DURATION OF AGREEMENT .......................................................................................... 28
PREAMBLE

WHEREAS, College of DuPage Board of Trustees (Board) and the International Union of Operating Engineers Local No. 399 (Union) have endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting the Board’s relations with its employees insofar as such practices are appropriate to the obligations of the Board to retain the right to operate College of DuPage (hereinafter referred to as the “College”) in a responsible and efficient manner and are consonant with the paramount interests of the public and the students of the College;

WHEREAS, the parties recognize that this Agreement is not intended to modify any of the discretionary authority vested in the Board by the statutes of the State of Illinois;

WHEREAS, it is the intention of the parties to the Agreement to provide, where not otherwise mandated by statute, for the salary structure, fringe benefits, and other employment conditions of the employees covered by this Agreement, to promote the maximum productivity of such employees, to prevent interruptions of work and interference with the efficient operation of the College, and to provide an orderly and prompt method for handling and processing grievances;

NOW THEREFORE, the parties agree with each other as follows:

It is normally recognized that the Board exercises most of its powers, rights, authorities, duties, and responsibilities through the President and members of the administrative staff.
ARTICLE III

GRIEVANCE AND APPEAL PROCEDURES

A. GRIEVANCE PROCEDURE

A grievance is defined as a complaint that there has been an alleged violation, misinterpretation, or misapplications of a specific article or section of this Agreement.

Any individual, non-probationary employee who allegedly has been aggrieved may file a grievance.

Any and all adjustments resulting from use of this procedure must be consistent with the terms of this Agreement.

The grievance will be submitted in writing, signed by the alleged grieving employee(s), and will list the specific articles violated, describe the alleged incident, and specify the remedy requested.

In the event the grievance does not involve the supervisor, the grievance shall be initiated at Step 2.

Step 1 An effort shall be made to resolve the grievance through informal discussion with the Chief Engineer, or the Assistant Engineer in the event of an absence of the Chief Engineer. If still unresolved, the grievance may be filed in writing with the Chief Engineer or Assistant Engineer, provided such shall be filed not later than three (3) working days following the event or action giving rise to the grievance. If requested by the Chief Engineer or immediate supervisor, the grievant shall meet to discuss the grievance. A written answer to the grievance
shall be given to the grievant no later than ten (10) working days following the meeting or the submission of the grievance, whichever shall be later.

Step 2 If the grievance is not settled satisfactorily as provided in Step 1, the grievance may be appealed in writing to the next level of supervision or designee within ten (10) working days after the Chief Engineer’s or immediate supervisor’s answer to Step 1. The written statement of the grievance shall be signed by the aggrieved employee(s) and shall include a statement of the provision(s) of the Agreement alleged to be involved and of the relief requested. The appropriate supervisor or designee shall schedule a conference with the aggrieved employee and his Union representative within ten (10) working days of the appeal to Step 2 and shall answer the grievance in writing within ten (10) working days after the conference.

Step 3 If the grievance is not settled in Step 2 and the employee desires to appeal, the employee shall appeal in writing to the College’s Vice President of Administrative Affairs or designee within ten (10) working days of the date of the College’s Step 2 answer. The Vice President of Administrative Affairs or designee shall investigate and answer within ten (10) working days.

Step 4 In the event the determination of the Vice President of Administrative Affairs is not satisfactory, and within twenty (20) days of an unsatisfactory answer in Step 3, the parties with the consent of the union grievance committee may mutually agree upon an arbitrator if the employee so requests in writing. If the parties cannot agree on an arbitrator within twenty (20) working days after the notification of intent to seek arbitration, the parties shall request a list of
arbitrators from the American Arbitration Association. The Union and Board, will alternate the striking of the names until one name is remaining. Except as provided by law, the parties shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement.

The fees and expenses of the arbitration (including stenographic expenses if mutually requested) shall be equally paid by the Union and the College. Each party will bear its own costs of preparation and argument.

A grievance must be filed and appealed within the time limits previously set forth above, or the grievance shall be considered settled on the basis of the last answer given. Steps in the grievance procedure may be waived with mutual agreement of both the Union and the College.

If a grievance is not heard and answered at any step in the process, the employee may proceed to the next step in the process. Failure or refusal of the Employer to meet with the Union representative for arbitration in accordance with the grievance procedure unless other appropriate legal steps are taken by the employer shall render the Union free to take any lawful action against the Employer.
B. **GRIEVANCE FILES**

    Human Resources is charged with the responsibility of maintaining official files for all grievance cases. These files shall include a record of meeting dates, times, participants, evidence submitted, and all written communication regarding each case. These grievance files shall be kept separate from all other personnel files.

**ARTICLE IV**

**MISCELLANEOUS**

A. **UNION RESPONSIBILITIES**

    The Union agrees that it will not conduct Union business during working hours and that requests for meeting room space must be cleared through the Vice-President of Human Resources or designee.

B. **LANGUAGE**

    The use of profane and abusive language in and about the College premises is strictly prohibited.

C. **DUES CHECK OFF**

    While this Agreement is in effect, the Employer will deduct from each employee’s paycheck once each month, the uniform, regular monthly Union dues for each employee in the bargaining unit who has voluntarily filed with the Employer an authorization form. The Employer will honor all authorization forms received no later than fifteen(15) working days (i.e. days the Employer’s administrative offices are open) prior to the next deduction date. If a conflict exists between the authorization form and this Article, the terms of this Article and Agreement control.
The employer shall remit total deductions collected for each calendar month to the Treasurer of the Union, with a list of employees for whom deductions have been made not later than the tenth (10th) day of the following month. In the event of a dues deduction error, the Union agrees to refund directly to the employee(s) any amounts paid to the Union in error.

Dues shall be withheld and remitted to the Treasurer of the Union unless or until such time as the Employer receives a timely Notice of Revocation of Dues Check Off from an employee, or notice of an employee’s death, transfer from covered employment, termination of covered employment, or when there are insufficient funds available in the employee’s earnings after withholding all other legal and required deductions. The Employer will provide a list of employees for whom deductions were not made under this Article with any unknown information to the Treasurer of the Union, and this action will discharge the Employer’s only responsibility with regard to such cases.

The actual dues amount to be deducted from bargaining unit employees who have executed an authorized form shall be certified to the Employer by the Treasurer of the Union and shall be uniform in dollar amount or based on a uniform rule or formula for each employee in order to ease the Employer’s burden of administering this provision. The Union may change the fixed uniform dollar amount or rule or formula, which will determine the regular monthly dues once each calendar year during the life of this Agreement. The Union will give the Employer fifteen (15) days’ notice prior to actual deduction made of any such change in the amount of uniform dues to be deducted.

The authorization form shall be provided by the Union. The authorization form shall remain in effect unless it is revoked in writing in accordance with the revocation
provisions contained in the authorization card. The Union shall notify the Employer of any revocations no later than the first day of the month following the month in which it receives notice that the card is revoked.

The Union shall indemnify, defend, and hold harmless the Employer and its officials, representatives and agents against any and all claims, demands, suits or other form of liability (monetary or otherwise) and for all legal costs, including but not limited to court costs and attorney’s fees, that shall arise out of or by reason of action taken or not taken by the Employer in complying with the provisions of this Article. If any improper deduction is made, the Union shall refund directly to the employee(s) any such amount.

D. JURISDICTION

In case jurisdictional disputes arise between representatives of Local 399, International Union of Operating Engineers, and those of other Unions, it is understood that such differences shall be settled among the unions concerned, with no stoppage of work.

E. WORKER’S TERMINATION OF EMPLOYMENT

Unless excused from this requirement by the Employer, or if termination of employment is occasioned by circumstances beyond the employee’s control, the employee will give the Employer ten (10) working days notice before terminating employment.

F. PROBATION

New employees shall serve a probationary period of 180 calendar days following the date of their employment. The Employer shall have the right to transfer or dismiss
any employee for any reason whatsoever during the probationary period and the employee shall not have redress through the grievance or arbitration provisions within this Agreement.

G. **DISCHARGE NOTICE**

Except for discharge for intoxication, physical abuse of others, insubordination, habitual absences, gross negligence, willful destruction or theft of College property, or the unlawful use or possession of drugs or controlled substances, the Employer shall give to the employee written notice ten (10) days prior to the effective date of the discharge, or ten (10) days pay at option of the Employer, in addition to all other benefits which the employee had accrued to date of discharge. The day on which the notice is given shall be excluded from the ten-day period.

H. **NOTIFICATION**

The names and addresses of all employees newly hired or discharged shall be sent to the Union by the Chief Engineer within 72 hours after their hiring or discharge.
I. **WORKER’S RESPONSIBILITY**
   Employees shall obey all orders of those in authority.

J. **AVAILABILITY**
   The Union undertakes, when requested to do so, to stand ready to furnish the Employer reliable and competent engineers, if available.

K. **ACTIVITY ACCESS**
   The College will provide the members of Local 399 access to College-wide social activities under the same terms and conditions as experienced by all other College of DuPage employees.

L. **SAFETY TRAINING**
   Employee participation in College defined safety training courses is required, Time spent in required safety training will be considered work hours and any associated costs will be paid by the College.

   The College will determine and provide required safety equipment needed to perform the work assigned to the bargaining unit members.

**ARTICLE V**

**WORK HOURS**

A. **TEMPORARY ASSIGNMENT**
   An employee assigned by the supervisor to work in another classification on a temporary basis will be paid the rate for that classification beginning on the eleventh (11th) day of such assignment. Employees temporarily assigned to a lower grade classification for 11 or more days will not be reduced in pay rate.
B. **SENIORITY**

Seniority is the length of continuous service in the bargaining unit at College of DuPage. Employees with greater seniority will be provided first choice for layoff and call back when applicable within their respective classifications and/or lower classifications.

If employees with greater seniority do not voluntarily choose available layoff or call backs, layoff and call back will go to the less senior employees.

Seniority shall not be deemed to establish any right to the continuation of the performance of any work at the College nor to the continuation of any particular job classification or arrangement of duties within any job classification.

C. **EMERGENCY CALL BACK**

An employee who is called back to work outside his/her regularly scheduled shift after leaving the premises shall be paid for the hours worked, but at least a minimum of three (3) hours.

D. **EMERGENCY DAYS**

Employees required to work on emergency days when the College is closed, will receive eight (8) hours of straight time and eight (8) hours of comp time.

E. **HOURS OF WORK & OVERTIME**

The standard workweek shall consist of forty (40) hours standard scheduled hours exclusive of the lunch period.

The workweek for payroll purposes will commence at the beginning of the first shift on Sunday and terminate at the end of the last shift on Saturday. The workday shall be a period of twenty-four (24) consecutive hours commencing with the starting time of the employee’s shift. Full-time employees shall be required to work at the regular hourly
rate for forty (40) hours per week. Employees may be assigned to work any five (5) consecutive eight (8) hour days plus extra time as previously scheduled or as necessary for an emergency at the discretion of the employer. Time worked in excess of forty (40) hours per week will be compensated at one and one-half times the employee’s regular rate of pay.

Employees hired after July 1, 2011: For purposes of computing overtime, hours considered will include time worked, jury duty and supervisor approved absence for meetings. Employees hired after July 1, 2011 who do not have holiday and vacation days included in computing overtime, may reject an overtime opportunity without being dropped to the end of the rotation list.

Employees hired before July 1, 2011: For purposes of computing overtime, time worked will include holidays and vacation days.

F. ANNUAL SCHEDULE

The College will prepare an annual work schedule, posted on or before March 15 and September 15, respectively. The schedule shall follow a pattern of replication intended to provide reasonable determination of work schedules for successive periods. The annual schedule will be implemented for March 15, 2020.

In cases where a position is known to remain open due to extended illness, injury, or termination, the College will provide five (5) weekdays notice for employees to determine voluntary coverage of the position.

If voluntary coverage for an open position is not received by the College within three (3) weekdays of notification, the College will select individuals utilizing an
objective rotation method, initiating the selection process with the “next in line” recipient of overtime.

The College reserves the right to change work schedules whenever, in the opinion of the College, circumstances warrant. In such cases the College will attempt to make such changes with a minimum of five (5) weekdays notice. Emergencies may preclude such notice.

Employees must request non-emergency vacation time no later than the first Friday of each month for vacation to be taken in that month. The employee must make a concerted effort to give notice 4 weeks prior to any planned vacation of five days or more. On an exceptional case-by-case basis, requests for non-emergency vacation time may be approved by the Director, Facilities.

According to the following schedule, an employee’s vacation should be requested in one week (five consecutive scheduled work days) increments, (not to exceed two consecutive weeks in any request without prior approval by the Administrator),

<table>
<thead>
<tr>

</tr>
</thead>
<tbody>
<tr>
<td>0-10</td>
<td>1</td>
</tr>
<tr>
<td>11+</td>
<td>2</td>
</tr>
</tbody>
</table>

Employees will be responsible to secure replacement coverage if “on shift”. Vacation days requested after the effective date of the schedule and/or alternate vacation requests for denied vacation time will be reviewed in the order received subject to the needs of the College. Vacations will remain subject to the provisions of Article VII of the agreement.
Nothing in this section is meant to preclude the requirement for extra scheduled time and/or emergency work as the needs of the College require.

Holidays shall be set as per the college academic calendar to suit the needs of the college and employees shall be scheduled as described above in a pattern of replication. While there may be a reduced need for staff on holidays, if an employee’s normal schedule and pattern of replication causes the employee to be scheduled to work on a holiday, the employee is required to work or to request paid leave time, as per the normal procedure. If staffing levels for a holiday deviate from the posted schedule, the employees will be given notice no less than 30 calendar days prior to the holiday, unless mitigating circumstances occur.

G. SUMMER SCHEDULE

The day shift (Preventative Maintenance) employees (not the shift employees) may elect to shift their hours to 6:00am to 2:30pm on Fridays during the period that the College implements Summer Hours. It is understood that the hours will be shifted by 2/3 majority vote.

During the summer hours employees shall work the full 40 hours and will be paid two (2) summer hours at their normal hourly rate, for a total of 42 hours of pay.

H. SHIFT AND/OR ROTATION

The College agrees that if a major change in shift times and/or rotation occurs, it will bargain the impact of such change with Local 399 upon demand provided such demand is served upon the College within 30 days of announcement of such change.
I. OVERTIME LISTS

The College will establish separate overtime rotation lists for Engineers and Mechanics. The overtime lists will be used by the Chief Engineer or designee to determine the selection of individuals for scheduled overtime. The College retains full and complete authority to determine whether to use the Engineer and/or Mechanic overtime list.

These provisions will not apply to situations where special qualifications of an individual preclude the use of the list, including but not limited to licensing and/or special training/experience requirements in the sole opinion of the Chief Engineer or designee.

Scheduled overtime will be that which is pre-determined and posted on the periodically prepared work schedule. Scheduled overtime does not include emergency, early call-in or hold-over situations.

Damages in any grievance related to this article will be awarded with future scheduled assigned overtime only for the number of hours not properly scheduled.

For purposes of this provision only, “designee” shall not include any member of the College of DuPage Local 399 bargaining unit.

J. ON-CALL

When the Employer requires that an employee must be available and “on-call” for work and be able to report in a reasonable time, the employee shall be compensated at the rate of one (1) hour straight time for each eight (8) hour period or fraction thereof.

On-call pay shall be paid when the employee is clearly assigned by the Employer to be available to work and alter behavior by being within communication range, ready and able to answer the telephone or respond to pager, unimpaired and ready to work if
called, and unengaged in other activities that might hinder the employee’s ability to respond promptly.

Employees assigned to be on-call who fail to respond or be available for work will be subject to disciplinary action. If an employee is assigned to be on-call by the Employer and, due to an emergency, that employee must take him/herself off on-call status, it is the employee’s responsibility to notify the Employer as soon as practicable.

Selection for on-call assignments will utilize the overtime lists, as per Article V, Paragraph G, to include both Engineers and Mechanics to request voluntary assignments. If no volunteers are secured, the employer will assign the employee who has had the least on-call assignments. Ties will be broken by seniority with the least senior employee assigned.

Nothing in the Section compels the Employer to assign an employee to be on-call, or impairs the Employer’s right to utilize usual overtime procedures and contractual rights and obligations described in other Sections, such as Article V, Paragraph D, Overtime, or Article V, Paragraph C, Emergency Callback.

ARTICLE VI

The Board contribution to insurance premiums will be capped at the prior year contribution plus the prior year cost of living increase. Should the insurance premiums increase by more than the prior year cost of living increase in any given year, the Insurance Advisory Committee will meet and recommend plan design changes necessary to reduce the premium increase to the published cost of living. Should the Insurance Advisory Committee fail to make recommendations, the Board will determine the changes necessary.

Benefits are subject to change – see plan documents as applicable.

B. **SAVINGS CLAUSE**

If any provision of this Agreement shall be found contrary to law, then such provision shall not be deemed valid except to the extent permitted by law, but all other provisions and applications shall continue in full force and effect.

C. **INTERRUPTION OF SERVICE**

The Union agrees that it will not, during the term of this Agreement, directly or indirectly engage in, authorize, or instigate any picketing, any strike, slow down, or other refusal to render full and complete services to the Board/College. D. **WAIVER AND ENTIRE AGREEMENT**

The parties acknowledge that during the negotiations which resulted in the Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right which might otherwise exist under any law, practice, or custom to negotiate over any matters, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to, or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Nothing in this section shall prevent the parties from the ability to voluntarily agree to discuss any matter of mutual concern with respect to wages, benefits or conditions of employment.

Recognition of the Union as bargaining agent is not intended to guarantee that any work currently or subsequently performed by employees covered by this Agreement shall continue to be performed by these employees. The College specifically retains the right to decide the nature of the specific work to be performed or whether it be performed at all. The College also retains the right to contract out any and all work of the bargaining unit within the provisions of the management rights clause of this Agreement, i.e., if
sufficient work is contracted out to warrant a reduction, change or modification in the size or composition of the workforce, it may be done after notification to the Union.
