

AAS in Management

College of DuPage and Concordia University Chicago 3+1 Bachelor of Arts Degree in Healthcare Management

A convenient, affordable and streamlined approach to earn a Bachelor of Arts degree in Healthcare Management

Who can enroll in the program?

- Students who have completed an Associate in Applied Science (AAS) degree in Management at College of DuPage.
- New students interested in pursuing a Bachelor of Arts degree in Healthcare Management offered by Concordia University Chicago at College of DuPage.
- Students who graduated from College of DuPage and went elsewhere can be considered for admission for this 3+1 program if they complete any necessary prerequisites. A transcript evaluation needs to be completed by both schools.

Program Overview

- All classes are held at the College of DuPage Glen Ellyn campus.
- The 32 credit hours earned through Concordia University Chicago are offered at a discounted tuition rate.
- For students earning an AAS degree in Management, the program consists of 131 credit hours, including 99 credit hours of College of DuPage courses and 32 credit hours of Concordia University Chicago coursework.

The Advantage

The 3+1 program allows students to complete their AAS degree from College of DuPage. Once completed, our students are allowed to take additional courses beyond their degree from COD paying our much lower tuition rates. The final year of classes are taught by Concordia University Chicago faculty and are offered on College of DuPage's campus at a significantly reduced rate, making the goal of continuing an education a reality for more students. This program exemplifies College of DuPage's mission to make education more affordable for its students while stressing academic quality, first-class faculty and extraordinary learning environments.

Important Notes

- Students must complete the associate degree requirements prior to taking the additional COD coursework.
- Students must apply and be accepted into CUC prior to taking 3rd year courses. Not doing so will result in not receiving financial aid.
- Please consult with the partner institution to which you are applying about the best time to complete the application for admission to the 3+1 partner school. Typically, this takes place 1-2 semester prior to the completion of the AAS degree.
- All students should consult with an advisor or counselor to map their academic plan. Students should also refer to specific program admission requirements as stated in their respective college/university catalogs and department web pages.
- Students must register and purchase books at Concordia University Chicago for Concordia University Chicago courses.
- Courses are not listed in sequence. Please consult your academic advisor and the current course schedule to determine when courses should be taken.
- Additional COD coursework beyond the AAS degree must be completed with a "B" or higher.
- The Associate in Applied Science degree must be completed and conferred in order to validate this agreement. Please refer to the student planning worksheet at www.cod.edu/counseling/student_planning.aspx for COD's AAS degree requirements.
- A student must earn a minimum of 126 credit hours to qualify for graduation with a bachelor's degree. At least 32 of the 126 credit hours for graduation must be completed through Concordia University Chicago. Students follow the degree requirements for the catalog year in which they enter Concordia University Chicago.
