

# Learning Commons Online Support

Want some help?  
Take advantage of online  
academic assistance!

## Live Assistance

 **Math Assistance:** Login to Blackboard and click “Student Support”. In the Learning Commons box click “Math Assistance LIVE!” to meet on Blackboard Collaborate.

 **Writing Appointments:** Login at [cod.mywconline.com](http://cod.mywconline.com). Click an available time slot (3 white boxes) to create an appointment and choose “yes” in the “Meet Online?” box.

 **Tutoring for Any COD Class:** Login to Blackboard and click “Student Support.” In the Learning Commons box find drop-in options available 5 days/evenings per week.

## Email Assistance

**Math Assistance:** Have a question? Fill out a [form on the Math Assistance website](#) with your name, email, ID, course, and your question. You should receive an answer by the next business day.

**Submit a Draft for Any COD Class:** Login at [cod.mywconline.com](http://cod.mywconline.com) (New users must register.) Choose the “Email Coaching” schedule from the white drop down box next to the date.

**Ask a Peer Tutor:** Fill out a [form on the Tutoring website](#) with your question and a tutor will reply to you via e-mail as quickly as possible. Most responses take one or two working days.
