Manufacturing Technology | Associate in Applied Science
Field of Study Code: MANUF.AAS

Catalog Description:

The Manufacturing Technology program provides training in a wide variety of skill areas of product manufacturing and services. The four degree options in the program are Automated Manufacturing Systems, Drafting/Design, Manufacturing Technology and Manufacturing Engineering Technology. Automated Manufacturing is designed to prepare the student for careers in computer-aided manufacturing, robotics and numerical control. Drafting/Design prepares the student for careers in the drafting and computer-aided design areas. Manufacturing Technology provides the student with a broad background in the areas of machining, drafting and fluid systems so as to prepare them for entry-level positions as machine operators, machine maintenance personnel and quality control personnel. The Manufacturing Engineering Technology degree prepares students for entry-level engineering technician positions in manufacturing. The Manufacturing Technology degree requires 65 credits in program requirements, program electives and general education in the courses listed below.

Program Requirements .................................................. 29
Manuf 1101 Industrial Design/CAD .................................. 3
Manuf 1104 Technical Mechanics .................................. 2
Manuf 1110 Metrology ................................................ 3
Manuf 1151 Machine Shop I ........................................... 3
Manuf 1153* Advanced Machine Processes .................. 3
Manuf 1180 Quality Control ........................................... 3
Manuf 2251* Computer Numerical Control (CNC) .......... 3
Elect 1100 Electricity and Electronics Fundamentals ...... 3
Elmec 1141 Hydraulics and Pneumatics ....................... 3
Weld 1100 Welding I .................................................. 3

Program Electives ....................................................... 16
Select 16 credits from the courses below. (In addition to the courses listed above.)
Manuf 1121 Physical Metallurgy .................................. 3
Manuf 2201* Geometric Dimensioning and Tolerancing .. 3
Manuf 2202* Solid Modeling and Design ..................... 3
Elmec 1171 Introduction to Robotic Technology .......... 3
Weld 1112* Oxy-Fuel, Welding, Plasma Cutting and Brazing ......................................................... 3
Weld 1122* Shielded Metal Arc (SMAW) ..................... 3
Weld 1132* Gas Metal Arc (MIG) ............................... 3
Weld 1142* Gas Tungsten Arc (TIG) ............................. 3

* - course has a prerequisite

General Education .......................................................... 20
Each candidate for an Associate in Applied Science (A.A.S.) degree shall satisfactorily complete a minimum of 18 credits in General Education. (In addition to the courses listed below.)

Suggested Course Sequence
(Full-Time Enrollment)

Please note: A student’s readiness to perform college-level coursework is based on the student's placement test and/or ACT scores. Below 1000 level coursework may be required prior to the student taking courses in the suggested sequences.

First Semester (15 to 17 credits)
- Manuf 1110 (3)
- Manuf 1151 (3)
- Manuf 1180 (3)
- Elmec 1141 (3)
- General Education (3 to 5)

Second Semester (15 to 18 credits)
- Manuf 1110 (3)
- Weld 1100 (3)
- Elect1100 (3)
- General Education (3 to 5)
- General Education (3 to 5)

Third Semester (8 to 14 credits)
- Manuf 1153 (3)
- Manuf 1104 (2)
- Elective (3 to 9)

Fourth Semester (9 to 17 credits)
- Manuf 2251 (3)
- Elective (3 to 9)
- General Education (3 to 5)

For more information:
If you are considering this program as an area of study, please contact the Business and Applied Technology Division office at 630-942-2592.

COLLEGE OF DUPAGE
2019-2021 CATALOG
For the **Manufacturing Technology degree**, students are required to take 20 credits in General Education.

Under the specified General Education headings below, the following courses are required:

**Communication:** 6 credits  
*Written:* (3 credits) English 1101 or 1105  
*Oral:* (3 credits) Speech 1100, 1120 or 1150

**Physical and Life Sciences:** 3 to 5 credits  
At least one course with a laboratory component

**Mathematics:** 3 to 5 credits  
Select a minimum of 3 credits (1000 level or above).  
Select Mathematics 1102, 1104 or 1120 only where required in the degree program. Only one from the following three courses may count toward overall degree requirement credit: Mathematics 1635, Psychology 2280 or Sociology 2205. Only one of the following courses may count toward overall degree credit: Mathematics 1428 or Mathematics 1431.

**Humanities and Fine Arts:** 3 credits

**Social and Behavioral Sciences:** 3 credits  
Complete at least 2 credits from the list of courses in the Global/Multicultural Studies or Contemporary Life Skills Category.  
*(Manufacturing Technology 1180 fulfills this requirement)*

**TOTAL CREDITS FOR AAS DEGREE**  
**65**
