Need-to-Know Information

Subject to Cancellation

Our records indicate your account is past due. Please send payment now to avoid service disruption. If you have already made your payment please disregard this message and thank you.

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Effective January 11, 2023, the definition of the Administrative Charge will be modified to help defray and recover certain direct and indirect costs we or our agents incur, including: (a) costs of complying with regulatory and industry obligations and programs, such as E911, wireless local number portability, and wireless tower mandate costs; (b) property taxes; and (c) costs associated with our network, including facilities (e.g. leases), operations, maintenance and protection, and costs paid to other companies for network services.

Please note that this surcharge is a Verizon Wireless charge, not a tax or government-imposed fee. This charge, and what's included, is subject to change from time to time.

Important Information Regarding Your Customer Agreement

Verizon recently updated your Customer Agreement. We moved Plan related management policies to the Important Plan Information (IPI) disclosures viewable during mobile or 4G or 5G Home Internet (Fixed Wireless Access "FWA") service plan selection. These included statements regarding content management and Third-Party internet access, managed Wi-Fi network usage, and spam call protection. In the "What are Verizon's right to limit or end Service or end this Agreement" section, We relocated language regarding Mobile data users and FWA users to the IPI under a new definition called Heavy Data Users and updated how network management may impact these users. View verizon.com/support/customer-agreement and <https://www.verizon.com/support/important-plan-information> for details.
