with respect to the Bonds. Prospective purchasers of the Bonds should consult their tax advisors regarding the applicability of any such state and local taxes.

2009B BONDS AS DIRECT PAY BUILD AMERICA BONDS

General Description

In February 2009, the American Recovery and Reinvestment Act of 2009 (the "Recovery Act") became law and Sections 54AA and 6431 were added to the Internal Revenue code of 1986, as amended (the "Code"). The Code permits state or local governments to issue certain taxable obligations, referred to as Build America Bonds, in lieu of issuing tax exempt bonds. In Lieu of the tax exemption on the interest, Build America Bonds may be issued as tax credit bonds or as direct pay bonds. In order to qualify as Build America Bonds, the issuer, is required to make an irrevocable election to have Section 54AA of the Code apply to the bond and to elect whether the Build America Bonds are issued as tax credit or direct pay bonds.

A Build America Bond may only be a "direct pay bond" under Section 54AA(g) of the Code (a "Direct Pay Bond") if all of the proceeds are to be used for capital expenditures, to fund a reasonably required reserve or costs of issuance up to 2% of the principal amount, and if an issuer makes an irrevocable election to have the special rule for Direct Pay Bonds apply.

As a result of the District's election to issue the 2009B Bonds as Direct Pay Bonds, interest on the 2009B Bonds is taxable and therefore included in gross income for purposes of the federal income tax. Owners of the 2009B Bonds will not receive any tax credits.

Direct Payments

The District will apply to receive payments (the "Direct Payments") directly from the Secretary (the "Secretary") of the U.S. Treasury (the "Treasury"). The Direct Payments will be equal to 35 percent of the interest due on each interest payment date for the 2009B Bonds. To receive a Direct Payment, the District must file a Form 8038-CP between 90 and 45 days prior to each bond interest payment date, which is intended to permit the Direct Payment to be received before the District must pay the interest due on the 2009B Bonds. The Direct Payment may not in face be received until after the corresponding interest payment date. If the District fails to file a timely Form 8038-CP, it is possible that the District will not receive the Direct Payment. The District must comply with the procedures established for payment of the Direct Payment, as the same may be amended from time to time. The Treasury has announced that the Direct Payments are treated as overpayments of tax. The amount of the Direct Payment will reduce the yield on the Series 2009B Bonds for arbitrage purposes.

The District is obligated to pay the interest due on the 2009B Bonds without regard to whether the District receives the Direct Payments. The payment of the Direct Payment is solely to the District, and no holder of the 2009B Bonds has any right to receive any Direct Payment directly from the Secretary. The District has pledged the Pledged Revenues and Pledged Taxes as security for the repayment of the 2009B Bonds. The District may use the Direct Payments to pay debt service on the Bonds and Direct Payments may be used to abate the Pledged Taxes or for any other lawful corporate purposes of the District. See "FINANCIAL INFORMATION" herein for financial information about the District.

Direct Payments will only be paid if the 2009B Bonds remain Direct Payment Bonds. The District must comply with certain covenants with respect to the Direct Payment Bonds in order for the 2009B Bonds to remain Direct

Payment Bonds. Further, the amount of any Direct Payment is subject to legislative changes by Congress or regulatory changes by the Secretary.

CERTAIN LEGAL MATTERS

Certain legal matters incident to the authorization, issuance and sale of the Bonds are subject to the approving legal opinion of Ice Miller LLP, Lisle, Illinois, as Bond Counsel (the "Bond Counsel") who has been retained by, and acts as, Bond Counsel to the District. Bond Counsel has only reviewed the cover page and those sections of the Final Official Statement regarding the description of the Bonds, the security for the Bonds, the description of the federal tax exemption of interest on the Bonds and the "bank-qualified" status of the Bonds. Bond Counsel has not been retained or consulted on disclosure matters and has not undertaken to review or verify the accuracy, completeness or sufficiency of this Final Official Statement or other offering material relating to the Bonds and assumes no responsibility for the statements or information contained in or incorporated by reference in this Final Official Statement, except that in its capacity as Bond Counsel, Ice Miller LLP has supplied the information under the headings "Tax Exemption" and "Qualified Tax-Exempt Obligations

ABSENCE OF MATERIAL LITIGATION

There is no controversy or litigation of any nature now pending or, to the knowledge of the District, threatened to restrain or enjoin the issuance, sale, execution or delivery of the Bonds, or questioning the proceedings or authority pursuant to which the Bonds are issued, or questioning or relating to the validity of the Bonds or contesting the corporate existence of the District or the titles of its present officers to the respective offices.

BOND RATINGS

The Bonds have been rated "Aaa" by Moody's Investor Services ("Moody's") and "AAA" by Standard & Poor's Rating Group ("S&P"). The ratings reflect only the views of the rating agencies providing the rating at the time such rating was issued and any explanation of the significance of such rating may be obtained only from each rating service. Certain information and materials concerning the Bonds, the District and overlapping agencies and entities were furnished to each rating agency by the District and others.

This rating may be changed, suspended or withdrawn as a result of changes in, or unavailability of information and such change in rating may have an effect on the market price of the Bonds. An explanation of the significance of investment ratings may be obtained from the rating agencies: Moody's Investor Services, 99 Church Street, New York, New York 10007, telephone (212) 553-0300 and Standard & Poor's Rating Group, 25 Broadway, New York, New York 10004.

THE FINAL OFFICIAL STATEMENT

This Final Official Statement includes the cover page, Summary Statement, and the Appendices hereto.

All references to material not purporting to be quoted in full are only summaries of certain provisions thereof and do not purport to summarize or describe all the provisions thereof. Reference is hereby made to such instruments, documents and other materials for the complete provision thereof, copies of which will be furnished upon request to the District.

Accuracy and Completeness of the Final Official Statement

This Final Official Statement has been approved for distribution to prospective purchasers and the Underwriters of the Bonds, by the District. All of the statements and data presented herein have been obtained from reliable sources and are believed to be correct but are not guaranteed by the District.

The District's officials will provide to the original purchaser of the Bonds at the time of delivery of the Bonds, a certificate confirming to the purchaser that, to the best of their knowledge and belief, the Near Final Official Statement and Final Official Statement, with respect to the Bonds, at the time of the sale and delivery of the Bonds, was true and correct in all material respects and did not at any time contain an untrue statement of a material fact or omit to state a material fact required to be stated, where necessary to make the statements, in light of the circumstances under which they were made, not misleading.

To the Citizens of DuPage Community College District Number 502:

The Comprehensive Annual Financial Report (CAFR) of College of DuPage, Community College District Number 502 (the College), Counties of DuPage, Cook, and Will, State of Illinois, for the fiscal year ended June 30, 2008 (FY2008), is hereby submitted. The Illinois Community College Board (ICCB) requires that the College publish a complete set of financial statements by October 15th of each year. Responsibility for both the accuracy of the data and the completeness and fairness of the presentation, including all disclosures, rests with the College. To the best of our knowledge and belief, the enclosed data is accurate in all material respects and is reported in a manner designed to present fairly the financial position, changes in financial position and cash flows of the College.

Crowe Horwath LLP, have issued an unqualified ("clean") opinion on College of DuPage, Community College District No. 502's CAFR for the year ended June 30, 2008. The independent auditor's report is located at the front of the financial section of the report.

The Management's Discussion and Analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complements this letter of transmittal and should be read in conjunction with it

PROFILE OF THE COLLEGE

Community College District 502 encompasses 357 square miles and includes the majority of DuPage County, a portion of Cook County, and a portion of Will County. The Glen Ellyn campus is located about 35 miles west of downtown Chicago. Originally formed from 10 high school districts, District 502 became the most populous in Illinois outside of Chicago, when a neighboring community College district was annexed in 1967. Total population of the district today is approximately 1,058,023 and the total 2007 equalized assessed valuation is \$44,535,081,379.

College of DuPage offers its approximately 30,000 students a diverse and far-reaching educational program. Students can choose from 55 pre-baccalaureate areas of study and from 52 occupational and technical programs, with classes offered on the college's 273-acre Glen Ellyn campus and at nearly 84 suburban locations. College of DuPage also offers a wide variety of Continuing Education programs, an Adult Fast Track program, online college, a Weekend Degree program, plus special seminars and workshops for community members with a specific interest in mind.

PROFILE OF THE COLLEGE (CONTINUED)

The mission statement of College of DuPage identifies the fundamental purpose and aspirations of the College. The mission is the foundation upon which all College activities are built and ultimately measured against. The following mission was affirmed by the College's Board of Trustees in 2002 and will be reviewed every seven years.

"The Mission of College of DuPage is to be at the forefront of higher education, serving the needs of the community. The College will be the first place residents turn to for the highest quality education and cultural opportunities. The College will serve as a model of distinction for community college education."

The College maintains its accounts and prepares its financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) as set forth by Governmental and Financial Accounting Standards Boards (GASB and FASB), and the Illinois Community College Board (ICCB). The ICCB requires accounting by subfunds in order that limitations and restrictions on resources can be easily accounted for. The financial records of the College are maintained on the accrual basis of accounting whereby all revenues are recorded when earned and all expenses are recorded when an obligation has been incurred. The notes to the financial statements expand and explain the financial statements and the accounting principles applied.

LOCAL ECONOMY

The College's district includes the majority of DuPage County. DuPage County is located 20 miles west of downtown Chicago in northeastern Illinois.

Covering 332.1 square miles and neighboring Chicago, DuPage is at the hub of the nation's mail, air, freight, and trucking systems. The County plays a critical role in maintaining a large, efficient transportation system and infrastructure which includes six major expressways and three major commuter rail lines. DuPage County Airport is Illinois' third busiest and O'Hare International is on the County's northeastern border.

The County has a highly skilled employment pool, reflecting the educational commitment of its residents. Over forty-four percent of DuPage's population has a college or professional degree, compared to the twenty-nine percent statewide average. High school graduation rates are ninety-three percent while the statewide average is eighty-five percent. School test scores consistently rank above the state average, and school operating expenditures per child exceed the state average. Fourteen private or public colleges are located in DuPage County.

The County has a very diverse economic base, comprised of construction and manufacturing, wholesale, and retail trade, various service sectors, and research. A high tech research and development corridor covers the width of DuPage County, stretching from the Argonne National Laboratory in the eastern part of the County to the Fermi National Accelerator Laboratory on the western boundary. DuPage County is home to more than 100 industrial parks, 32,000 businesses, and over 700,000 full and part-time employed persons. A pro-business atmosphere, a commitment to a well-educated workforce, and a modern transportation system make DuPage County an ideal location for business expansion and relocation.

In accordance with Government Auditing Standards, we have also issued our report dated September 26, 2008 on our consideration of the College's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. This report is an integral part of the audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as whole. The supplemental financial information listed in the financial section of the table of contents and the other supplemental financial information listed under the special reports section of the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements of the College. This information is required by the Illinois Community College Board and is presented on the modified accrual basis. Such information was subjected to the audit procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

The Management's Discussion and Analysis, designated in the table of contents as "Required Supplementary Information" is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it.

The items listed in the introductory section and statistical section in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. These items have not been subjected to the audit procedures applied in the audit of the financial statements. Accordingly, we do not express an opinion on them.

Management's Discussion and Analysis

(This page left blank intentionally)

MANAGEMENT'S DISCUSSION AND ANALYSIS

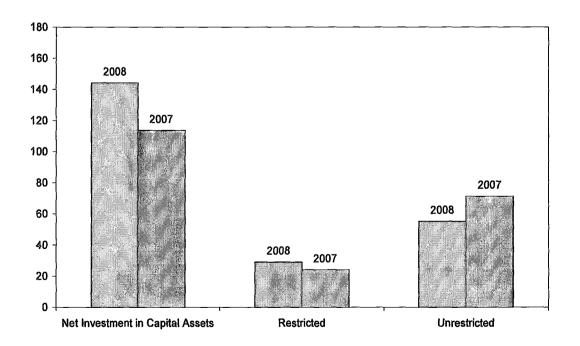

This section of College of DuPage's Community College's Comprehensive Annual Financial Report presents management's discussion and analysis of the College's financial activity during the fiscal years ended June 30, 2008 and June 30, 2007. Since this management's discussion and analysis is designed to focus on current activities, resulting change and currently known facts, please read it in conjunction with the transmittal letter (pages 8-16), and the College's basic financial statements including the notes to the financial statements (pages 41-66). Responsibility for the completeness and fairness of this information rests with the College.

Using This Annual Report

The new financial statement (implemented in the fiscal year ended June 30, 2003) focuses on the College as a whole. The College financial statements (see pages 34-38) are designed to emulate corporate presentation models whereby all College activities are consolidated into one total. The focus of the Statement of Net Assets is to reflect the College's financial position at a certain date. This statement, combines and consolidates, current financial resources (short-term spendable resources) with capital assets. The Statement of Revenues, Expenses, and Changes in Net Assets focuses on both the gross costs and the net costs of College activities, which are supported substantially by property taxes, state and federal grants and contracts, student tuition and fees and auxiliary enterprises revenues. This approach is intended to summarize and simplify the user's analysis of the cost of various College services to students and the community.

Financial Highlights

Comparative of Net Assets – Fiscal Years 2008 and 2007 (in millions dollars)

Financial Analysis of the College as a Whole

Non-current liabilities	<u>173.3</u>	<u>181.7</u>	(8.4)	<u>105.7</u>	<u>76.0</u>
Total liabilities	<u>273.7</u>	<u>266.1</u>	<u>7.6</u>	<u>182.1</u>	<u>84.0</u>
Net assets					
Investment in capital assets	144.2	113.6	30.6	99.9	13.7
Restricted expendable	29.0	24.0	5.0	19.1	4.9
Unrestricted	<u>55.2</u>	<u>71.2</u>	(16.0)	<u>76.2</u>	(5.0)
Total Net Assets	<u>\$228.4</u>	<u>\$208.8</u>	<u>\$19.6</u>	<u>\$195.2</u>	<u>\$13.6</u>

This schedule is prepared from the College's statement of net assets (pages 32-33) which is presented on the accrual basis of accounting whereby assets are capitalized and depreciated.

Fiscal Year 2008 Compared to 2007

The total current assets decreased by \$26.8 million as compared to prior year. The non-restricted current assets increased by \$10.3 million, while the restricted assets decreased by \$37.1 million. This is due entirely to the reduction of investments as the construction of the new facilities is in full process.

Non-current assets increased by \$53.9 million due primarily to the increase in construction-in-progress as explained in the Analysis of Net Assets section of this document.

Current liabilities increased by \$16.0 million. The primary difference being in the restricted accounts payable that increased by \$10.5 million due to the increase in construction activity. The bond payable current portion increased by \$1.8 million and the unearned property tax revenues increased by \$600,000 all due to the changes in the bond payment schedule. This change in net assets is explained on page 30.

Fiscal Year 2007 Compared to 2006

The total current assets increased by \$75.8 million as compared to the prior year. The non-restricted current assets increased by only \$350,000 while the restricted current assets increased by \$75.5 million. The restricted current assets increase of \$75.5 million was due primarily to the increase of restricted investments in the amount of \$75.3 million due to the issuance of the General Obligation Bonds Series 2007. The restricted interest receivables increased by \$1.3 million, also due to this issuance.

Non-current assets increased by \$21.8 million due primarily to the increase in construction-in-progress as explained in the Analysis of Net Assets section of this document.

Current liabilities increased by \$8.0 million. The primary differences are in the restricted accounts payable account with an increase of \$2.6 million due to the increase in construction activity. The bonds payable current portion increased by \$1.5 million due to the increase of the General Obligation Bonds Series 2007. The unearned property tax revenues increased by \$2.9 million also due to the bond issue. The non-current liabilities increased by \$76.0 million due to the issuance of the General Obligation Bonds Series 2007.

The change in Net Assets is explained on page 30.

Fiscal Year 2008 Compared to 2007

Operating revenue increased by \$2.5 million which is reflective of a tuition and fee increase.

Operating expenses increased by \$3.9 million from the prior year. The operating expense categories are summarized on page 27.

Non-operating revenue increased by \$8.7 million. An increase of \$5.8 million in property tax revenue was generated by the current levy.

At June 30, 2008, the College is economically better off than at June 30, 2007 by \$19.6 million.

There are currently no other known facts, decisions or conditions that will have a significant effect on the financial positions (net assets) or changes in financial position (revenues, expenses and changes in net assets).

Fiscal Year 2007 Compared to 2006

Operating revenue increased by \$7.2 million which reflects both a tuition and fee increase and an increase in enrollment as compared to the previous year.

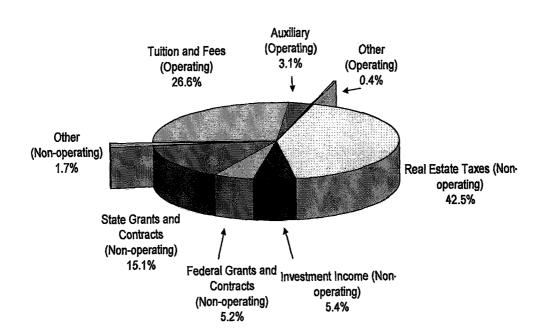

Operating expenses increased by \$10.3 million from the prior year. The operating expense categories are summarized on page 27.

Non-operating revenue increased by \$8.6 million. An increase of \$4.2 million in property tax revenue was generated by the current levy. Investment income increased by \$2.9 million due to continual increases in term rates.

At June 30, 2007, the College is economically better off than at June 30, 2006 by \$13.6 million.

There are currently no other known facts, decisions or conditions that will have a significant effect on the financial positions (net assets) or changes in financial position (revenues, expenses and changes in net assets).

The following is a graphic illustration of operating expenses.

Operating Expenses June 30, 2008

Comparison of Operating Expenses Fiscal Years 2008 and 2007

Fiscal Year 2008 Compared to 2007

Operating expenses for Fiscal Year 2008 increased by only \$3.9 million. Instructional, academic and student services increased by \$3.4 million due to salary, benefits, material and supplies increases. All other expenses, excluding Financial Aid, increased by only \$300,000 as there was a conscious effort to stay within budget parameters. Financial Aid expenses increased \$200,000 due to an increase in students utilizing financial aid scholarships.

Fiscal Year 2007 Compared to 2006

Operating expenses for Fiscal Year 2007 increased by \$10.3 million. Instructional, academic and student services increased by \$3.9 million due to salary, benefits, material and supplies increases. General Institutional expenses increased by \$5.1 million due to an increase in construction activities. Financial Aid expenses increased \$900,000 due to an increase in students utilizing financial aid scholarships.

Fiscal Year 2008 Compared to 2007

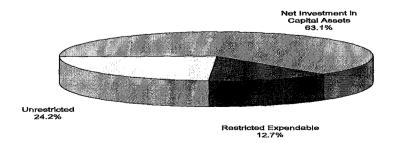

The net investment in capital assets increased by \$30.6 million. This increase is attributed to a significant increase in the construction-in-progress. The major projects include the Technology Building, Health Careers and Natural Sciences Building, and Parking Lot Phases II and III. Restricted expendable net assets increased by \$5.0 million due to the increases in tax levies to pay the principal and interest on the General Obligation Bonds Series 2007. Unrestricted net assets decreased by \$16.0 million due to the partial completion of some construction projects.

Fiscal Year 2007 Compared to 2006

The net investment in capital assets increased by \$13.7 million. This increase is attributed to a significant increase in the construction-in-progress. The major projects include the Technology Building, \$1.9 million, Health Career and Natural Sciences Building, \$4.9 million, Early Childhood Center at \$4.9 million and Parking Phase II at \$9.5 million. Restricted expendable net assets increased by \$4.9 million due to the increases in tax levies to pay the principal and interest on the General Obligation Bonds Series 2007. Unrestricted net assets decreased by \$5.0 million due to the completion of some construction projects.

The following is a graphic illustration of net assets.

Less Accumulated Depreciation	<u>(90.6)</u>	<u>(89.1)</u>	<u>(1.5)</u>	<u>(86.7)</u>	<u>(2.4)</u>
Net Capital Assets	<u>\$175.5</u>	<u>\$121.5</u>	<u>\$54.0</u>	<u>\$99.9</u>	<u>\$21.6</u>

Fiscal Year 2008 Compared to 2007

As of June 30, 2008, the College had recorded \$266.1 million invested in capital assets, \$90.6 million in accumulated depreciation and \$175.5 million in net capital assets.

Net capital assets increased by \$54.0 million due primarily to a significant increase in the construction-in-progress. The major projects include the Technology Building \$19.6 million, Health Careers and Natural Sciences Building \$27.8 million, Parking Phases II \$2.0 million and Parking Phase III at \$2.4 million. Additional information on capital assets is provided in Note 3 to the financial statements.

In November 2006, the College issued \$7,890,000 in General Obligation (Alternate Revenue Source) Refunding Bonds, Series 2006 to advance refund a portion of the 2003 Bonds. Both Moody's Investors Service, Inc. and Standard and Poor's Ratings Group have assigned the highest municipal bond ratings of "Aaa" and "AAA" respectively to the bonds. During fiscal year 2008, \$0 principal was retired on the Series 2006 Refunding Bonds.

In February 2007, the College issued \$78,840,000 in General Obligation Bonds, Series 2007. Both Moody's Investors Service, Inc. and Standard and Poor's Ratings Group have assigned the highest municipal bond ratings of "Aaa" and "AAA" respectively to the bonds. The proceeds derived from the issuance of the Series 2007 Bonds will be used by the College to build and equip new buildings and renovate existing facilities. During fiscal year 2008, \$535,000 principal was retired on the Series 2007 Bonds.

In February 2003, the College issued \$92,815,000 in General Obligation Bonds, Series 2003A and \$31,580,000 in General Obligation Alternate Revenue Source Bonds, Series 2003B. Both Moody's Investors Service, Inc. and Standard and Poor's Ratings Group have assigned the highest municipal bond ratings of "Aaa" and "AAA" respectively to the bonds. The proceeds derived

from the issuance of the Series 2003A bonds will be used by the College to build and equip new buildings and renovate existing facilities. The proceeds derived from the issuance of the Series 2003B bonds will be used by the College to construct parking facilities and related site improvements. During fiscal year 2008, \$5,175,000 principal was retired on the Series 2003A bonds; and \$1,235,000 principal was retired during the year on the Series 2003B Bond.

As of June 30, 2008, \$78,305,000 (Series 2007), \$7,890,000 (Series 2006 Refunding Bonds), \$66,640,000 (Series 2003A) and \$18,085,000 (Series 2003B) remain outstanding. The payment schedule, along with changes in activities for debt, is provided in Note 6 to the financial statements.

Fiscal Year 2007 Compared to 2006

As of June 30, 2007, the College had recorded \$210.6 million invested in capital assets, \$89.1 million in accumulated depreciation and \$121.5 million in net capital assets.

Net capital assets increased by \$21.6 million due primarily to a significant increase in the construction-in-progress. The major projects include the Technology Building \$1.9 million, Health Career and Natural Sciences Building \$4.9 million, Early Childhood Center \$4.8 million and Parking Phases II \$9.5 million. Additional information on capital assets is provided in Note 3 to the financial statements.

In November 2006, the College issued \$7,890,000 in General Obligation (Alternate Revenue Source) Refunding Bonds, Series 2006 to advance refund a portion of the 2003 Bonds. Both Moody's Investors Service, Inc. and Standard and Poor's Ratings Group have assigned the highest municipal bond ratings of "Aaa" and "AAA" respectively to the bonds. During fiscal year 2007, \$0 principal was retired on the Series 2006 Refunding Bonds.

In February 2007, the College issued \$78,840,000 in General Obligation Bonds, Series 2007. Both Moody's Investors Service, Inc. and Standard and Poor's Ratings Group have assigned the highest municipal bond ratings of "Aaa" and "AAA" respectively to the bonds. The proceeds derived from the issuance of the Series 2007 Bonds will be used by the College to build and equip new buildings and renovate existing facilities. During fiscal year 2007, \$0 principal was retired on the Series 2007 Bonds.

In February 2003, the College issued \$92,815,000 in General Obligation Bonds, Series 2003A and \$31,580,000 in General Obligation Alternate Revenue Source Bonds, Series 2003B. Both Moody's Investors Service, Inc. and Standard and Poor's Ratings Group have assigned the highest municipal bond ratings of "Aaa" and "AAA" respectively to the bonds. The proceeds derived from the issuance of the Series 2003A bonds will be used by the College to build and equip new buildings and renovate existing facilities. The proceeds derived from the issuance of the Series 2003B bonds will be used by the College to construct parking facilities and related site improvements. During fiscal year 2007, \$4,480,000 principal was retired on the Series 2003A bonds; and \$1,205,000 principal was retired during the year and \$7,375,000 was advance refunded on the Series 2003B Bonds.

As of June 30, 2007, \$78,840,000 (Series 2007), \$7,890,000 (Series 2006 Refunding Bonds), \$71,815,000 (Series 2003A) and \$19,320,000 (Series 2003B) remain outstanding. The payment schedule, along with changes in activities for debt, is provided in Note 6 to the financial statements.

Other

Management is not aware of any currently known facts, decisions, or conditions that would have a significant impact on the College's financial position (net assets) or results of operations (revenues, expenses, and other changes in net assets).

CONTACTING FINANCIAL MANAGEMENT

This financial report is designed to provide our customers with a general overview of College of DuPage's finances and to show College of DuPage's accountability for the revenue it receives.

If you have questions about this report or need additional information, contact Chris Wodka, Controller, at 425 Fawell Blvd., Glen Ellyn, IL 60137-6599, (630) 942-2219.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting and reporting policies of College of DuPage - Community College District Number 502 (the College) conform to accounting principles generally accepted in the United States of America (GAAP) applicable to government units and Illinois community colleges, as well as those prescribed by the Illinois Community College Board (ICCB), as set forth in the ICCB Fiscal Management Manual. The College's reports are based on all applicable Governmental Accounting Standards Board (GASB) pronouncements as well as applicable Financial Accounting Standards Board (FASB) Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Review Boards of the Committee on Accounting Procedure issued on or before November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements. The following is a summary of the significant accounting policies.

A. Reporting Entity

The College is a municipal corporation governed by an elected seven member Board of Trustees. The College is fiscally independent and is considered a primary government pursuant to GASB Statement No. 14, The Financial Reporting Entity. The College has determined that the College of DuPage Foundation meets the requirements of Governmental Accounting Standards Board Statement No. 39, Determining Whether Certain Organizations Are Component Units, an amendment of GASB Statement 14, which has resulted in the College of DuPage Foundation being reported as a discretely presented component unit of the College. The College of DuPage Foundation is a legally separate not-for-profit established under Internal Revenue Code Section 501 C(3). Separate financial statements of the Foundation are available from the Foundation's Executive Director, 425 Fawell Boulevard, SRC 2073, Glen Ellyn, Illinois 60137-6599.

B. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

For financial reporting purposes, the College is considered a special-purpose government engaged only in business-type activities. Accordingly, the College's financial statements have been presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred. All significant intra-agency transactions have been eliminated.

Non-exchange transactions, in which the College receives value without directly giving equal value in return, include: property taxes; federal, state, and local grants; state appropriations; and other contributions. On an accrual basis, revenue from property taxes is recognized in the period for which the levy is intended to finance. Revenue from grants, state appropriations, and other contributions is recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which the College must provide local resources to be used for a specific purpose, and expense requirements, in which the resources are provided to the College on a reimbursement basis.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Property Taxes

The College's property taxes are levied each year on all taxable real property located in the District. Property taxes are recorded on an accrual basis of accounting. Pursuant to guidance from the Illinois Community College Board, and the College Board of Trustees resolution, property tax levies are allocated fifty percent for each of the two fiscal years after the levy year.

Each County Assessor is responsible for assessment of all taxable real property within each county except for certain railroad property that is assessed directly by the state. Reassessment is on a three-year schedule for Cook County and on a four-year schedule for DuPage and Will Counties, as established by their respective Assessors.

Each County Clerk computes the annual tax for each parcel of real property and prepares tax books used by the County Collector as the basis for issuing tax bills to all taxpayers in the County.

Property taxes are collected by the County Collector and are submitted to the County Treasurer, who remits to the taxing bodies their respective share of the collections. Taxes levied in one year become due and payable in two installments during the following year, generally on June 1st and September 1st. Taxes must be levied by the last Tuesday in December for the following collection year. The levy becomes an enforceable lien against the property as of January 1, immediately following the levy year.

The statutory maximum tax rates and the respective final rates for the 2007 tax levy payable in calendar year 2008, per \$100 of assessed valuation are as follows:

ı	Statutory Maximum Rate	Final Rate
Education	\$.7500	\$.1292
Operations and Maintenance	.1000	.0214
Liability, Protection & Settle	ment none	.0023
Social Security/Medicare	none	.0031
Audit	.0050	.0003
Bond and Interest	none	.0334
Life Safety	.0500	none
Working Cash	(1)	none
TOTAL		<u>\$.1897</u>

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Property Taxes (continued)

The statutory maximum tax rates and the respective final rates for the 2006 tax levy payable in calendar year 2007, per \$100 of assessed valuation are as follows:

~ ·	Statutory Maximum Rate	Final Rate
Education	\$.7500	\$.1331
Operations and Maintenance	.1000	.0226
Liability, Protection & Settle	ment none	.0020
Social Security/Medicare	none	.0030
Audit	.0050	.0002
Bond and Interest	none	.0342
Life Safety	.0500	none
Working Cash	(1)	none
TOTAL		<u>\$.1951</u>

(1) Subject to limitation of bonds at 75% of property tax base.

The 2008 tax levy, which attached as an enforceable lien on property as of January 1, 2008, has not been recorded as a receivable as of June 30, 2008 as the tax has not yet been levied by the counties within the College's district and will not be levied until December 2008 and, therefore, the levy is not measurable at June 30, 2008.

D. Capital Assets

Capital assets include property, plant, equipment, and infrastructure assets, such as roads, parking lots, and sidewalks. Such assets are recorded at historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair value at the date of donation. Costs of normal maintenance and repairs that do not add to the value of the assets or materially extend their useful lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets are defined by the College as assets with an initial unit cost greater than defined capitalization thresholds, and having an estimated useful life of at least one year. Property, plant, and equipment of the College are depreciated using the straight-line method over the following useful lives. See Note 3 for further detail.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Capital Assets (continued)

Assets	Capitalization Threshold	<u>Years</u>
Buildings	\$500,000	50
Building improvements	500,000	20
Temporary buildings	100,000	20
Original land improvements	-	20
Renovations of original	-	
land improvements	100,000	10
Original infrastructure	-	20
Renovations of original infrastructure	500,000	10
Equipment	2,500	6
Vehicles	2,500	4
Computers and related equipment	2,500	4

E. Cash Equivalents

Cash includes deposits held at banks, and small amounts maintained for change and petty cash funds. Cash equivalents are defined as highly liquid investments readily converted to cash with original maturities of three months or less; they include amounts held in overnight Repurchase Agreements, Illinois Funds (ILFUNDS), ISDLAF Money Market, Federated Money Market, and amounts held in banks as Trust Assets.

F. Investments

Investments with a maturity less than one year when purchased and all non-negotiable certificates of deposit are reported at cost or amortized cost. Investments with a maturity greater than one year when purchased are reported at fair value. Fair value is determined at quoted market prices. Interest income is reported at the stated interest rate, and any premiums or discounts on debt securities are not amortized.

G. Inventories

Inventories consist of items purchased for resale in the automotive services, IT special services and student activities areas, and are stated at lower of cost (first-in, first-out) or market. The cost is recorded as expenses as the inventory is consumed.

H. Restricted Assets

Restricted assets are primarily bond funded construction accounts, the use of which is restricted by the bond covenants, debt service funds, the use of which is restricted by the bond covenants for

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

H. Restricted Assets (continued)

repayment of bonds, and in working cash funds, the use of which is restricted by Illinois Compiled Statutes (ILCS). When both restricted and unrestricted resources are available for use, it is the College's policy to use restricted resources first and then unrestricted resources when they are needed.

I. Unearned Tuition and Fee Revenue

Tuition and fee revenues related to the periods after June 30, 2008 and June 30, 2007 have been classified as unearned.

J. Net Assets

The College's net assets are classified as follows:

Invested in capital assets, net of related debt – this represents the College's total investment in capital assets, net of accumulated depreciation and net of any debt issued to acquire the capital asset, plus unspent bond proceeds.

Restricted for:

Debt service – this represents the amount of net assets that have been set aside for payments of bond principal and interest.

Working cash - this represents the principal balance of the Working Cash subfund, which pursuant to College Board of Trustees resolution and ILCS, is held in perpetuity.

Other purposes — this includes primarily unspent property tax receipts in the Audit and Liability Protection and Settlement subfunds.

None of the College's restricted net assets result from enabling legislation adopted by the College.

Unrestricted net assets – This includes resources from student tuition and fees, state appropriations, sales and services of educational departments, and auxiliary enterprises. These resources are used for transactions relating to the educational and general operations of the College and may be used at the discretion of the Board of Trustees to meet current expenses for any purpose.

K. Long-Term Obligations

Long-term obligations are reported as liabilities in the applicable financial statements. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

K. Long-Term Obligations (continued)

bonds. Bonds payable are reported net of the applicable premium or discount. Bond issuance costs are reported as deferred charges and amortized over the term of the related debt. Arbitrage liabilities, if any, are recorded as reductions of investment income in the year the potential liability is incurred.

L. Classification of Revenues and Expenses

Operating revenue includes activities that have the characteristics of exchange transactions, such as (1) student tuition and fees, net of scholarship discounts and allowances, and (2) sales and services of auxiliary enterprises. Non-operating revenue includes activities that have the characteristics of non-exchange transactions, such as (1) local property taxes, (2) state appropriations, (3) most federal, state, and local grants and contracts and federal appropriations, and (4) gifts and contributions. Operating expenses are those expenses directly attributable to the operations of the College. Incidental expenses are classified as non-operating expenses.

M. Federal Financial Assistance Programs

The College participates in federally funded programs providing Pell Grants, SEOG Grants, Federal Work-Study, Federal Family Education Loans, Perkins Loans, and support for other grant programs not related to student financial aid. Federal programs are audited in accordance with the Single Audit Act Amendments of 1996, the U.S. Office of Management and Budget Revised Circular A-133 Audit of States, Local Governments and Non-Profit Organizations, and the Compliance Supplement.

N. On-Behalf Payments for Fringe Benefits and Salaries

The College recognizes as revenues and expenses contributions made by the State of Illinois to the State Universities Retirement System on behalf of the College's employees. See Note 4 for further detail.

O. Compensated Absences

The College records a liability for employees' vacation leave earned, but not taken. Employees are allowed to carry over a limited number of vacation days from year to year. The College has no commitment for accumulated sick leave and no liability is recorded. Employees who retire are given credit for unused sick leave towards years of service in the State Universities Retirement System pension plan. See Note 5 for further detail.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

P. Use of Estimates

In order to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America, management has made a number of estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses and gains and losses during the reporting period. Actual results could differ from those estimates.

2. CASH DEPOSITS AND INVESTMENTS

The Illinois Public Community College Act and the Investment of the Public Funds Act authorize the College to invest in obligations issued by the United States Government, investments constituting direct obligations of any bank, short-term commercial paper of U.S. corporations with assets exceeding \$500 million, short-term obligations issued by the Federal National Mortgage Association, shares or other securities issued by savings and loan associations, share accounts of credit unions chartered in the United States with its principal office located in Illinois, and securities issued by the Illinois Funds.

In addition, the College of DuPage Board of Trustees has adopted an investment policy (Policy 6610) which provides further restrictions on the investment of College funds. It is the policy of the College to invest its funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the College and conforming to all state and local statutes governing the investment of public funds, using the "prudent person" standard for managing the overall portfolio. The primary objectives of the policy, in order of priority are; legality, safety (preservation of capital and protection of investment principal), liquidity and yield.

The Board of Trustees policy permits deposits without collateralization in financial institutions with capital and surplus in excess of \$100,000,000. The total deposits not collateralized at any one institution may not exceed \$5,000,000. Illinois Funds is an investment pool managed by the State of Illinois, Office of the Treasurer, which allows governments within the State to pool their funds for investment purposes. Illinois Funds is not registered with the SEC as an investment company, but does operate in a manner consistent with Rule 2a7 of the Investment Company Act of 1940. Investments in Illinois Funds are valued at Illinois Fund's share price, which is the price for which the investment could be sold. These investments are not required to be categorized based on custodial risk in accordance with GASB Statement No. 40 because they are not securities. The relationship between the College and the agent is a direct contractual relationship, and the investments are not supported by a transferable instrument that evidences ownership. For the College's reporting purposes, Illinois Funds are considered cash equivalents.

2. CASH DEPOSITS AND INVESTMENTS (CONTINUED)

A. Deposits with Financial Institutions

Custodial credit risk for deposits with financial institutions is the risk that in the event of bank failure, the College's deposits may not be returned to it. As previously noted, the College's investment policy allows up to \$5,000,000 of uninsured and uncollateralized deposits at one financial institution that meets certain criteria. At June 30, 2008 and 2007, the College had no bank balances on deposit which were uninsured and uncollateralized, out of total bank balances on deposit of \$133,419,750 and \$70,128,685, respectively.

B. Investments

The following table presents the investment in debt securities of the College as of June 30, 2008 and 2007 by type of investment.

June 30, 2008

<u>Investment</u>	•	Fair Value	<u>Duration</u>
Time deposits		\$ 130,595,172	<2 years

June 30, 2007

Investment	<u>Fair Value</u>	<u>Duration</u>
Time deposits	\$ 224,284,486	<2 years

The College limits its exposure to credit risk, the risk that the issuer of a debt security will not pay its par value upon maturity, by primarily investing in obligations guaranteed by the United States Government or securities issued by agencies of the United States Government, limiting its investments in commercial paper to no more than 33% or the overall portfolio and no more than 10% in one corporation and limiting investments in mutual funds to the ten highest classifications established by a recognized rating service with no more than 5% of the portfolio invested in this fashion.

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to the investment, the College will not be able to recover the value of its investments that are in possession of an outside party. To limit its exposure, the College's investment policy requires all security transactions that are exposed to custodial credit risk to be processed on a delivery versus payment (DVP) basis with the underlying investments held by a third party acting as the College's agent separated from where the investment was purchased.

At June 30, 2008 and 2007, the College had investments of \$8,841,580 and \$7,400,000, respectively, which were uninsured and uncollateralized, out of total investment balances of \$130,595,172 and \$224,284,486, respectively.

3. CAPITAL ASSETS

A summary of changes in capital assets for the fiscal year ended June 30, 2008 is as follows:

4. RETIREMENT, TERMINATION AND POST EMPLOYMENT RELATED BENEFITS

The College contributes to the State Universities Retirement System of Illinois (SURS), a cost-sharing multiple-employer defined pension plan with a special funding situation whereby the State of Illinois makes substantially all contributions on behalf of the participating employers (albeit at less than the actuarially required amounts). SURS was established July 21, 1941 to provide retirement annuities and other benefits for staff members and employees of the state universities, certain affiliated organizations, and certain other state educational and scientific agencies and for survivors, dependents, and other beneficiaries of such employees.

SURS is considered a component unit of the State of Illinois' financial reporting entity and is included in the state's financial reports as a pension trust fund. SURS is governed by Section 5/15, Chapter 40, of the Illinois Compiled Statutes. SURS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to: SURS, 1901 Fox Drive, Champaign, IL 61820 or by calling 1-800-275-7877.

Plan members are required to contribute 8.0% of their annual covered salary and substantially all employer contributions are made by the State of Illinois on behalf of the individual employers at a rate different than the actuarially determined rate with the College funding employer contributions for those employees paid from restricted grant funds. The rate for 2008 and 2007 was 10.75% and 10.82%, respectively, of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended by the Illinois General Assembly.

The employer contributions to SURS made by the College and the State are as follows:

Years Ending		
June 30,	<u>College</u>	State of Illinois
2008	\$131,637	\$8,185,317
2007	107,783	6,235,640
2006	123,691	4,268,294
2005	120,125	6,949,011

4. RETIREMENT, TERMINATION AND POST EMPLOYMENT RELATED BENEFITS (CONTINUED)

The College provides compensation payments to its eligible benefited employees. To encourage early retirement, payments are available to administrators, classified and faculty. The long term liability for the payments, which is payable in installments up to a maximum of three years subsequent to retirement, is recorded at present value in the fiscal year of election for retirement using a 2.8% discount rate.

The expected future payments for faculty, administrators and classified at June 30, 2008 and 2007 are as follows:

Fiscal year 2009 payments Present value of payments beyond fiscal year 2009	\$ 1,161,855 2,127,500
Fiscal year 2008 payments Present value of payments beyond fiscal year 2008	\$ 918,692 2,268,400

At June 30, 2008 and 2007, respectively, there were 68 and 69 participants in the early retirement program. The College began fiscal year 2007 with 56 participants. Eleven new participants joined the program in Fiscal 2008 and twenty-two new participants joined the program in Fiscal 2007, and 12 and 9 participants received their final payments during Fiscal 2008 and 2007, respectively.

The College also provides eligible faculty, administrators, and classified retirees with a health benefit program. There are a variety of health care arrangements depending on when an individual retired from the College. The College has gradually moved from providing health care coverage to the provision of annual fixed dollar allocations in lieu of health coverage. The cost of health care coverage for retirees is recorded annually as incurred, and was \$500,583 and \$497,932 for Fiscal 2008 and 2007, respectively. There are approximately 334 and 316 participants eligible to receive benefits at June 30, 2008 and 2007, respectively. Health coverage is currently available to eligible retirees through a state program – The College Insurance Plan. Active College employees pay .5% of their salary to participate in the program subsequent to retirement. The College, as well as the State of Illinois, provides matching contributions. For Fiscal 2008 and 2007, the College and the State each provided a matching contribution of \$364,261 and \$360,821, respectively.

5. COMPENSATED ABSENCES

As of June 30, 2008 and 2007, employees had earned but not taken annual vacation leave which at salary rates then in effect aggregated approximately \$2,266,555 and \$2,112,771, respectively. The College has no commitment for accumulated sick leave and no liability is recorded. Employees who retire are given credit for unused sick leave towards years of service in the State Universities Retirement System.

6. LONG TERM DEBT

A. A summary of long term debt transactions for the years ended June 30, 2008 and 2007 is as follows.

Total		\$170,920,000	<u>\$62,957,859</u>	<u>\$233,877,859</u>

Termination Benefits

A long term liability is recorded at present value in the amount of \$2,127,500 and \$2,268,400 at June 30, 2008 and 2007, respectively, for expected future retirement benefit payments to administrators, classified, and faculty.

C. Pledges of Future Revenues

The College has pledged future tuition and fee revenues to repay \$24,205,000 and \$7,890,000 in General Obligation Bonds (Alternate Revenue Source) issued February 20, 2003 and October 31, November 1, 2006, respectively. Proceeds from the bonds are providing financing for the construction of parking facilities and related site improvements. The bonds are payable solely from tuition and fees revenues and are payable through 2023 and 2020, respectively. Annual principal and interest payments on the bonds are expected to require less than 49.8% of tuition and fees revenues. The total principal and interest remaining to be paid on the bonds is \$35,593,456. Principal and interest paid for the current year and total tuition and fees revenues were \$2,376,543 and \$4,770,360 respectively.

7. BOOKSTORE LEASE

The College's bookstore facility is leased to Follett Higher Education Group of Oak Brook, Illinois through March 13, 2009. Under the terms of this agreement dated August 1, 2003, the service provider agrees to operate the bookstore facility with a total minimum rental guarantee of \$4,250,000 or an annual minimum of \$850,000. For the years ended June 30, 2008 and 2007, the College recognized income under this agreement of \$926,332 and \$927,682 respectively.

8. DINING SERVICES LEASE AND VENDING

The College's Dining Services program consists of manual operations and vending throughout the campus. The College had a lease for manual services with Eurest Dining Services of Elmhurst, Illinois through August 17, 2007. Under the terms of this agreement, the service provider agreed to operate the manual operations without a direct subsidy from the College. In August 2007, the College obtained a five-year lease for manual services with Chartwells Dining Services of Rye Brook, New York through August 3, 2012. Under the terms of this agreement dated August 4, 2007, the service provider agrees to operate the manual operations with a total minimum guarantee of \$50,000 in year 1, escalating 5% each year, for a total minimum level of \$276,282. The annual commission is based on 3% of annual net manual sales and 5.5% of annual net catering sales. The College will receive the greater of these two calculations each year. For the year ended June 30, 2008, the College recognized income under this agreement of \$37,700 which does not include a full year under the new contract.

The College also has agreements with two firms to provide vending program services. The agreement for food vending is with Aramark Corporation of Lansing, Illinois, for a five-year period commencing on or about September 1, 2004 and ending December 31, 2009. Under the terms of this agreement, the service provider agrees to pay commissions at an average rate of 23.3%, payable monthly, for the term of the agreement. For the years ended June 30, 2008 and 2007, the College recognized income under these agreements of \$65,625 and \$62,827, respectively.

The agreement for beverage vending is with Pepsi Americas (PAS) of Chicago, Illinois, for a five and one-half-year period ending December 31, 2009, as amended on July 1, 2004. Under the terms of this agreement, the service provider agrees to pay minimum commissions annually in the amount of \$155,000 for each full year of the agreement and \$77,500 in the final partial year of the agreement for a total minimum level of \$852,500. The annual commission is approximately 46% of annual gross sales. The College will receive the greater of these two calculations each year. For the years ended June 30, 2008 and 2007, the College recognized income of \$155,000 in both years. In accordance with the beverage vending agreement, PAS also agrees to pay an annual sponsorship fee of \$75,000 for each full year of the agreement and \$37,500 in the final partial year of the agreement.

9. FACILITIES LEASE

The College has operating leases for nine on and off-campus facilities expiring through April 30, 2018. Current year rental cost on these nine facilities approximated \$876,538 and for 2007 rental costs approximated \$733,853 exclusive of assessed common area maintenance charges and real estate taxes. The future minimum rental payments on these leases are as follows:

	Minimum
	Rental
Fiscal Year	<u>Payments</u>
2009	\$896,615
2010	799,007
2011	822,757
2012	811,444
2013	833,424
2014-2016	2,788,119

10. RISK MANAGEMENT

The College is exposed to various risks of loss related to torts, theft of, damage to, or destruction of property, injuries to employees and natural disasters. The College is a member of the Illinois Community College Risk Management Consortium (the "Consortium"). The Consortium is a public entity risk pool operating as a common risk management and insurance program for eleven local community colleges. Each college pays an annual premium to the Consortium as its pro rata share for property and casualty insurance coverage. The Agreement for Formation of the Consortium provides that the Consortium will be self-sustaining through member premiums and will reinsure through commercial companies. The College continues to carry commercial insurance coverage for directors' and officers' liability and sports accident insurance.

Settled claims resulting from these risks have not exceeded commercial insurance limits in any of the past three fiscal years. Therefore, the College has not recorded an accrual for any liabilities related to property, liability or student nurse's malpractice insurance.

The College maintains self-insurance coverage through a third-party administrator for its employee health insurance. The College currently allocates all expenses associated with the employee health plan to each of the individual subfunds. Claims and expenses are reported when incurred. To limit its exposure of risk, the College maintains a specific excess policy that provides coverage in excess of \$125,000 per employee.

10. RISK MANAGEMENT (CONTINUED)

The College's estimate of liability for claims incurred but not reported is as follows:

Estimated claims incurred but not reported June 30, 2008	\$981,000
Estimated FY2008 claims incurred	(10,020,260)
FY2008 claims paid	<u>9,924,260</u>
Estimated claims incurred but not reported June 30, 2007	\$885,000
Estimated claims incurred but not reported June 30, 2007	\$885,000
Estimated FY2007 claims incurred	(9,559,704)
FY2007 claims paid	9,410,704
Estimated claims incurred but not reported June 30, 2006	<u>\$736,000</u>

The College includes this liability in the amount reported for accrued salaries and benefits, within current liabilities, on the Statement of Net Assets.

11. LITIGATION

From time to time, the College is party to various pending claims and legal proceedings. Although the outcome cannot be forecast with certainty, it is the opinion of management and appropriate legal counsel that the likelihood is remote that any such claims or proceedings will have a material adverse effect on the College's financial position or results of operations.

12. NEW ACCOUNTING PRONOUNCEMENTS

GASB Statement No. 45, Accounting and Financial Reporting by Employers for Post-Employment Benefits Other Than Pensions is effective for the College's fiscal year ending June 30, 2009. This new standard addresses how employers should account for and report costs and obligations for post-employment health care and other nonpension post-employment benefits promised to employees.

TB2004-2, Recognition of Pension and Other Postemployment Benefit [OPEB] Expenditures/ Expense and Liabilities by Cost-Sharing Employers. The Technical Bulletin clarifies the application of requirements regarding accounting for employers' contractually required contributions to cost-sharing pension and OPEB plans issued in Statement No. 27, Accounting for Pensions by State and Local Governmental Employers, and Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions, respectively and is effective for the College's fiscal year ending June 30, 2009.

12. NEW ACCOUNTING PRONOUNCEMENTS (CONTINUED)

GASB Statement No. 49, Accounting and Financial Reporting for Pollution Remediation Obligation, provides guidance on accounting for pollution remediation for the effects of existing pollution. Statement 49 is effective for the College's fiscal year ending June 30, 2009.

GASB Statement No. 51, Accounting and Financial Reporting for Intangible Assets, defines an intangible asset's required characteristics, and generally requires that they be treated as capital assets. Statement 51 is effective for the College's fiscal year ending June 30, 2010.

GASB Statement No. 52, Land and Other Real Estate Held as Investments by Endowments, was issued in November, 2007. This Statement establishes consistent standards for the reporting of land and other real estate held as investments. It requires endowments to report their land and other real estate investments at fair value. Statement 52 is effective for the College's fiscal year ending June 30, 2009. The College is currently evaluating the impact of adopting Statement No. 52.

GASB Statement No. 53, Accounting and Financial Reporting for Derivative Instruments, was issued in November, 2007. This Statement addresses recognition, measurement, and disclosure of information regarding derivative instruments entered into by state and local governments. Statement 53 is effective for the College's fiscal year ending June 30, 2010. The College is currently evaluating the impact of adopting Statement No. 53.

13. SIGNIFICANT COMMITMENTS

The College's current construction program has committed \$49,998,389 at year-end that has not yet been expended.

14. DISCRETELY PRESENTED COMPONENT UNIT

A. Nature of Activities

The College of DuPage Foundation (the Foundation) is a not-for-profit organization which was formed to promote the educational development and general educational welfare of the College of DuPage, Community College District Number 502 (College).

B. Summary of Significant Accounting Policies

Basis of Presentation

The Foundation maintains its accounts in accordance with the principles and practices of fund accounting established by the Financial Accounting Standards Board (FASB). Fund accounting is the procedure by which resources for various purposes are classified for accounting purposes in accordance with activities or objectives specified by donors.

14. DISCRETELY PRESENTED COMPONENT UNIT (CONTINUED)

B. Summary of Significant Accounting Policies (continued)

Basis of Presentation (continued)

These financial statements, which are presented on the accrual basis of accounting, have been prepared to focus on the Foundation as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of fund balances and transactions into three classes of net assets - permanently restricted, temporarily restricted, or unrestricted. Accordingly, net assets and changes therein are classified as follows:

<u>Permanently Restricted Net Assets</u> - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on related investments for general or specific purposes.

<u>Temporarily Restricted Net Assets</u> - Net assets subject to donor-imposed stipulations that will be met by actions of the Foundation and/or passage of time.

<u>Unrestricted Undesignated Net Assets</u> - Net assets not subject to donor-imposed restrictions.

<u>Unrestricted Designated Net Assets</u> - Net assets not subject to donor-imposed restrictions but subject to Foundation Board imposed stipulations.

Revenues are reported as increases in either unrestricted net assets classification unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted undesignated or unrestricted designated net assets as appropriate. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted undesignated or unrestricted designated net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

The Foundation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted undesignated or unrestricted designated net assets and reported in the statement of activities as net assets released from restrictions.

14. DISCRETELY PRESENTED COMPONENT UNIT (CONTINUED)

B. Summary of Significant Accounting Policies (continued)

Contributions

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Conditional promises to give are not recognized as revenue until the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their fair value. Contributions, from unconditional promises to give that are to be received after one year are discounted at an appropriate discount rate; based on the Federal Funds rate at the date the promise is made. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions if any, on the contributions. An allowance for uncollectible contributions is provided based upon management's judgment including such factors as prior collection history, type of contribution, and nature of fund-raising activity.

Prior Year Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended June 30, 2007, from which the summarized information was derived.

Income from Permanently Restricted Net Assets

Contributions, investment income, realized, and unrealized net gains on investments of permanently restricted net assets are reported as follows:

- As increases in permanently restricted net assets if the terms of the gift or the Foundation's Board's interpretation of relevant state law requires that they be added to the principal of permanently restricted net assets;
- As increases in temporarily restricted net assets if the terms of the gift impose restrictions on the use of the income;
- As increases in unrestricted net assets in all other cases.

Cash and Cash Equivalents

The Foundation considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

14. DISCRETELY PRESENTED COMPONENT UNIT (CONTINUED)

B. Summary of Significant Accounting Policies (continued)

Investments

Investment securities are reported in the statement of financial position at fair value based on quoted market prices.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and the differences could be material to these financial statements.

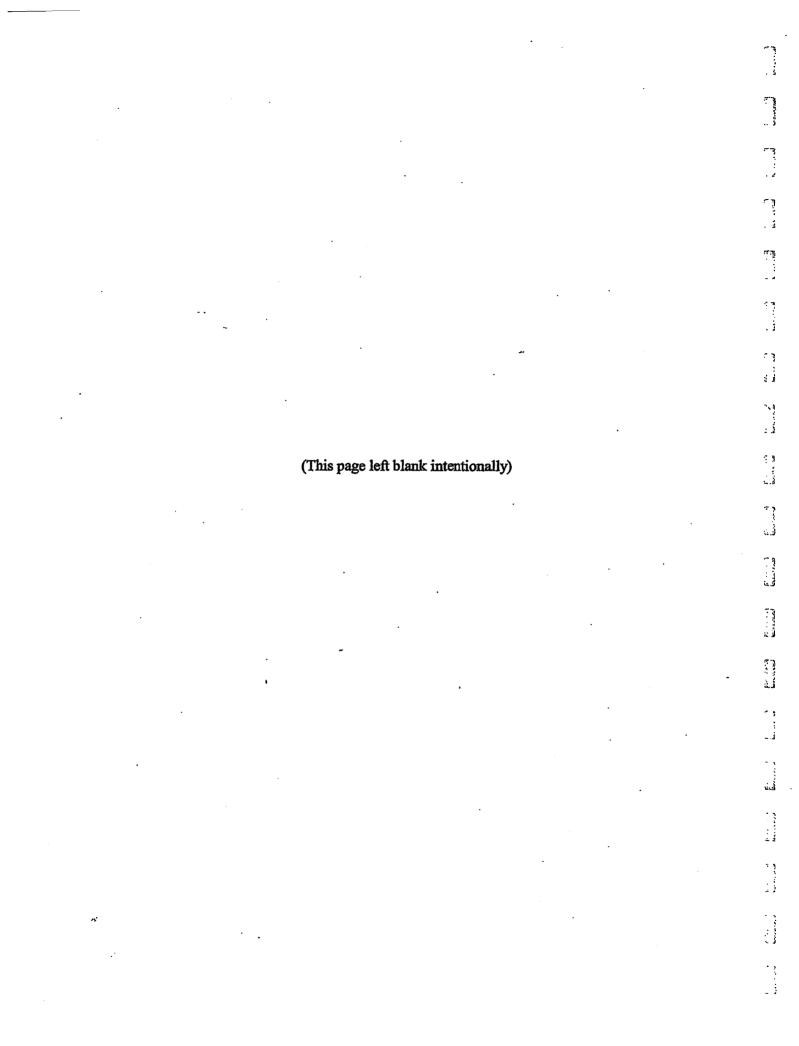

Reclassifications

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with presentation in the current year financial statements.

COLLEGE OF DuPAGE COMMUNITY COLLEGE DISTRICT NUMBER 502 STATISTICAL SECTION JUNE 30, 2008

This section of the College of DuPage's Comprehensive Annual Financial Report presents additional historical perspective, context, and detailed information to assist the reader in using the information in the financial statements, note disclosures, and required supplementary information to understand and assess the College's overall economic condition.

<u>Pa</u>	ge
Financial Trends Tabular information is presented to demonstrate changes in the College's financial position over time.	76
Revenue Capacity These tables contain information to assist the reader in understanding and assessing the College's ability to generate its most significant local revenue sources - real estate taxes and tuition and fees.	78
Debt Capacity Data are shown to disclose the College's current level of outstanding debt and to indicate the College's ability to issue additional debt.	83
Demographic and Economic Information These tables offer information about the socioeconomic environment within which the College operates. Data are provided to facilitate comparisons of financial statement information over time and between the College and other community colleges.	88
Operating Information Non-financial information about the College's operations and resources is provided in these tables to facilitate the reader's use of the College's financial statement information to understand and assess the College economic condition.	93

Sources: Unless otherwise noted, the information in these tables is derived from the College's Comprehensive Annual Financial Reports for the relevant years. The College implemented GASB Statements 34 and 35 in fiscal year 2003; the data contained in some tables may begin in that year if it is otherwise unavailable.

Notes: (1) The College implemented GASB Statement No. 34 for the year ended June 30, 2003.

⁽²⁾ Increase in operating expenses and state appropriations for fiscal year 2004 is due to a one-time increase in State Universities Retirement System on-behalf payments of \$55,515,196.

⁽³⁾ The College is subject to two property tax eags in Ulinois whereby the increase in the levy from year to year is limited to the lesser of \$% or the consumer price index for the state as determined by the Ulinois Department of Revenue, and individual rates are limited by maximum rates established by Illinois Compiled Statutes.

<u>Data Sources.</u> Offices of the County Clerks for DuPage, Cook, and Will Counties; DuPage County comprises approximately 90% of College of DuPage District 502.

Property in the the College's district is reassessed each, year. Property is assessed at 33% of actual value.

⁽¹⁾ For levy years 2003 and previous, amounts in the "Other Assessed Value" column are made up primarily of assessed values from Will County, as at that time Will County provided the College with information on assessed valuations broken out only by "farm value" and "non-farm value". In levy year 2006, this column includes assessed values from Cook County, as the breakdown by type of property is not yet available at the time the CAFR is prepared. This will be adjusted each year as the information becomes available.

⁽²⁾ The total direct tax rate increased from .1965 in 2001 to .2205 in 2001 to .2205 in 2002 due to (a) a voter-approved referendum to issue \$92,815,000 in General Obligation bands for facility improvements and (b) a direct tax levy to pay the debt service on those General Obligation bonds.

⁽³⁾ The total direct tax rate increased from .1897 to .1951 in 2007 due to (a) issuance of \$78,840,000 in General Obligation bonds for building and equipping new buildings and renovation of existing College facilities and (b) a direct tax levy to pay the debt service on those General Obligation bonds.

Data Sources:

College of DuPage property tax records DuPage County property tax data dated November 30, 2006.

Notes:

(1) The direct tax rates reported for the College are those of DuPage County, as it comprises approximately 90% of College of DuPage District 502.

(2) The total direct tax rate increased from .1965 in 2001 to .2205 in 2002 due to (a) a voter-approved referendum to issue \$92,815,000 in General Obligation bonds for facility improvements and (b) a direct tax levy to pay the debt service on those General Obligation bonds.

(3) The College is subject to two property tax ergs in Illinois whereby the increase in the levy from year to year is limited to the lesser of 5% or the consumer price index for the state as determined by the Illinois Department of Revenue, and individual rates are limited by maximum rates established by Illinois Compiled Statutes.

Data Sources:

College of DuPage property tax records

DuPage County property tax data dated November 30, 2007

Votes:

(1) The direct tax rates reported for the College are those of DuPage County, as it comprises approximately 90% of College of DuPage District 502.
(2) The total direct tax rate increased from 1.965 in 2001 to .2205 in 2002 due to (a) a voter-approved referendum to issue \$92,815,000 in General Obligation bonds for facility

improvements and (b) a direct tax levy to pay the debt service on those General Obligation bonds. (3) Taxes extended are shown net of the .5% allowance for uncollectible taxes.

(4) Due to differences in the computational methods followed by the three counties (DuPage, Cook, and Will), portions of each of which are within the District's boundaries, there

(5) Taxes are generally due on June 1st and September 1st of the calendar year subsequent to the levy year.
(6) The College is subject to two property tax caps in Illinois whereby the increase in the levy from year to year is limited to the lesser of 5% or the consumer price index for the state as may be slight differences between the final levy amounts extended by the counties and those used for financial statement purposes.

determined by the Illinois Department of Revenue, and individual rates are limited by maximum rates established by Illinois Compiled Statutes.

Data Sources:

DuPage County Computation of Direct and Overlapping Debt dated November 30, 2007 and College of DuPage records.

Note: Approximately 90% of College of DuPage District 502 lies in DuPage County

- (1) Data includes City of Chicago, a minor portion of which overlaps into DuPage County.
- (2) Debt percentage applicable to DuPage County is calculated by applying the ratio of assessed value of the specific district to that portion which is in DuPage County. Percentages have been rounded to the nearest hundredth.

STATE GRANT ACTIVITY AND SCHEDULE OF ENROLLMENT DATA JUNE 30, 2008

The following audit reports are required by the Illinois Community College Board:

Workforce Development (Business/Industry) Grant

Provides funding to be used to operate a Business Assistance Center or economic development office. Activities include assistance in commercial and industrial expansion and/or retention and employment training services for unemployed or underemployed adults to improve their job skills and assist them in seeking employment.

P-16 Initiative Grant

Funding is intended to allow community colleges to address the need to strengthen student preparation within the P-16 education spectrum by expanding their service to high school students desiring to take college-level classes prior to receiving their high school diploma to accelerate their college coursework.

State Adult Education and Family Literacy Restricted Funds Grants

State Basic – Grant awarded to Adult Education and Family Literacy providers to establish special classes for the instruction of persons age 21 and over or persons under the age of 21 and not otherwise in attendance in public school for the purpose of providing adults in the community, and other instruction as may be necessary to increase their qualifications for employment or other means of self-support and their ability to meet their responsibilities as citizens including courses of instruction regularly accepted for graduation from elementary or high school and for Americanization and General Education Development Review classes. Included in this grant are funds for support services, such as student transportation and child care facilities or provision.

Public Assistance – Grant awarded to Adult Education and Family Literacy providers to pay for instruction, fees, books, and materials incurred in the program for the students identified as recipients of public assistance. Priority for services must be given to educationally disadvantaged students with basic literacy skills from beginning literacy through low intermediate ABE/ESL and to recipients of Temporary Assistance for Needy Families (TANF). Persons eligible for services on a priority basis are employed and unemployed TANF clients and persons who have been cancelled from TANF and receive extended medical assistance. Other eligible persons are those who receive TANF Medical Assistance No Grant (MANG)/Kidcare Assist, nonassistance food stamps, and noncustodial parents who are referred by the Department of Human Services or by the court system.

Performance – Grant awarded to Adult Education and Family Literacy providers based on performance outcomes.

STATE GRANT ACTIVITY AND SCHEDULE OF ENROLLMENT DATA JUNE 30, 2008

Career and Technical Education - Program Improvement Grant

The grant recognizes that keeping career and technical programs current and reflective of the highest quality practices in the workplace is necessary to prepare students to be successful in their chosen careers and to provide employers with the well-trained workforce they require. The grant funds are dedicated to enhancing instruction and academic support activities to strengthen and improve career and technical programs and services.

Tech Prep Support Grant

13

The purpose of this grant is to fund innovative activities initiated by Illinois community colleges in support of the overall goals and objectives of the federal Tech Prep grant. Grant funded activities should be planned and carried out in coordination with the local Tech Prep consortium and must seek to 1) develop and/or expand community college involvement in activities from the local Tech Prep consortium's approved FY 2008 plans, and/or 2) support local efforts to develop innovative CTE programs of study.

Schedule of Enrollment Data and Other Bases Upon Which Claims Are Filed

Credit hour grants are to be received for courses for each semester credit hour or equivalent for students who were certified as being in attendance at midterm during each semester of the fiscal year. There are no special restrictions on the use of these funds. The Schedule of Enrollment Data and Other Bases Upon Which Claims Are Filed provides the information on which such grants are based.

Independent Auditors' Report

To the Board of Trustees College of DuPage Community College District 502 Glen Ellyn, Illinois

We have audited the accompanying balance sheets of the College of DuPage, Community College District 502 (the College) Workforce Development, P-16 Initiative, State Adult Education (State Basic, Public Assistance, and Performance), Career and Technical Education – Program Improvement and Tech Prep Support Grants (Grant Programs) as of June 30, 2008, and the related statements of revenues, expenditures, and changes in fund balances for the year then ended. These financial statements are the responsibility of the College's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

The financial statements presented are only for the Grant Programs and do not purport to, and do not, present fairly the financial position or results of operations of the College.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the College's Workforce Development, P-16 Initiative, State Adult Education (State Basic, Public Assistance, and Performance), Career and Technical Education - Program Improvement and Tech Prep Support Grants as of June 30, 2008, and the revenues, expenditures, and changes in fund balances for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated September 26, 2008 on our consideration of the College's internal control over financial reporting of the Grant Programs and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was made for the purpose of forming opinions on the financial statements taken as a whole for each of the Grant Programs referred to in the first paragraph. The supplementary information included on pages 116 and 123, designated in the special reports section of the table of contents are presented for purposes of additional analysis and is not a required part of the financial statements of the Workforce Development and State Adult Education and Family Literacy Grant Programs, respectively. Such information has been subjected to the auditing procedures applied in the audits of the financial statements and, in our opinion, is fairly stated in all material respects, in relation to the financial statements of the Workforce Development and the State Adult Education and Family Literacy Grant Programs taken as a whole.

This report is intended solely for the information and use of the board of trustees, management, and the Illinois Community College Board and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Grant Program Financial Statements Performed in Accordance With Government Auditing Standards

To the Board of Trustees College of DuPage Community College District 502 Glen Ellyn, Illinois

We have audited the accompanying financial statements of the College of DuPage, Community College District 502 (the College) Workforce Development, P-16 Initiative, State Adult Education (State Basic, Public Assistance, and Performance), Career and Technical Education – Program Improvement and Tech Prep Support Grants (Grant Programs) as of and for the year ended June 30, 2008 and have issued our report thereon dated September 26, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and the guidelines of the Illinois Community College Board Fiscal Management Manual.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the College's internal control over financial reporting of the Grant Programs as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the College's internal control over financial reporting of the Grant Programs.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the College's ability to initiate, authorize, record, process or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the College's Grant Program financial statements that is more than inconsequential will not be prevented or detected by the College's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the College's internal control.

Our consideration of internal control over financial reporting of the Grant Programs was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting of the Grant Programs that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether these financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion.

This report is intended solely for the information and use of the board of trustees, management, and the Illinois Community College Board and is not intended to be and should not be used by anyone other than these specified parties.

WORKFORCE DEVELOPMENT (BUSINESS/INDUSTRY) GRANT NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the College of DuPage Workforce Development (Business/Industry) Grant conform to accounting principles generally accepted in the United States of America (GAAP) as applicable to governments. The following is a summary of the significant policies.

A. Basis of Accounting

The Workforce Development (Business/Industry) Grant was awarded by the Illinois Community College Board (ICCB) to College of DuPage for the year ended June 30, 2008. The expenditures of these funds are accounted for in the Restricted Purposes Fund on a modified accrual basis and in accordance with the Fiscal Management Manual of the ICCB. Accordingly, expenditures are recognized when liabilities are incurred and grant revenues are recognized only to the extent of allowable expenditures. Unexpended funds that are obligated prior to June 30 for which the goods are received or the services are provided after June 30 but prior to August 31 are recorded as deferred revenue. Unexpended funds, if any, are reflected as a liability due to the ICCB by October 15. The financial statements presented are only for the Workforce Development (Business/Industry) Grant of the College of DuPage, and are not intended to present the financial position or changes in financial position of the College of DuPage.

B. Capital Assets

Capital asset purchases, if any, are recorded as capital outlays of the Program from which the expenditures are made.

2. BACKGROUND INFORMATION ON GRANT ACTIVITY

The Workforce Development (Business/Industry) Grant provides funding to be used to operate a Business Assistance Center or economic development office. Activities include assistance in commercial and industrial expansion and/or retention and employment training services for unemployed or underemployed adults to improve their job skills and assist them in seeking employment.

P-16 INITIATIVE GRANT NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the College of DuPage P-16 Initiative Grant conform to accounting principles generally accepted in the United States of America (GAAP) as applicable to governments. The following is a summary of the significant policies.

A. Basis of Accounting

The P-16 Initiative Grant was awarded by the Illinois Community College Board (ICCB) to College of DuPage for the period July 1, 2007 to June 30, 2008. The expenditures of these funds are accounted for in the Restricted Purposes Fund on a modified accrual basis and in accordance with the <u>Fiscal Management Manual</u> of the ICCB. Accordingly, expenditures are recognized when liabilities are incurred and grant revenues are recognized only to the extent of allowable expenditures. Unexpended funds, if any, in excess of \$100, are reflected as a liability due to the ICCB at June 30th. Unexpended funds totaling \$100 or more shall be returned to the ICCB by October 15 following the end of the fiscal year. Unexpended funds totaling less than \$100 need not be returned to the ICCB provided the funds are spent in the next fiscal year and for the restricted grant purpose. The financial statements presented are only for the P-16 Initiative Grant of the College of DuPage, and are not intended to present the financial position or changes in financial position of the College of DuPage.

2. BACKGROUND INFORMATION ON GRANT ACTIVITY

The P-16 Initiative Grant provides funds to allow community colleges to address the need to strengthen student preparation within the P-16 education spectrum in two ways:

A. Tuition and Fees for Dual Credit/Dual Enrollment - The College may use these funds for full or partial coverage of the high school student's tuition and universal fees for courses generating ICCB reimbursable credit hours during a semester in the current fiscal year. The student must be enrolled as of the midterm to receive the funding. Funds are to be used primarily to support in-district high school students. In instances where students from outside the college district are being served, a written agreement must be in place between the community college providing the instruction and the student's home community college.

3. RETURN OF GRANT FUNDS

In the prior year, the College did not use the entire grant award. Therefore, the College returned unused grant funds of \$385 to ICCB on January 24, 2008, which is past the deadline of October 15 noted in the grant agreement.

STATE ADULT EDUCATION AND FAMILY LITERACY RESTRICTED FUNDS GRANTS (State Basic, Public Assistance, and Performance) NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the College of DuPage State Adult Education and Family Literacy Funds - including State Basic, Public Aid, and Performance Grants, conform to accounting principles generally accepted in the United States of America (GAAP) as applicable to governments. The following is a summary of the significant policies.

A. Basis of Accounting

The State Adult Education and Family Literacy Restricted Funds, including State Basic, Public Assistance, and Performance Grants, were awarded by the Illinois Community College Board (ICCB) to College of DuPage for the year ended June 30, 2008. The expenditures of these funds are accounted for in the Restricted Purposes Fund on a modified accrual basis and in accordance with the Adult Education and Family Literacy Audit Requirements of the ICCB. Accordingly, expenditures are recognized when liabilities are incurred and grant revenues are recognized only to the extent of allowable expenditures. Unexpended funds that are obligated prior to June 30 for which the goods are received or the services are provided after June 30 but prior to July 31 are recorded as deferred revenue. Unexpended funds, if any, are reflected as a liability due to the ICCB by October 15. The financial statements presented are only for the State Adult Education and Family Literacy Restricted Funds, including State Basic, Public Aid, and Performance Grants of the College of DuPage, and are not intended to present the financial position or results of operations of the College of DuPage.

B. Capital Assets

Capital asset purchases, if any, are recorded as capital outlays of the Program from which the expenditures are made.

2. BACKGROUND INFORMATION ON GRANT ACTIVITY

The State Adult Education and Family Literacy Restricted Funds Grant provides funding to assist adults to become literate and obtain the knowledge and skills necessary for employment and self-sufficiency, to assist adults who are parents to obtain the educational skills necessary to become full partners in the educational development of their children, and to assist adults in the completion of a secondary school education.

Independent Accountants' Report

To the Board of Trustees College of DuPage Community College District 502 Glen Ellyn, Illinois

We have examined the accompanying Schedule of Enrollment Data and Other Bases Upon Which Claims Were Filed, of the College of DuPage, Community College District 502 for the year ended June 30, 2008. The Schedule of Enrollment Data and Other Bases Upon Which Claims Were Filed is the responsibility of the College's management. Our responsibility is to express an opinion on the schedule based upon our examination.

Our examination was conducted in accordance with attestations standards established by the American Institute of Certified Public Accountants, in accordance with the guidelines of the Illinois Community College Board's Fiscal Management Manual and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and accordingly, included examining, on a test basis, evidence supporting the Schedule of Enrollment Data and Other Bases Upon Which Claims Were Filed and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the accompanying Schedule of Enrollment Data and Other Bases Upon Which Claims Were Filed, in all material respects, is fairly presented in accordance with the provisions of the aforementioned guidelines.

The supplementary information on 133-134 has not been subjected to the examination procedures applied in the examination of the Schedule of Enrollment Data and Other Bases Upon Which Claims Were Filed, and accordingly, we express no opinion on them.

In accordance with Government Auditing Standards, we have also issued a report dated September 26, 2008 on our consideration of the College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our examination.

This report is intended solely for the information and use of the board of trustees, management, and the Illinois Community College Board and is not intended to be and should not be used by anyone other than these specified parties.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees College of DuPage Community College District 502 Glen Ellyn, Illinois

We have audited the basic financial statements of the College of DuPage – Community College District 502 (the College) as of and for the year ended June 30, 2008 and have issued our report thereon dated September 26, 2008. Our report was modified to include a reference to other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the College's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the basic financial statements, but not for the purpose of expressing our opinion on the effectiveness of the College's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the College's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. We consider the deficiency described in the accompanying schedule of findings and questioned costs as 08-01 to be a significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. However, the significant deficiency described above, we consider to be material weakness. We also noted certain matters that we reported to management of the College in a separate letter dated September 26, 2008.

The College's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit the College's response and, accordingly, we express no opinion on it.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the College's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements of which noncompliance with could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information and use of the Board of Trustees, management of the College, and the federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Trustees College of DuPage Community College District 502 Glen Ellyn, Illinois

We have audited the compliance of the College of DuPage – Community College District 502 (the College) with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2008. The College's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of College's management. Our responsibility is to express an opinion on the College's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the College's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the College's compliance with those requirements.

In our opinion, the College complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2008.

Internal Control Over Compliance

The management of the College is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the College's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the College's internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 08-02 to be a significant deficiency.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control. We did not consider the deficiency described in the accompanying schedule of findings and questioned costs to be a material weakness.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the entity's internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

The College's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit the College's response and, accordingly, we express no opinion on it.

Schedule of Expenditures of Federal Awards

We have audited the basic financial statements of the College as of and for the year ended June 30, 2008, and have issued our report thereon dated September 26, 2008. Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended for the information and use of the Board of Trustees, management of the College, and the federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

COLLEGE OF DuPAGE COMMUNITY COLLEGE DISTRICT NUMBER 502

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2008

1. SIGNIFICANT ACCOUNTING POLICIES

The accompanying schedule of expenditures of federal awards has been prepared in accordance with accounting principles generally accepted in the United States of America as promulgated by the Governmental Accounting Standards Board (GASB). It is summary of the activity of College of DuPage's federal awards program prepared on the accrual basis of accounting. Accordingly, expenditures are recognized when the liability has been incurred and revenues are recognized when the qualifying expenditure has been incurred.

2. FEDERAL LOAN PROGRAM

For the year ended June 30, 2008, the College by acted as a pass-through agency for Federal Stafford Loans (subsidized and unsubsidized) to students in the amount of \$10,556,391.

Section II - Financial Statement Findings

Finding 08-01 Financial Reporting Controls

During the past fiscal year a number of new auditing standards became effective. The new standards do not allow for the auditor to rely on inquiry alone for the documentation of controls. This has caused a significant increase in the number of areas that the College could be documenting sign-offs to signify a review was completed. Based on the testing performed we identified the following areas the College can improve on documenting that a review was completed:

- Wire Transfers
- Depreciation on Capital Assets
- Tuition Receivable
- Debt Payments
- Cash Reconciliations for the Illinois Funds Account
- Investment Statements

Based on our control testing we found that the following areas had financial allocations that were being reviewed, but were not done in a timely manner during the year:

- Property Taxes
- Interest Income

In addition, the following items were noted:

• Not all manual journal entries were formally approved. 8 out of 33 journal entries were not formally approved.

During our testing of accounts, we identified areas that required journal entries including the arbitrage liability, interest receivable, loans made to students, deferred revenue, bond premium, accounts receivable, interest expense and tuition revenue accounts.

Recommendation

We recommend the following for the above items:

- That all reviews be clearly documented and completed in a timely manner.
- For journal entries, that the College implement procedures requiring all manual journal
 entries be reviewed and formally approved by appropriate personnel. The use of a journal
 entry form could be used for all manual transactions to document the initials of the
 preparer, the initials of the employee posting, and the initials of the employee approving.
- All accounts should be reviewed for proper year-end balances.

Corrective Action Plan

The College agrees with the recommendations and will develop procedures to address the issues identified.

Section III - Federal Award Findings

Finding 08-02 Reviews of Cash Management and Reporting

Federal Department:

Department of Labor

CFDA Number(s):

17.269

Program Name(s):

Community Based Job Training

Questioned Costs:

5 (

In obtaining an understanding of controls over the Department of Labor Grant, Community Based Job Training, (DOL) the following items were noted:

- The Grant Accountant was responsible for tracking the grant expenditures and the grant revenues. No other formal independent review was performed. For example, there was no independent review of the cash drawdown requests. Not having an independent review of receipts and disbursements increases risk of noncompliance with grant requirements.
- Quarterly financial reports were required to be filed with the U.S. Department of Labor.
 According to the grant agreement, one individual is required to enter the information and a separate individual is required to submit and approve the information. At the College, the Grant Accountant prepared and submitted the reports with no independent review.

Although the above control issues were identified, based on our samples, no compliance problems were noted in our testing.

Recommendation

We recommend that the College implement additional procedures requiring an independent review of revenues, expenses and quarterly reports.

Corrective Action Plan

The College agrees with the recommendation and will develop procedures to address the issues identified.

Section IV - Prior Year Findings and Questioned Costs

Finding 07-01 Capital Assets

While auditing capital assets of the College, we noted that the College did not capitalize one large purchase of capital assets that met the College's capitalization policy that was purchased in spring of 2007. We proposed a journal entry to record these and the general ledger was adjusted to record the capital assets. However, the College chose not to rerun depreciation expense for this one capital asset in the current year, due to the limitations in the capital asset system.

In addition, the capital asset system is not interfacing properly with the general ledger, most notably for equipment less than \$2,500 that is tracked in the system but not capitalized or depreciated for reporting purposes. When these are removed from the system, the system generates a loss on disposal that needs to be manually adjusted by the College, which was not done. We proposed an adjustment to correct this. Also, we noted that a loss on disposal of library books of approximately \$130,000 was inappropriately recorded as depreciation expense. We proposed a journal entry to correct the reporting of the loss on disposal.

We recommend that the College review its procedures for capitalizing capital assets and document the manual adjustments and other year end processes necessary to correctly record the capital asset activity of the College.

Corrective Action Plan

The error was caused by an incorrect commodity code being entered into the system due to a misunderstanding as to what part of the purchase order was for hardware and what was for services.

The College will attempt to improve procedures that will ensure a clear description of the purchases on the requisition.

2008 Update

The Purchasing Department had a new report designed from the Advantage System. This report (AD0661) will detail purchase orders with fixed asset object codes with a non fixed assets commodity code. The Purchasing Department can then review these exceptions for items that should be considered capital.

An annual journal entry is also made to reduce the machinery and equipment total for the total of items less than \$2,500-the threshold for fixed assets machinery and equipment items.

A journal entry is made at fiscal year end to record fixed assets donated during the year.

Section IV -Prior Year Findings and Questioned Costs (continued)

Finding 07-01 Capital Assets (continued)

2008 Update (continued)

Journal entries are made at fiscal year end to reclassify the Fixed Asset Equity Accounts.

The College has documented the manual adjustments and other year end processes necessary to correctly record the capital asset activity of the College.

Journal entries were prepared and posted to the general ledger system in the first quarter of the fiscal year and at fiscal year end to reverse the loss on disposal of capital assets for those disposed items with a value less than \$2,500.

Finding 07-02 Review and Analysis of General Ledger Balances

During our preliminary analytical review of the College's trial balances that were sent to us for audit, we noted that, due to turn over in key positions in the finance department, the College did not review certain financial reporting cycles and their related trial balance accounts at year end for accuracy/reasonableness. The College should review and consider strengthening its control procedures for reviewing the year end trial balances to insure the accuracy and integrity of the trial balances in accordance with generally accepted accounting principles. This is especially imperative to perform in periods with significant staff turn over in key positions in the finance department.

Corrective Action Plan

We agree with the auditor's recommendation. Due to two retirements, an illness, a job transfer and a job elimination the finance office was undergoing major personnel changes the last six months of the fiscal year. The new personnel reviewed year end information for both accuracy and integrity. In examples where uncertainty occurred we sought assistance from our auditors and recorded everything accurately prior to finalization of our financial statements. This should not be an issue for next year as individuals in the finance office would have a year experience.

2008 Update

During FY08, the finance department again experienced staff turnover due to retirements and internal job transfers or promotions. However, due to improvements in both documentation of procedures and in ensuring employees in new positions could be mentored by a predecessor, trial balances were reviewed at fiscal year end to ensure the accuracy and integrity of the trial balances in accordance with generally accepted accounting principles.

Section IV -Prior Year Findings and Questioned Costs (continued)

Finding 07-03 Title IV Recalculations

During our testing of the calculation of Title IV Refund returns it was discovered that there were eighteen incorrect calculations of the Title IV returns out of a sample of thirty-five. Upon discussion with the financial aid department and further audit testing it was determined that the incorrect calculations were isolated to the Fall 2006 term and were caused by an incorrect length of the Fall term being input into the Title IV Return System. Further investigation concluded that incorrect calculations were performed for a total of 154 students. We recommend that the financial aid department manually recalculate a sample of Title IV returns each school term to verify that there are no errors in inputting the parameters of the term.

Corrective Action Plan

The College calendar for the Fall 2006 semester was the first time that the Thanksgiving break included the Wednesday before as a non-academic day. This resulted in the need to insert a break of 5 days into the R2T4 software. The entry of this break period was inaccurate resulting in the incorrect length of the term. As a result, a procedural change has been made to require a review, by multiple staff, of the calendar to ensure the proper entry of break periods prior to the use of the R2T4 calculation software in order to ensure its accuracy.

2008 Update

Appropriate breaks were recorded in the Department of Education R2T4 software to insure accurate calculations. Multiple staff reviewed the calendar to ensure the proper entry of break periods.

Finding 07-04 Timely Notification of Title IV Amounts Due

In the calculation of Title IV returns it is sometimes necessary for both the College and the student to return funds back to the Department of Education. Once the calculation is made by the financial aid department the College is required to notify the student within thirty days of the amount the student owes to the Department of Education. Out of a sample of thirty students six were found where notification was not done within the required 30 days. We recommend that the financial aid department incorporate a control procedure where each Title IV Return calculation includes a letter to the student within the time required time frame that either no balance is due from the student or a balance is due from the student as a result of the Title IV return calculation.

Section IV -Prior Year Findings and Questioned Costs (continued)

Finding 07-04 Timely Notification of Title IV Amounts Due (continued)

Corrective Action Plan

With notification dependent upon the date that the institution becomes aware of the withdrawal, procedures have been modified to perform the review of withdrawals on a schedule that ensures timely notification to students within the required 30 days. This procedure was followed throughout the Spring 2007 semester and no other instances of untimely notification were identified. Appropriate notification will be provided to all impacted students.

2008 Update

The review of withdrawal schedule was followed to ensure timely notification to all impacted students within the required 30 days.

Appendix B

Forms of Legal Opinion

May 4, 2009

Community College District No. 502, Counties of DuPage, Cook and Will and State of Illinois

Re:

Community College District No. 502,

Counties of DuPage, Cook and Will and State of Illinois

General Obligation Bonds (Alternate Revenue Source), Series 2009A

Total Issue: \$12,550,000 Original Date: May 4, 2009

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by Community College District No. 502, Counties of DuPage, Cook and Will and State of Illinois ("District") of \$12,550,000 of its General Obligation Bonds (Alternate Revenue Source), Series 2009A, dated May 4, 2009 ("Bonds"). We have examined the law and the certified transcript of proceedings of the District relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render this opinion. We have relied upon the certified transcript of proceedings and other certificates of public officials, including the District's tax covenants and representations ("Tax Representations"), and we have not undertaken to verify any facts by independent investigation.

Based upon our examination, we are of the opinion, as of the date hereof, as follows:

- 1. The Bonds are valid and binding general obligations of the District.
- 2. The Bonds are payable as to principal and interest from (i) tuition receipts of the District and such other funds of the District lawfully available and annually appropriated for such purpose, and (ii) ad valorem taxes levied against all taxable property in the District, without limitation as to rate or amount.
- 3. Under federal statutes, decisions, regulations and rulings existing on this date, interest on the Bonds is excludable from gross income for purposes of federal income taxation pursuant to Section 103 of the Internal Revenue Code of 1986 ("Code"). This opinion relates only to the exclusion from gross income of interest on the Bonds for federal income tax purposes under Section 103 of the Code and is conditioned on continuing compliance with the Tax Representations. Failure to comply with the Tax Representations could cause interest on the

Community College District No. 502, Counties of DuPage, Cook and Will and State of Illinois May 4, 2009 Page 2

Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to their date of issue.

The opinion set forth herein express the professional judgment of the attorneys participating in the transaction as to the legal issues addressed herein. By rendering such opinion, the undersigned does not become an insurer or guarantor of that expression of professional judgment or of the transaction opined upon. Nor does the rendering that of opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

We have not been engaged nor have we undertaken to review the accuracy, completeness or sufficiency of any offering material relating to the Bonds and we express no opinion thereon.

It is to be understood that the rights of the owners of the Bonds and the enforceability thereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity; and (ii) the valid exercise of the constitutional powers of the State of Illinois and the United States of America.

Very truly yours,

May 4, 2009

Community College District No. 502, Counties of DuPage, Cook and Will and State of Illinois

Re: Community College District No. 502,

Counties of DuPage, Cook and Will and State of Illinois

General Obligation Taxable Bonds (Alternate Revenue Source), Series 2009B

Total Issue: \$62,450,000 Original Date: May 4, 2009

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by Community College District No. 502, Counties of DuPage, Cook and Will and State of Illinois ("District") of \$62,450,000 of its General Obligation Taxable Bonds (Alternate Revenue Source), Series 2009B, dated May 4, 2009 ("Bonds"). We have examined the law and the certified transcript of proceedings of the District relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render this opinion. We have relied upon the certified transcript of proceedings and other certificates of public officials, including the District's tax covenants and representations ("Tax Representations"), and we have not undertaken to verify any facts by independent investigation.

Based upon our examination, we are of the opinion, as of the date hereof, as follows:

- 1. The Bonds are valid and binding general obligations of the District.
- 2. The Bonds are payable as to principal and interest from (i) tuition receipts of the District and such other funds of the District lawfully available and annually appropriated for such purpose, and (ii) ad valorem taxes levied against all taxable property in the District, without limitation as to rate or amount.
- 3. Interest on the Bonds is not excludable from gross income for federal income tax purposes.

The opinion set forth herein express the professional judgment of the attorneys participating in the transaction as to the legal issues addressed herein. By rendering such opinion, the undersigned does not become an insurer or guaranter of that expression of

professional judgment or of the transaction opined upon. Nor does the rendering that of opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

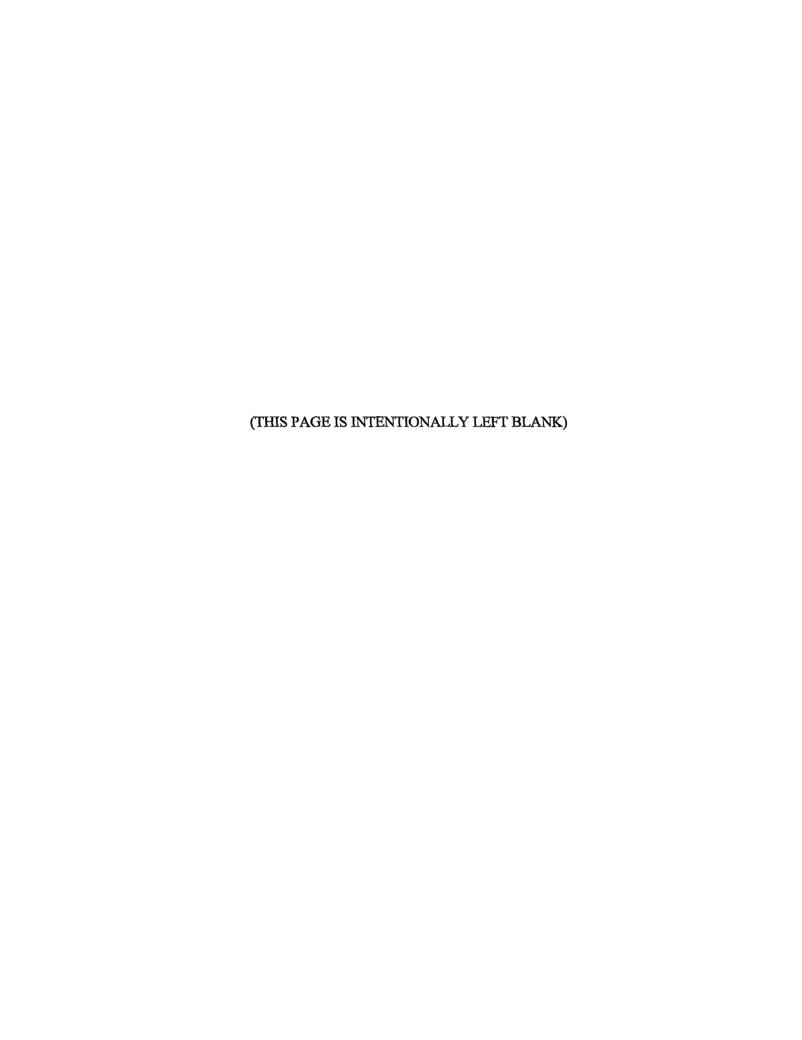

We have not been engaged nor have we undertaken to review the accuracy, completeness or sufficiency of any offering material relating to the Bonds and we express no opinion thereon.

It is to be understood that the rights of the owners of the Bonds and the enforceability thereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity; and (ii) the valid exercise of the constitutional powers of the State of Illinois and the United States of America.

Very truly yours,

Appendix C

Form of Continuing Disclosure Undertaking

CONTINUING DISCLOSURE UNDERTAKING FOR THE PURPOSE OF PROVIDING CONTINUING DISCLOSURE INFORMATION UNDER SECTION (B)(5) OF RULE 15C2-12

This Continuing Disclosure Undertaking (the "Agreement") is executed and delivered by Community College District No. 502, Counties of DuPage, Cook and Will and State of Illinois (the "District") in connection with the issuance of its \$12,550,000 General Obligation Bonds (Alternate Revenue Source), Series 2009A and its \$62,450,000 General Obligation Taxable Bonds (Alternate Revenue Source), Series 2009B (the "Bonds"). The Bonds are being issued pursuant to an authorizing resolution adopted by the Board of Trustees of the District (the "Board") on April 16, 2009 and a Bond Order dated April 22, 2009 (together, the "Resolution").

In consideration of the issuance of the Bonds by the District and the purchase of such Bonds by the beneficial owners thereof, the District covenants and agrees as follows:

- 1. Purpose of This Agreement. This Agreement is executed and delivered by the District as of the date set forth below, for the benefit of the Beneficial Owners (as that term is defined in the Final Official Statement, defined below) and to assist the Underwriter in complying with the requirements of the Rule (as defined below). The District represents that it will be the only obligated person with respect to the Bonds at the time the Bonds are delivered to the Underwriter and that no other person is expected to become so committed at any time after issuance of the Bonds.
- 2. <u>Definitions</u>. The terms set forth below shall have the following meanings in this Agreement, unless the context otherwise requires.
- "Annual Financial Information" means the financial information and operating data described in Exhibit I.
- "Annual Financial Information Disclosure" means the dissemination of disclosure concerning Annual Financial Information and the dissemination of the Audited Financial Statements as set forth in Section 4.
- "Audited Financial Statements" means the audited general purpose financial statements of the District prepared pursuant to the standards and as described in Exhibit I.
 - "Event" means the occurrence of any of the events set forth in Exhibit II.
- "Material Event" means the occurrence of an Event that is material, as materiality is interpreted under the 1934 Act.
- "Material Events Disclosure" means dissemination of a notice of a Material Event as set forth in Section 5.
 - "MSRB" means the Municipal Securities Rulemaking Board.
 - "1934 Act" means the Securities Exchange Act of 1934, as amended.

"NRMSIRs" means, as of any date, all Nationally Recognized Municipal Securities Information Repositories then recognized by the SEC for purposes of the Rule. As of the date of this Agreement, the NRMSIRs are:

"Participating Underwriter" means each broker, dealer or municipal securities dealer acting as an underwriter in the primary offering of the Bonds.

"Rule" means Rule 15c2-12 adopted by the SEC under the 1934 Act, as the same may be amended from time to time.

"SEC" means the Securities and Exchange Commission.

"SID" means any public or private repository designated by the State as the state repository and recognized as such by the SEC for purposes of the Rule. As of the date of this Agreement there is no SID.

Fed Ex:

Bloomberg Business Park 100 Business Park Drive Stillman, NJ 08558 "State" means the State of Illinois.

"Undertaking" means the obligations of the District pursuant to Sections 4 and 5.

- 3. <u>CUSIP Number/Final Official Statement</u>. The CUSIP Numbers of the Bonds are as set forth on Exhibit III. The Final Official Statement relating to the Bonds is dated April 22, 2009 (the "Final Official Statement").
- 4. Annual Financial Information Disclosure. Subject to Section 9 of this Agreement, the District hereby covenants that it will disseminate its Annual Financial Information and its Audited Financial Statements (in the form and by the dates set froth in Exhibit I) to each NRMSIR and to the SID, if any. The District is required to deliver such information in such manner and by such time so that such entities receive the information by the dates specified. To the extent that Annual Financial Information is included in the District's Audited Financial Statements, it need not be separately delivered. Notwithstanding the foregoing, any filing under this Agreement, including any filing required by Section 5 of this Agreement, may be made solely by transmitting such filing to the Texas Municipal Advisory Council (the "MAC") as provided at http://www.disclosureusa.org unless the United States Securities and Exchange Commission has withdrawn the interpretive advice in its letter to the MAC dated September 7, 2004.

If any part of the Annual Financial Information can no longer be generated because the operations to which it is related have been materially changed or discontinued, the District shall disseminate a statement to such effect as part of its Annual Financial Information for the year in which such event first occurs.

If any amendment is made to this Agreement, the Annual Financial Information for the year in which such amendment is made shall contain a narrative description of the reasons for such amendment and its impact on the type of information being provided.

- 5. Events Notification: Material Events Disclosure. Subject to Section 9 of this Agreement, the District hereby covenants that it will disseminate in a timely manner a Material Event Disclosure to each NRMSIR or to the MSRB, and to the SID, if any, upon the occurrence of a Material Event. Notwithstanding the foregoing, notice of optional unscheduled redemption of any Bonds or defeasance of any Bonds need not be given under this Agreement any earlier than the notice (if any) of such redemption or defeasance is given to the Bondholders pursuant to the Resolution.
- 6. <u>Duty to Update NRMSIRs/SID</u>. The District shall determine, in the manner it deems appropriate, the names and address of the then-existing NRMSIRS and SID each time it is required to file information with such entities.
- 7. <u>Consequences of Failure of the District to Provide Information</u>. The District shall give notice in a timely manner to each NRMSIR or to the MSRB, and to the SID, if any, of any failure to provide Annual Financial Information Disclosure when the same is due hereunder.

In the event of a failure of the District to comply with any provision of this Agreement, any Beneficial Owner may seek mandamus or specific performance by court order to cause the District to comply with its obligations under this Agreement. A default under this Agreement

shall not be deemed a default under the Resolution, and the sole remedy under this Agreement in the event of any failure of the District to comply with this Agreement shall be an action to compel performance.

- 8. <u>Amendments: Waiver</u>. Notwithstanding any other provision of this Agreement, the Chief Financial Officer of the District, pursuant to authorization granted in the Resolution, may amend this Agreement, and any provision of this Agreement may be waived, if:
 - (a) the amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the District or type of business conducted;
 - (b) this Agreement, as amended, or the provision, as waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
 - (c) the amendment or waiver does not materially impair the interests of the Beneficial Owners, as determined by a party unaffiliated with the District (such as bond counsel) at the time of the amendment.
- 9. <u>Termination of Undertaking</u>. The Undertaking of the District shall be terminated hereunder if the District shall no longer have any legal liability for any obligation on or relating to repayment of the Bonds under the Resolution. If this Section is applicable, the District shall give notice in a timely manner to each NRMSIR or to the MSRB, and to the SID, if any.
- 10. <u>Dissemination Agent</u>. The District may, from time to time, appoint or engage a dissemination agent to assist it in carrying out its obligations under this Agreement, and may discharge any such agent, with or without appointing a successor dissemination agent.
- 11. Additional Information. Nothing in this Agreement shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual Financial Information Disclosure or Material Event Disclosure, in addition to that which is required by this Agreement. If the District chooses to include any other information in any Annual Financial Information Disclosure or Material Event Disclosure in addition to that which is specifically required by this Agreement, the District shall have no obligation under this Agreement to update such other information or include it in any future Annual Financial Information Disclosure or Material Event Disclosure.
- 12. <u>Beneficiaries</u>. This Agreement has been executed to assist the Underwriter in complying with the Rule; however, this Agreement shall insure solely to the benefit of the District and the Beneficial Owners, and shall create no rights in any other person or entity.
- 13. <u>Assignment</u>. The District shall not transfer its obligations under the Resolution unless the transferee agrees to assume all obligations of the District under this Agreement or to execute an Undertaking under the Rule.

14. Governing Law. This Agreement shall be governed by the laws of the State.

COMMUNITY COLLEGE DISTRICT NO. 502, COUNTIES OF DUPAGE, COOK AND WILL AND STATE OF ILLINOIS

By:	
Its: Chairman	
Address:	

425 Fawell Boulevard Glen Ellyn, IL 60137

Date: April 22, 2009

EXHIBIT I ANNUAL FINANCIAL INFORMATION AND TIMING AND AUDITED FINANCIAL STATEMENTS

All or a portion of the Annual Financial Information and the Audited Financial Statements as set forth below may be included by reference to other documents which have been submitted to each NRMSIR and to the SID, if any, or filed with the Commission. If the information included by reference is contained in a Final Official Statement, the Final Official Statement must be available from the MSRB; the Final Official Statement need not be available from each NRMSIR, the SID or the Commission. The District shall clearly identify each such item of information included by reference.

Annual Financial Information exclusive of Audited Financial Statements will be provided to each NRMSIR and to the SID, if any, by 210 days after the last day of the District's fiscal year. Audited Financial Statements as described below should be filed at the same time as the Annual Financial Information. If Audited Financial Statements are not available when the Annual Financial Information is filed, unaudited financial statements shall be included.

Audited Financial Statements will be prepared in accordance with the accounting principles described in the Official Statement. Audited Financial Statements will be provided to each NRMSIR and to the SID, if any, within 30 days after availability to the District.

If any change is made to the Annual Financial Information as permitted by Section 4 of this Agreement, the District will disseminate a notice of such change as required by Section 4.

EXHIBIT II

EVENTS WITH RESPECT TO THE CERTIFICATES FOR WHICH MATERIAL EVENTS DISCLOSURE IS REQUIRED

- 1. Principal and interest payment delinquencies
- 2. Non-payment related defaults
- 3. Unscheduled draws on debt service reserves reflecting financial difficulties
- 4. Unscheduled draws on credit enhancements reflecting financial difficulties
- 5. Substitution of credit or liquidity providers, or their failure to perform
- 6. Adverse tax opinions or events affecting the tax-exempt status of the security
- 7. Modifications to the rights of security holders
- 8. Bond calls
- 9. Defeasances
- 10. Release, substitution or sale of property securing repayment of the securities
- 11. Rating changes

Official Notice of Sale

OFFICIAL NOTICE OF SALE

COMMUNITY COLLEGE DISTRICT NO. 502 COUNTIES OF DUPAGE, COOK AND WILL AND STATE OF ILLINOIS

(COLLEGE OF DUPAGE)

\$12,610,000* GENERAL OBLIGATION BONDS (ALTERNATE REVENUE SOURCE), SERIES 2009A \$62,390,000* GENERAL OBLIGATION TAXABLE BONDS (ALTERNATE REVENUE SOURCE), SERIES 2009B

CORRECTIONS: DATED DATE: MAY 4, 2009

DELIVERY DATE: MAY 4, 2009

Date of Sale: April 22, 2009 10:00 a.m. CDT

BIDS

Bids will be received (as described below) by Community College District No. 502, Counties of DuPage, Cook and Will and the State of Illinois (the "District"), at the offices of BMO Capital Markets GKST Inc., 425 Sears Tower, 233 South Wacker Drive, Chicago, Illinois 60606, until 10:00 A.M., Central Daylight Time, on April 22, 2009, for the purchase of the District's General Obligation Bonds, Series 2009A (the "2009A Bonds") and General Obligation Taxable Bonds, Series 2009B (the "2009B Bonds", and together with the 2009A Bonds, the "Bonds".). Bids submitted for the purchase of the Bonds will be accepted or rejected by the District's Board of Trustees (the "Board") on April 23, 2009, pursuant to a resolution to be adopted on the 16th day of April, 2009. The successful bidder(s) will be notified of the time of the formal award.

Each bid must either:

- be enclosed in a sealed envelope addressed to Lindsay Wall, BMO Capital Markets GKST Inc., 425 Sears Tower, 233 South Wacker Drive, Chicago, Illinois 60606, and marked on the outside "Bid for Community College District No. 502 General Obligation Bonds, Series 2009";
- be submitted electronically via PARITY® in accordance with this Notice of Sale, until (ii) 10:00 a.m. Central Daylight Time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY®, potential bidders may contact Lindsay Wall at the Financial Advisor telephone (312) 441-2605, or I-Deal LLC at 1359 Broadway, 2nd Floor, New York, NY 10018, telephone (212) 849-5021; or
- be sent by facsimile transmission to (312) 441-2667. Bids submitted by facsimile transmission shall be deemed to constitute an offer of contract to the same extent as a submission by personal delivery or PARITY. Any bidder intending to bid by facsimile transmission shall notify the Financial Advisor of such intention no later than the close of business on April 21, 2009. Neither the District nor the Financial Advisor shall be responsible for the inability of the bidder to successfully fax its bid in a timely manner.

No bid will be received after the time for receiving bids specified above.

BOND DETAIL

The Bonds will be issued only as fully registered Bonds and, when issued, will be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry form only, in denominations of consent and waiver shall supersede any formalities otherwise required in any separate understandings, guidelines or contractual arrangements between the bidder and Bond Counsel.

The District reserves the right to adjust the par amount of the Bonds in any maturity by no more than 10% of any maturity in a manner that produces the desired debt service. To the extent that any such adjustment affects the underwriting spread assumed by the bidder, the bid price will be adjusted in an amount that preserves the winning bidder's total underwriting spread.

Each bidder agrees to furnish with its bid a list of the firms comprising that bidder's syndicate.

The District reserves the right to reject any or all bids. The District may also, at its sole discretion, waive any irregularity or informality in any bid.

LEGAL OPINION

A copy of the approving legal opinion of Ice Miller LLP, Lisle, Illinois, Bond Counsel to the District, in substantially the form included in the Near Final Official Statement dated the date of delivery of the Bonds, will be delivered without expense to the successful bidder(s) at the delivery of the Bonds.

CONTINUING DISCLOSURE

The District will enter into a Continuing Disclosure Undertaking (the "Undertaking") for the benefit of the Beneficial Owners of the Bonds to send certain information annually and to provide notice of certain events to certain information repositories pursuant to the requirements of Section (b)(5) of Rule 15c-12 (the "Rule") adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934. The information which is to be provided on an annual basis, the events which will be reported on an occurrence basis and the other terms of the Undertaking, including termination, amendment and remedies, are set forth in Appendix C, "FORM OF CONTINUING DISCLOSURE UNDERTAKING."

The District is currently in compliance with each and every undertaking previously entered into by it pursuant to the Rule. A failure by the District to comply with the Undertaking will not constitute a default under the Bond Resolution and Beneficial Owners of the Bonds are limited to the remedies described in the Undertaking. See Appendix C to the Near Final Official Statement, "FORM OF CONTINUING DISCLOSURE UNDERTAKING."

Bond Counsel expresses no opinion as to whether the Undertaking complies with the requirements of Section (b)(5) of the Rule.

PAYMENT OF BONDS

Payment for the Bonds, including accrued interest to the date of delivery, shall be made in immediately available Federal funds at the time of delivery of the Bonds.

DELIVERY OF BONDS

It is expected that the Bonds will be delivered on or about May 4, 2009 and at delivery will be registered in the name of Cede & Co., as nominee for DTC. Delivery of the Bonds will be made in New York, New York, without cost to the successful bidder(s). A certified copy of the record of proceedings of the District relating to the Bonds, which shall include certified copies of the Bond Resolution and a no-litigation certificate as described in the Near Final Official Statement, shall be delivered to the successful bidder(s) of the Bonds. Among the documents included in the record of proceedings is a certification of the District, to be dated the date of delivery of the Bonds, to the effect that the Official Statement, as of its date did not, and as of the date of delivery of the Bonds does not, contain an untrue statement of a

material fact or omit to state a material fact necessary to make the statements in the Official Statement, in light of the circumstances under which they have been made, not misleading.

If the Bonds are not tendered for delivery by 12:00 Noon, Chicago Time, by the 45th day following the date of acceptance of the winning bid (or on any date after that as to which the successful bidder(s) and the District shall have agreed in writing to extend the deadline for delivery), the successful bidder(s) may on that day, or any time after that date until delivery is made of the Bonds, withdraw its proposal by serving notice of cancellation on the District, in writing, in which event the District shall promptly return the good faith deposit.

It is intended that CUSIP numbers will be printed on the Bonds, but neither the failure to print or type such numbers on any Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder(s) to accept delivery of and make payment for the Bonds. All expenses in relation to the printing of CUSIP numbers, including CUSIP Service Bureau charges for the assignment of said numbers, shall be the responsibility of and shall be paid by the successful bidder(s).

OFFICIAL STATEMENT

The District has deemed the Near Final Official Statement provided in connection with the sale of the Bonds to be final as of its date for purposes of the Rule, except for the omission of the offering price or yields, the interest rates, any other terms or provisions required by the District specified in the bid, ratings, other terms of the Bonds depending on such matters, and the identities of the underwriters. Upon the sale of the Bonds, the District will publish an Official Statement in substantially the same form as the Near Final Official Statement, subject to minor additions, deletions and revisions as required to complete the Near Final Official Statement. By submission of its bid, the successful bidder(s) will be deemed to have certified that it has obtained and reviewed the Near Final Official Statement. Promptly after the sale date, but in no event later than seven business days after the sale date, the District will provide the successful bidder(s) with a reasonable number (not to exceed 75) of Final Official Statements. The successful bidder(s) agrees to supply to the District all information necessary to complete the Final Official Statement within 24 hours after the award of the Bonds.

A condition of the bid shall be the bidder's agreement to comply with all provisions of the Rule to which the successful bidder(s) is subject, including compliance with paragraph (b)(4) of the Rule, which requires that from the time the Final Official Statement becomes available in final printed form until up to twenty-five days after the delivery of bonds by the Issuer, the successful bidder(s) shall send the Final Official Statement by first class mail or equally prompt means to any potential customer no later than the next business day following a request for the Final Official Statement.

AVAILABLE DOCUMENTS

Copies of the Near Final Official Statement, the Official Bid Forms and the Bond Resolution may be obtained upon request directed to the District at the office of its Financial Advisor: BMO Capital Markets GKST Inc., 425 Sears Tower, 233 South Wacker, Chicago, Illinois 60606, (312) 441-2605, lindsay.wall@bmo.com, Attn: Lindsay Wall.
