UPDATES

ComEd

- You can lower your bill by shifting electrical usage to the Off Peak Period. As shown on your bill, distribution facilities charges are only based on your highest 30-minute kilowatt demand in the On-Peak Period (9AM to 6PM Monday through Friday excluding certain holidays). All other times are considered Off Peak and do not incur distribution facilities charges.

- The pace of new energy supply isn't keeping up with rising demand, making it more expensive. These supply prices are set by PJM, the regional transmission organization that manages the energy supply market in Illinois. Starting in June 2026 the PJM Supply Charge portion of your bill will increase by \$2 to \$3 for all residential ComEd customers. Bill impacts also vary based on how much energy you use and when you use it, such as increased usage that is typical for summer months. While ComEd does not control nor profit from the supply prices set by PJM, we're here to help keep your bills as low as possible. Learn more about how you can take control of your energy costs and manage your monthly bill at ComEd.com/BillSupport.
- **WAYS TO PAY:** Looking for ways to pay your bill? Visit ComEd.com/PAY.
- **Paperless eBill** is a fast, easy, and secure way to eliminate your paper bill and receive your bill online. You'll receive a text and/or email notification when your bill is ready to view - anytime, anywhere. Enroll today at ComEd.com/eBill.
- **POWERLINE SAFETY:** Water and electricity don't mix. Look for overhead power lines before casting a fishing line, using a pool skimmer or raising a boat mast. NEVER swim around docks with electrical equipment or boats plugged into shore power. Always keep yourself or any conductive material at least 10 feet away from power lines. Call 1-800-Edison-1 before working near power lines. Learn more at ComEd.com/Safety.
- **MYLAR BALLOONS & POWER LINES DON'T MIX!** Every year, thousands of residents across northern Illinois are affected by power outages caused by mylar balloons. If a mylar or foil balloon touches a power line, it can cause power surges or service interruptions. Keep balloons tied securely while outside! If you see a balloon, or any object, caught in a power line, do not attempt to retrieve it. Call ComEd at 1-800-EDISON-1.
- **Banking app scams are on the rise!** Do not pay scammers. Imposters posing as ComEd employees may threaten to disconnect service in exchange for immediate payment or personal information. We will never demand payment using a third-party banking app such as Zelle, CashApp, QuickPay or Venmo. Learn more: ComEd.com/ScamAlert.
- **RESOLVING DISPUTES:** The Illinois Commerce Commission Consumer Division is available at 800-524-0795 to help resolve disputes with ComEd. However, customers should contact ComEd before seeking assistance from the ICC.
