Student Account Refunds: eRefund Enrollment (Continued)

10. Read the terms and conditions related to the program, select the box agreeing to the terms, then click *Continue* to finish the enrollment process.

Finding Your Routing Number and Bank Account Number:

ensuring your bank account information is

entered correctly. Enter a name for the payment

method, then click Continue.

Routing Number: A 9-digit code that identifies the location where your bank account was opened. Each bank has its own routing number. You can find your routing number on the bottom left of a check.

Account Number: An 8 to 12-digit number specific to your personal bank account. This number is <u>not</u> the same as your debit card number. Your bank account number can be found printed on the bottom of a check or it may be visible via your online banking, depending on the financial institution.
