

TUTORING FAST FAQs

Q: How do I sign-up for tutoring appointments?

A: Visit the Learning Commons - SRC 2102 where we will ask you to fill out an easy *Tutoring Request Form*. You can also complete this form online (**directions on back!**). Students can have three 50-minute appointments per week.

Q: So what other types of tutoring do you offer besides appointments?

A: Tutoring provides "Drop-In" sessions for a variety of subjects like Chemistry, Math, Accounting, A&P, and Foreign Languages where no appointment is needed. We also offer Strategic Success Sessions for study skills help. **All services are free!**

Q: Where will my session be?

A: Most sessions take place within the Learning Commons - SRC 2102. Some may occur elsewhere on the Main Campus or select COD off-campus locations. We also have online tutoring for select subjects. Visit **bb.cod.edu** and click "**Ask a Peer Tutor**."

Q: How can a tutor help me?

A: Tutors can clarify points from lectures, labs, discussions or assigned readings. Tutors will show students how to become independent learners; however, tutors cannot complete homework for students or grade assignments.

Q: What should I bring to my session?

A: Come prepared. Bring your syllabus, textbook, notes, and any questions you have. Tutoring is most effective when you are prepared.

Q: Are the tutors good?

A: Yes, they are amazing and proficient in their subjects. They know their stuff!
