## **PROGRAM OVERVIEW**

College of DuPage (COD) offers Paramedic training through Central DuPage Hospital, Edward Hospital, Good Samaritan Hospital and Loyola University Medical Center Emergency Medical Services System (EMSS). These Paramedic training programs are currently utilizing the U.S. Department of Transportation's National Education Standards and are approved to offer Paramedic training by the Illinois Department of Public Health (IDPH).

The hospitals have been designated as Emergency Medical Services System resource hospitals by the State of Illinois. This designation specifies certain responsibilities in the delivery of pre-hospital care. Among these are the training and education of Paramedic personnel. Edward Hospital's Paramedic program starts in January of each year and is one year in length. Registration is through College of DuPage with classes and clinical rotations held at the hospital.

## **PROGRAM INFORMATION DISCLAIMER**

If you have questions regarding the payment plan or the payment policy, please contact the Cashier's office at (630) 942-2206.
