Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a \$25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

You will not be disconnected if payment is not received for the non-regulated charges of your bill.

FEE DESCRIPTIONS
The Administrative Expense Fee recovers a portion of AT&T's internal costs associated with the Federal Communications Commission's Universal Service Fund and related programs. The Federal Regulatory Fee recovers amounts paid to the federal government for regulatory costs and telecommunications services for the hearing impaired, and costs associated with local number portability administration. These fees are not taxes or charges that the government requires AT&T to collect from its customers.

DISASTER GUIDELINES

IF YOU ARE UNDER A DECLARED DISASTER WARNING, FIND SAFE SHELTER RIGHT AWAY. IF TOLD TO EVACUATE, DO SO IMMEDIATELY.

There may be potential impacts to your phone service as result of wildfire and Public Safety Power Shut-down events. Consider the need for backup battery power or generator power at your premises in the event of power loss. AT&T requires customers to update contact information used to receive emergency and outage notices in advance of fire season each year. Log into your account at att.com or contact us on the telephone number listed on your bill to update your contact information.

DISASTER PREP TIPS: If you're in an area experiencing severe conditions but you have not been told to evacuate, plan to stay indoors, or wherever you are, and let friends and family know where you are. Charge all wireless devices in the event that you lose power. For more helpful disaster tips, visit att.com/disaster-relief.

WAIVER OF FEES: In counties where the Governor of California has declared a state of emergency, customers who have AT&T wireline service may be able to request that fees be waived for the following products and services:
