Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a \$25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

The Federal Regulatory Fee recovers amounts paid to the federal government for regulatory costs and telecommunications services for the hearing impaired, and costs associated with local number portability administration. These fees are not taxes or charges that the government requires AT&T to collect from its customers.
