Explore the COD Library

COD Librarians are the link between you and the information you need.

They will help you explore a topic, find data, pinpoint a source, and so much more. Ask them anything: <http://www.cod.edu/library>

The Library offers a variety of Accessible & Assistive Services, check them out at: <http://www.codlrc.org/services/assistive#devices>.

Tutoring services in the Learning Commons

The Learning Commons is a one stop academic support center that provides learning assistance to all COD students. The Learning Commons offers students a broad range of options, including course-based tutoring, help with navigating the COD website (including myACCESS and Blackboard), preparation resources for placement

exams, and math, writing, reading, and speech assistance.

These services are available at no additional cost to all students currently enrolled in COD courses. The Learning Commons is located in the Student Resource Center room 2102. For more information, call (630) 942-3941 or visit <http://www.cod.edu/learningcommons>.

Download an Alternative Format

Find file formats that support your learning

How do you prefer to engage with digital learning content? Do you read on your phone or tablet, use a screen reader, like to annotate and highlight, or listen to an audio version? Ally automatically generates “Alternative formats” from your original course files, and makes them available for download so that you can engage with course content in a way that works best for you.

Find Ally’s “Alternative formats” where you access your course content.

Select the grey arrow icon next to the content items or attached files in your course, and select the “Alternative formats” option from the drop down.

Know your options. Choose a format that’s right for you.

Format	Format Advantages
OCRed PDF Automatically extracted text	Improved scanned documents Better reading and text search
Tagged PDF Structured PDF for assistive technology	Improved structure for navigation Essential for screen readers
HTML For browser and mobile	Customize your text Adapts text to mobile screen sizes
ePub Reading on tablets and e-book readers	eBooks on tablets Annotating and highlighting
Electronic braille BRF version for electronic braille displays	Read more quickly Essential for visual impairments
Audio MP3 recording of text	Listen and learn on the go Engage different modalities

Click “Download.” Your file may take a few minutes to generate
